EXPLANATORY NOTE

(This note is not part of the regulations but is intended to indicate their general purport.)

These regulations further amend the Workmen's Compensation (Supplementation) Regulations (Northern Ireland) 1966 ("the principal regulations") by making adjustments to the intermediate rates of lesser incapacity allowance consequential upon the increase in the maximum rate of that allowance made by the Social Security Benefits Up-rating Order (Northern Ireland) 1979. The regulations also make transitional provisions consequent upon that Order.
