“benefit” means child benefit under the Order;
“full-time education” means full-time education by attendance at a recognised educational establishment.

(3) References in these regulations to any condition being satisfied or any facts existing in a week shall, unless they relate to paragraph 1 of Schedule 1 to the Order (children in detention, care, etc.) be construed as references to the condition being satisfied or the facts existing at the beginning of that week.

*Special provisions as to contributions and expenditure in respect of a child*

2.—(1) Where two or more persons are contributing to the cost of providing for the same child and the aggregate weekly amount of their contributions is, but the weekly amount of each of their individual contributions is not, of an amount not less than the weekly rate of benefit which would be payable in respect of that child had the aggregate weekly amount of their contributions been contributed by one only of them, the aggregate weekly amount of their contributions shall be treated as having been made by that one of them as they shall by agreement nominate in writing or, in default of such agreement, by that one of them as the Department may, in its discretion, determine.

(2) Where pursuant to a nomination or determination under paragraph (1) a person is awarded benefit in respect of a child, the nomination or determination shall cease to have effect in the week following that in which benefit was awarded to that person; and accordingly that person shall himself be required to satisfy the requirement in Article 5(1)(b) of the Order, namely, that he is contributing to the cost of providing for the child at a weekly rate which is not less than the weekly rate of benefit payable in respect of the child.

(3) Where spouses are residing together a contribution made or expenditure incurred by one of them in respect of a child shall if they so agree, or in default of such agreement if the Department in its discretion so determines, be treated as made or incurred by the other.

(b) that child either is not residing with his spouse or, if he is, the spouse is receiving full-time education.

Circumstances in which persons are not to be treated as having ceased to reside together

10.—(1) Subject to paragraph (2) and regulation 20, where a person is married he and his spouse shall not be treated as having ceased to reside together by reason of any absence from one another which is not likely to be permanent; and if in the week in which benefit is claimed spouses—

(a) are not separated under an order of a court of competent jurisdiction or deed of separation; or
(b) have not been absent from one another for at least ninety-one consecutive days,
their absence from one another shall be regarded as not likely to be permanent before either the requirement in sub-paragraph (a) or the require-

Prescribed manner of making an election under Schedule 2 to the Order

12.—(1) An election under Schedule 2 to the Order (any election under that Schedule to be made in the prescribed manner) shall be made by giving notice in writing to the Department on a form approved by the Department or in such other manner being in writing as it may accept as sufficient in the circumstances of any particular case or class of cases.

(2) An election shall not be effective to confer entitlement to benefit in respect of a child for any week earlier than the week following that in which it is made if the earlier week is one in respect of which benefit has been paid in respect of that child and has not been required to be repaid or voluntarily repaid or recovered.

(3) Any election as above may be superseded by another subsequent election made in accordance with the foregoing provisions of this regulation.
Modification of priority provisions in Schedule 2 to the Order

13.—(1) Where a person has claimed benefit in respect of a child in respect of whom he would be entitled to benefit but for the fact that under the provisions of Schedule 2 to the Order (priority between persons entitled) some other person is entitled to benefit in respect of that child in priority to him, if that other person gives notice in writing to the Department that he does not wish to have priority of title to benefit in respect of that child the provisions of the said Schedule 2 shall, subject to paragraph (2), have effect with the modification that that other person does not have such priority.

(2) A notice under paragraph (1) shall—

(a) subject to sub-paragraph (b), have effect unless and until the said other person, subsequent to the giving of the notice, makes a further claim to benefit in respect of the said child; but

(b) not be effective as respects any week in respect of which benefit in respect of the said child is paid to the said other person or to a person on his behalf.

Set-off of benefit against arrears of a non-contributory invalidity pension and of a non-contributory invalidity pension against arrears of benefit

14.—(1) Benefit paid shall, unless it is required to be repaid, be treated as properly paid for any period for which it is not in fact payable in cases where, in consequence of a subsequent decision under the Social Security Act, the person in respect of whom it was paid is entitled to a non-contributory invalidity pension under that Act for that period; and any arrears payable by virtue of the subsequent decision for that period shall be reduced by the amount of the benefit treated as properly paid or, if that amount is equal to or greater than any such arrears, withheld.

(2) A non-contributory invalidity pension paid to a person which it is subsequently decided was not payable shall, unless it is required to be repaid, be treated as properly paid for any period for which it is not in fact payable in cases where, in consequence of a subsequent decision under the Order, another person is entitled to benefit in respect of the first mentioned person for that period; and any arrears payable by virtue of that subsequent decision for that period shall be reduced by the amount of the pension treated as properly paid or, if that amount is equal to or greater than any such arrears, withheld.

Children in detention, care, etc.

15.—(1) For the purposes of paragraph 1 of Schedule 1 to the Order (exclusion from entitlement to benefit in respect of children in detention, care, etc.) Article 2(3) of the Order (subject to any provision made by regulations, references in the Order to any condition being satisfied or any facts existing in a week to be construed as references to the condition being satisfied or the facts existing at the beginning of that week) shall have effect as if for “at the beginning of that week” there were substituted “throughout any day in that week”.

(2) For the purposes of sub-paragraphs (a), (b), (c) and (d) of paragraph 1 of the said Schedule (child undergoing imprisonment or detention in legal custody) a child shall not be regarded as undergoing imprisonment or detention in legal custody in any week unless in connection with a charge brought or intended to be brought against him in criminal proceedings at the conclusion of those proceedings or, in the case of default of payment of a sum adjudged to be paid on conviction, in respect of such default, a court imposes a penalty upon him; and for those purposes—
Social Security No. 226

(a) "court" means any court in the United Kingdom, the Channel Islands or the Isle of Man; and

(b) "penalty" means, in the case of any court in Northern Ireland, a sentence of imprisonment, borstal training or detention under section 73, 74, 95, 97, 101, 108, 140 or 143(6) of, or paragraph 11 of Schedule 5 to, the Children and Young Persons Act (Northern Ireland) 1968(m), or an order for detention in a remand centre or young offenders centre and, in the case of any court not in Northern Ireland, any comparable sentence or order.

(3) The said sub-paragraphs (a), (b), (c) and (d) of paragraph 1 shall not apply to a child in respect of any week in which that child is liable to be detained in a hospital or similar institution in Northern Ireland as a person suffering from mental disorder unless, subsequent to the imposition of a penalty—

(a) he has undergone detention in a prison, a training school, a remand home, a borstal institution, a remand centre, a young offenders centre or, if not in Northern Ireland, any comparable place;

(b) he was removed to the hospital or similar institution while still liable to be detained as a result of the said penalty and, in the case of a person who is liable to be detained in the hospital or similar institution by virtue of any provisions of the Mental Health Act (Northern Ireland) 1961(n), a direction restricting his discharge has been given under that Act and is still in force,

and in this paragraph—

(i) "hospital or similar institution" means a place (not being a prison, a training school, a remand home, a borstal institution, a remand centre, a young offenders centre or, if not in Northern Ireland, any comparable place and not being at or in any such place) in which persons suffering from mental disorder are or may be received for care or treatment;

(ii) "mental disorder" shall be construed as including references to any mental disorder within the meaning of the said Act of 1961; and

(iii) a person who is liable to be detained by virtue of any provision of the said Act of 1961 shall be treated as if a direction restricting his discharge had been given under that Act if he is to be so treated for the purposes of that Act.

(4) Where, as respects a child in relation to whom each of the conditions specified in paragraph (3)(a) and (b) is satisfied, a certificate given by or on behalf of the Secretary of State shows the earliest date on which that child would have been expected to be discharged from detention pursuant to the said penalty if he had not been transferred to a hospital or similar institution, the said conditions shall be deemed not to be satisfied in relation to that child as from the day next following that date.

(5) For the purposes of paragraph 1(f) of Schedule 1 to the Order (child in care of the Department or subject to a parental rights order in such circumstances as may be prescribed) the prescribed circumstances are that the child is—

(a) received into care under section 103 of the Children and Young Persons Act (Northern Ireland) 1968;

---

(m) 1968 c. 34 (N.I.)
(n) 1961 c. 15 (N.I.)

(c) committed to the care of the Department in pursuance of a fit person order made under section 74(1), 95(1), 97(2), 101(1), 143(6) or 144 of that Act of 1968 or an order made under paragraph 7 of Schedule 9 to the Education and Libraries (Northern Ireland) Order 1972.

(6) A person shall not be disentitled to benefit in respect of a child for any week by virtue of the fact that sub-paragraph (a), (b), (c), (d), (e) or (f) of paragraph 1 of Schedule 1 to the Order (except where regulations otherwise provide, no person to be entitled to benefit in respect of a child for any week if in that week the child is in detention, care, etc.) applies to that child—

(a) unless that week is the 9th or a subsequent week in a series of consecutive weeks in which any of those sub-paragraphs has applied to that child; or

(b) notwithstanding that that week is the 9th or a subsequent week in a series of consecutive weeks in which any of those sub-paragraphs has applied to that child, if—

(i) that week is one throughout which that person has had the child living with him; or

(ii) that week is one during which that person has had the child living with him throughout at least one day, being a day which immediately follows or precedes a week throughout which that person has had the child living with him; or

(iii) as at that week that person establishes that he is a person with whom the child, while the said sub-paragraph (a), (b), (c), (d), (e) or (f) applies to him, ordinarily lives throughout at least one day in each week.

(7) For the purposes of paragraph (6), a person shall not be regarded as having a child living with him throughout any day or week unless he actually has that child living with him throughout that day or week.

(8) For any week in which a child is boarded-out by the Department in the home of any person in accordance with the provisions of the Children and Young Persons (Boarding-Out) Regulations (Northern Ireland) 1976(o), paragraph (6) shall not apply to that person in relation to that child.

Right to benefit of voluntary organisations

16.—(1) Subject to the following provisions of this regulation, a voluntary organisation shall for the purposes of benefit be regarded as a person with whom a child is living, and the only person with whom that child is living, for any week in which that child is—

(a) living in premises which are provided or managed by the voluntary organisation, being premises which are required to be registered with a Government department or local authority or which are otherwise regulated under or by virtue of any enactment relating to Northern Ireland; or

(b) boarded-out by the voluntary organisation in the home of any person in accordance with the provisions of the Children and Young Persons (Boarding-Out) Regulations (Northern Ireland) 1976.
(2) A voluntary organisation shall not be regarded as a person with whom a child is living in any week unless in that week the child is actually living with the voluntary organisation in accordance with the provisions of paragraph (1); so however that a voluntary organisation shall not be regarded as having ceased to have a child living with it by reason only of any temporary absence of that child which—

(a) if the child is undergoing medical or other treatment as an in-patient in a hospital, does not last for more than eighty-four days; or

(b) if the child is temporarily absent for any other reason, does not last for more than fifty-six days.

(3) In calculating for the purposes of paragraph (2)(a) whether a child has been temporarily absent for not more than eighty-four days, two or more distinct periods of temporary absence separated by one or more intervals each not exceeding twenty-eight days shall be treated as a continuous period equal in duration to the total of such distinct periods and ending on the last day of the latter or last of such periods.

(4) A voluntary organisation shall not be regarded as a person with whom a child is living in any week if in that week—

(a) that child is in residential accommodation pursuant to arrangements made under Article 7 of the Health and Personal Social Services (Northern Ireland) Order 1972(p); or

(b) paragraph 1 of Schedule 1 to the Order (exclusion from entitlement to benefit in respect of children in detention, care, etc.) applies to that child.

(5) Where immediately before the week in which paragraph (1) applies to a child that child was living with a person who was then entitled to benefit in respect of it, the said paragraph (1) shall, while under Article 5(2) of the Order that child would be treated as continuing to live with that person, have effect in relation to that person as if “and the only person with whom that child is living” were omitted.

(6) Article 5(1)(b) of the Order (person to be treated as responsible for a child in any week if he is contributing to the cost of providing for the child at a weekly rate not less than the weekly rate of benefit payable in respect of the child for that week) and regulation 15(6) shall not apply to a voluntary organisation.

18. Section 11 of the Act of 1966 (child not to be treated as included in any family in certain circumstances) except subsections (5) and (6) of that section shall not apply to a child for any period which does not begin before 1st February 1977; and in a case where the absence of a child from a person

(p) S.I. 1972/1265 (N.I. 14)

(q) 1966 c. 8 (N.I.)
does not begin before that date and is by reason of the fact that the child, whether residing in a residential establishment or boarded-out under the Children and Young Persons Act (Northern Ireland) 1968 or otherwise, has been kept in the care of a welfare authority under the said Act of 1968, regulations 12 and 13 of the Family Allowances (Qualifications) Regulations (Northern Ireland) 1970(r) (rules for determining, inter alia, whether the absence of a child from a parent or a person other than a parent is temporary) shall have effect in relation to such an absence as if references in them to 4 weeks were references to 8 weeks.

Transitional provisions relating to apprentices under the Act of 1966

19.—(1) Where immediately before the appointed day a family allowance is payable in respect of a person who has attained the age of sixteen but is under the age of nineteen as being an apprentice within the meaning of the Act of 1966, then notwithstanding that that person does not satisfy the requirement in Article 4(1)(b) of the Order that he is receiving full-time education, he shall be treated as satisfying that requirement while he continues without a break to be an apprentice within the meaning of the Act of 1966; so however that the weekly rate of benefit payable in respect of him shall be the weekly rate at which family allowance was payable in respect of him immediately before the appointed day.

(2) Where in respect of a period ending immediately before the appointed day a person is entitled to a family allowance and the elder or eldest child included in the family of that person for the purposes of the Act of 1966 is an apprentice within the meaning of that Act, then for any period beginning with that day throughout which—

(a) that child continues to be an apprentice within the meaning of the Act of 1966; and

(b) that person would be entitled to benefit in respect of that child if that child satisfied the requirement in Article 4(1)(b) of the Order that he is receiving full-time education,

benefit to which that person may be entitled in respect of a younger child in respect of whom he was entitled to a family allowance immediately before that day shall be payable at the weekly rate appropriate to a child who is not the only, elder or eldest child in respect of whom a person is entitled to benefit.

Transitional provisions relating to circumstances in which spouses are to be treated otherwise than together

20.—(1) Where immediately before the appointed day a married person is entitled to a family allowance and for the purposes of the Act of 1966 he then fell to be regarded as living otherwise than together with his spouse, while he and that spouse would continue without a break to be regarded as living otherwise than together for the purposes of the Act of 1966 they shall be treated as living otherwise than together for the purposes of benefit.

(2) Where for the purposes of Article 18 of the Order (interim benefit for unmarried or separated parents with children) a person who was married—

(a) fell to be regarded as not residing with his spouse immediately before the appointed day; and

(b) was entitled to benefit under that Article for a period ending immediately before that day,

(r) S.R. & O. (N.I.) 1970 No. 23 (p. 167)
then while without any break that person would continue to be regarded as
not residing with his spouse for the purposes of that Article he shall be treated
as not residing with his spouse for the purposes of benefit.

Transitional provision relating to calculation of contributions and expenditure
in respect of a child

21. Where in connection with benefit a question arises whether in relation
to the week beginning with the appointed day a person is—

(a) contributing to the cost of providing for a child at a weekly rate which
is not less than the weekly rate of benefit payable in respect of the
child for that week; or

(b) regularly incurring expenditure in respect of a child,

and in determining that question account fails to be taken of contributions
made or expenditure incurred by that person before the appointed day, that
person shall be treated as having been so contributing or as so regularly
incuring expenditure before the appointed day if immediately before that
day—

(i) he could be treated as satisfying in respect of the child the main-
tenance requirements in paragraph 1 of the Schedule to the Act of
1966; or

(ii) that child was, or could have been, treated as included in his family
for the purposes of the Act of 1966.
