EXPLANATORY NOTE

(This note is not part of the regulations but is intended to indicate their general purport.)

These regulations further amend the Social Security (Contributions) Regulations (Northern Ireland) 1975 and are made for the purpose of making provisions consequential upon the coming into force of the Social Security (Contributions, Re-rating) Order (Northern Ireland) 1977.

The regulations make provision for contributions payable in respect of mariners' earnings paid on or after 6th April 1977 to be charged in certain circumstances on the basis of the earnings limits which would have been appropriate if the Social Security (Contributions, Re-rating) Order (Northern Ireland) 1977 had not been made.

The regulations also increase the rate of contribution payable by share fishermen and substitute scales of contributions which take account of the new earnings limits imposed by the Order and of the surcharge on secondary Class 1 contributions imposed by the National Insurance Surcharge Act 1976.
