Article 33: Meaning of relevant information in Article 32

Article 33 provides for the information which will be released by the Secretary of State under article 32. The “relevant information” will indicate the individual’s status in the scheme to the applicant by showing whether they are monitored and, if they are, whether they are undergoing assessment. Individuals will be shown as “undergoing assessment” if initial information about them is being gathered by the Secretary of State under article 28 in response to an application to be monitored or if they are being considered for barring by the IBB.
