DEFINITION AND CONDITIONS OF EMPLOYMENT OF LEARNERS

Paragraph 7.

A female learner is a worker who—

- (a) is employed during the whole or a substantial part of her time in learning any branch or process of the trade by an employer who provides the learner with reasonable facilities for such learning; and
- (b) has received a certificate, or has been registered in accordance with rules from time to time laid down by the Wages Council, or has made application for such certificate or registration which has been duly acknowledged and is still under consideration.

Provided that the certification or registration of a learner becomes invalid if at any time during learnership the provisions relating thereto are not complied with.

Provided that an employer may employ a female learner on her first employment in the trade without a certificate or registration for a probation period not exceeding four weeks, but in the event of such learner being continued thereafter at her employment, the probation period will be included in her period of learnership.

Paragraph 8.

A learner ceases to be a learner and becomes entitled to the full general minimum time rate of her class on the fulfilment of the appropriate conditions set out below:—

Age at entering employment	Conditions
Under 18 years of age ..	The completion of two years' employment.
18 years of age or over ..	The completion of one year's employment.

Paragraph 9.

Any worker who has been previously employed in any branch of the trade as defined in paragraph 18 and has not been registered nor held a certificate, and who is subsequently engaged as a learner, will count the whole period of such previous employment for the purposes of claiming the time rate at which she is to be paid.

Paragraph 10.

No learner who has left the trade and subsequently re-enters the trade as a learner will, after re-entry, serve a longer period as a learner than would be permissible in the case of a person of the same age entering the trade for the first time.

Paragraph 11.

Notwithstanding compliance with the conditions contained in paragraphs 7 to 10 a person will not be deemed to be a learner if she works in a room used for dwelling purposes and is not in the employment of her parent or guardian.

OVERTIME

Paragraph 12.

Overtime rates are payable as follows:—

A.—WORKERS EMPLOYED ON TIME WORK:

- (i) For the first six hours worked in excess of 40 in any week—TIME-AND-A-QUARTER.
- (ii) For the next two hours—TIME-AND-A-HALF.
- (iii) Thereafter—DOUBLE TIME.
- (iv) For all hours worked on a Sunday or customary holiday—DOUBLE TIME.

B.—WORKERS EMPLOYED ON PIECE WORK:

Male and female workers employed on piece work are entitled to receive in respect of each hour of overtime worked, in addition to piece rates each of which would yield, in the circumstances of the case, to an ordinary worker, at least the same amount of money as the appropriate general minimum time rate—

an amount equivalent to ONE-QUARTER, ONE-HALF OR THE WHOLE OF THE appropriate general minimum time rate

according as the overtime rate payable under the provisions of sub-paragraph A, if the worker had been employed on time work, would have been equivalent to time-and-a-quarter, time-and-a-half or double time, respectively.

Paragraph 13.

The expression “customary holiday” means—

- (a) Christmas Day (or, if Christmas Day falls on a Sunday, such other weekday as may be appointed by national proclamation or, if none is so appointed, the next following Tuesday), Boxing Day, Easter Monday, Easter Tuesday, and three other days (being days on which the worker normally works) in the course of a calendar year to be fixed by the employer and notified to the worker not less than three weeks before the holiday;
- or (b) a day substituted by the employer for any one of the said days, being a day recognised by local custom as a day of holiday in substitution for the said day.

Paragraph 14.

For the purpose of paragraph 12A the expressions time-and-a-quarter, time-and-a-half and double time mean, respectively, one-and-a-quarter times, one-and-a-half times and twice the amount of the general minimum time rate otherwise applicable.

GENERAL

APPLICATION OF STATUTORY MINIMUM REMUNERATION TO PIECE WORKERS

Paragraph 15.

In the case of male or female workers employed on piecework, each piece rate paid must be such as will yield in the circumstances of the case, to an ordinary worker, at least the same amount of money as the appropriate general minimum time rate. In determining whether any piece rate satisfies the foregoing condition regard will be had only to the earnings of ordinary workers, that is, workers of ordinary skill and experience in the class of work in question and not to the earnings of workers of less than ordinary skill and experience, for example, juvenile and infirm workers.

EMPLOYMENT OF JUVENILE WORKERS ON PIECE WORK

Paragraph 16.

An employer will, in any case where a learner or other juvenile worker is employed on piece work during the first six months of his employment in the trade, be deemed to pay wages at less than the minimum rate unless he shows that such worker has received in respect of his employment on piece work in each week during that period, at least the same amount of money as such worker would have been entitled to receive if employed on time work.

An employer will, in any case where any such worker is so employed at any time subsequent to the first six months of his employment in the trade, be deemed to pay wages at less than the minimum rate unless he shows that such worker has, in respect of his employment on piece work, been paid at piece rates which would yield, in the circumstances of the case, to an ordinary worker (not being a juvenile worker) at least the same amount of money as the appropriate general minimum time rate.

WAITING TIME

Paragraph 17.

- (1) A worker is entitled to payment of statutory minimum remuneration during all the time during which he is present on the premises of his employer unless he is so present either without his employer's consent, express or implied, or for some purpose unconnected with his work and other than that of waiting for work to be given to him to perform.
- (2) A piece worker is, during any time during which he is present as aforesaid and is not doing piece work, entitled to payment of the general minimum time rate applicable to workers of the class to which he belongs.

Provisions (1) and (2) do not apply when—

- (a) a worker is present on his employer's premises by reason only of the fact that he is resident thereon, or
- (b) a worker is present on his employer's premises during normal meal times in a room or place in which no work is being done and is not waiting for work to be given to him to perform.

APPLICABILITY OF STATUTORY MINIMUM REMUNERATION

Paragraph 18.

- (3) All processes of embroidery or decorative needlework where carried out in association with or in conjunction with the above-mentioned branches of tailoring.
- (4) All warehousing, packing and other operations incidental to or appertaining to any of the branches of tailoring in question.

BUT EXCLUDING:—

- (1) The making of head-gear.
- (2) The making of rubberised or oil-skin garments.
- (3) The making of boys' readymade washing suits or sailor suits where carried out in association with or in conjunction with the making of garments to be worn by women or girls, or by children without distinction of sex.

SECOND SCHEDULE

Holidays and Holiday Remuneration

The Readymade and Wholesale Bespoke Tailoring Wages Regulation (Holidays) Order (Northern Ireland) 1974(f) (Order N.I.T.R.W. (76)) shall have effect as if in the Schedule thereto for Part II Paragraph 2(1), (2) there was substituted the following Paragraph:—

Paragraph 2.

- (1) An employer shall allow to every worker to whom this Schedule applies a holiday (hereinafter referred to as a "customary holiday") in each year on the days specified in the following sub-paragraph provided that the worker has been in his employment for a period of not less than *four* weeks immediately preceding the customary holiday and has worked for the employer during the whole or part of that period and is in his employment on the day of the customary holiday.
- (2) The said customary holidays are:—
 - (a) Christmas Day (or, if Christmas Day falls on a Sunday, such other weekday as may be appointed by national proclamation, or, if none is so appointed, the next following Tuesday), Boxing Day, Easter Monday, Easter Tuesday and *three* other days (being days on which the worker normally works) in the course of a calendar year to be fixed by the employer and notified to the worker not less than three weeks before the holiday; or
