EXPLANATORY NOTE

(This note is not part of the Byelaws but is intended to indicate their general purport.)

These Byelaws which replace the Angling (Department of Agriculture Waters) Byelaws (Northern Ireland) 1979, specify the methods of angling permitted on waters controlled by the Department of Agriculture and provide for a minimum length and number of fish which may be retained on any one day. They also contain certain provisions restricting the use of boats and the times of fishing.
