GUARANTEED TIME RATE FOR CERTAIN PIECE WORKERS

Paragraph 11.

Where an employer transfers a female worker, other than a learner (as defined in paragraph 20), who is at the time employed by him in any trade other than the Dressmaking and Women's Light Clothing Trade, to employment on **PIECE WORK** on the employer's premises in any branch, process or method of manufacture or operation in the Dressmaking and Women's Light Clothing Trade (as defined in paragraph 26) of which she has had no previous experience, that worker must, during the first **FOUR WEEKS** of such employment, be paid a guaranteed time rate of

54.75p PER HOUR

Where a guaranteed time rate is appropriate an employer must pay female workers who are employed on piece work not less than the guaranteed time rate notwithstanding that their earnings on piece work are less than such sum, that is, the worker's earnings must be made up to the guaranteed time rate.

PIECE WORK

Paragraph 12.

An employer must pay to workers employed on piece work, piece rates each of which would yield, in the circumstances of the case, to an ordinary worker at least the same amount of money as the appropriate general minimum time rate. In determining whether any piece rate satisfies the foregoing condition regard shall be had only to the earnings of workers of ordinary skill and experience in the class of work in question and not to the earnings of workers of less than ordinary skill and experience.

OVERTIME

Paragraph 13.

Overtime rates are payable as follows:—

A. WORKERS EMPLOYED ON TIME WORK:

- (1) On any day other than Saturday, Sunday or a Customary holiday—

 For all time worked in excess of 40 hours .. **TIME-AND-A-QUARTER**
 except in so far as higher overtime rates may be payable under the provisions of sub-paragraph A(1), (2) and (3).
- (5) Where it is the established practice of an employer to require attendance on Sunday instead of Saturday, the overtime rates apply to workers in like manner as if the word "Saturday" were substituted for "Sunday" and the word "Sunday" for "Saturday."

B. MALE AND FEMALE WORKERS EMPLOYED ON PIECE WORK:

- (1) Male and female workers (other than those of the class specified in paragraph 11) employed on piece work are entitled to receive in respect of each hour of overtime worked in addition to piece rates each of which would yield, in the circumstances of the case, to an ordinary worker, at least the same amount of money as the appropriate general minimum time rate applicable.

an amount equivalent to ONE-QUARTER, ONE-HALF, or THE WHOLE of the appropriate general minimum time rate, according as the overtime rate payable under the provisions of subparagraph A, if the worker had been employed in time work, would have been equivalent to time-and-a-quarter, time-and-a-half, or double time, respectively.

- (2) Female workers of the class specified in paragraph 11 are, during the period of four weeks referred to in that paragraph, entitled to receive, in respect of each hour of overtime worked, in addition to the guaranteed time rate,

an amount equivalent to ONE-QUARTER, ONE-HALF, or THE WHOLE of the guaranteed time rate,

according as the overtime rate payable under the provisions of subparagraph A, if the worker had been employed on time work, would have been equivalent to time-and-a-quarter, time-and-a-half, or double time, respectively.

Paragraph 14.

Overtime rates are payable in respect of all overtime worked on any day, notwithstanding that the total number of hours worked in the week does not exceed 40.

Paragraph 15.

The expression "customary holiday" means—

- (a) Christmas Day (or, if Christmas Day falls on a Sunday, such other week day as may be appointed by national proclamation or, if none is so appointed, the next following Tuesday), Boxing Day, New Year's Day, Easter Monday, Easter Tuesday, and two other days (being days on which the worker normally works but not being weekly short days) in the course of a calendar year to be fixed by the employer and notified to the worker not less than three weeks before the holiday;

- or (b) a day substituted by the employer for any one of the said days, being a day recognised by local custom as a day of holiday in substitution for the said day.

Paragraph 16.

For the purpose of paragraph 13, the expressions time-and-a-quarter, time-and-a-half, and double time mean, respectively, one-and-a-quarter times, one-and-a-half times, and twice the amount of the minimum rate otherwise applicable.
