4.—(1) This regulation shall apply for the purposes of paragraph 3(2) of Schedule 1 to the Order (aggregation of requirements and resources of dependants) where—

- (a) a claimant (in this regulation referred to as A) is responsible for and would, but for this regulation, be a member of the same household as another person (in this regulation referred to as B); and

- (d) B is not living with A and—
- (i) he is in the care of the Department, or
- (ii) he is maintained under a legally enforceable obligation by a person other than A, or
- (iii) he is subject to a training school order or is detained in legal custody, or
- (iv) A is not treated as a person responsible for him for the purposes of Article 5 of the Child Benefit Order (meaning of "person responsible for child" for purposes of entitlement to child benefit); or
- (e) B is a child or pupil or person to whom regulation 3(5) applies who is boarded out with A by a Health and Social Services Board(a) or voluntary organisation within the meaning of the Children and Young Persons Act (Northern Ireland) 1968(b); or

- (3) In any case to which paragraph (2)(a) to (d) applies, B shall be treated as a member of the same household as A for any period during which he is living with A.

*Dependants who are to be treated as members of the household*

5. For the purposes of paragraph 3(2) of Schedule 1 to the Order (aggregation of requirements and resources of dependants) a child or pupil or person to whom regulation 3(5) applies who is placed in the care and possession of a person other than his parent and whom that person proposes to adopt shall be treated as being a member of the same household as his parent, but only if that parent is treated as a person responsible for him for the purposes of Article 5 of the Child Benefit Order.

*Prescribed circumstances in which requirements and resources are to be aggregated*

6. The prescribed circumstances for the purposes of paragraph 3(2)(b) of Schedule 1 to the Order (aggregation of requirements and resources in prescribed circumstances) shall be that the other person is a person to whom regulation 3(5) (person aged 19 attending a course of education) applies.

*Circumstances in which two persons are not to be treated as an unmarried couple*

7.—(1) Where a person (in this regulation referred to as A) has been in receipt of a pension or allowance determined by reference to requirements and resources which

(a) See Article 16 of the Health and Personal Social Services (Northern Ireland) Order 1972 (S.I. 1972/1265) (N.I. 14)

(b) 1968 c. 34 (N.I.)

did not include those of another person (in this regulation referred to as B) but did by virtue of paragraph 3(2) of Schedule 1 to the Order (aggregation of requirements and resources of dependants) include those of another person or persons (in this regulation referred to as C) of whom B is not the parent and—

- (a) a benefit officer has determined that A and B are living together as husband and wife so that the requirements and resources of A would, but for this regulation, by virtue of paragraph 3(1) of Schedule 1 to the Order (aggregation of requirements and resources of couples) be aggregated with those of B and A would no longer be entitled to that pension or allowance; and
- (b) if B made a claim for a pension or allowance he would not be entitled to it in respect of himself and the persons (including A) whose requirements and resources would be aggregated with and treated as his by virtue of the said paragraph 3(1) and (2) (in this regulation those persons and B being referred to as "B's assessment unit"); and
- (c) the immediate reduction in the income of B's assessment unit which would result from the loss of the pension or allowance payable to A would, in the opinion of the benefit officer, be disproportionate,

for a period of adjustment A and B shall not be an unmarried couple (within the meaning of that expression in Article 2(2) of the Order).

(2) In this regulation "period of adjustment" means the period of 4 weeks beginning on the day on which the determination that A and B are not to be an unmarried couple is made, except that if within that period it is in the opinion of the benefit officer likely that the income of B's assessment unit will soon be increased, that period may be extended until that increase in income or for a further period of 6 weeks, whichever is the shorter period.

(3) Where by reason of this regulation A and B are not an unmarried couple, no person other than C shall be treated as a member of the same household as A for the purposes of any claim for a pension or allowance.

#### *Polygamous relationships*

8.—(1) Where between members of the same household there is a polygamous relationship—

- (a) two of the members of that relationship shall be treated as a married or, as the case may be, unmarried couple within the meaning of those expressions in Article 2(2) of the Order; and
- (b) the requirements and resources of all the members, and of any person who would be a dependant of any member if that member were a claimant, shall be aggregated with and treated as those of such member of that couple as may be appropriate in the circumstances.

(2) A person shall be treated as a member of a polygamous relationship where, but for the fact that the relationship includes more than two persons, he would be one of a married or unmarried couple.

#### *Revocations*

9. The regulations specified in column (1) of the Schedule to these regulations are hereby revoked to the extent mentioned in column (3) of that Schedule.

Sealed with the Official Seal of the Department of Health and Social Services for Northern Ireland on 11th November 1981.

*(This note is not part of the Regulations.)*

These regulations are made for the purpose only of consolidating the Supplementary Benefit (Aggregation) Regulations (Northern Ireland) 1980 with subsequent amending regulations. They contain provisions relating to the aggregation of requirements and resources for the purpose of entitlement to supplementary benefit.

Under paragraph 3(1) and (2) of Schedule 1 to the Supplementary Benefits (Northern Ireland) Order 1977 (as extensively amended by the Social Security (Northern Ireland) Order 1980) aggregation applies to couples who are married and living together in the same household, to unmarried couples who are living together as husband and wife otherwise than in prescribed circumstances, and in circumstances in which one person is responsible for, and a member of the same household as, a child under 16, or under 19 and still at college or school, or in prescribed circumstances. For the purposes of those provisions, regulation 2 provides that married couples are to continue to be members of the same household for periods where one of them is temporarily absent from the other unless one is in hospital, residential accommodation or abroad in certain circumstances, or is in prison. Regulation 3 provides that a claimant is to be treated as responsible for any child ("dependant") under 16 or aged 16-19 and still at college or school who is a member of the same household as the claimant. Regulation 4 provides that a dependant for whom the claimant is responsible, but who is away from home or living with the claimant in certain circumstances, is not to be treated as a member of the same household as the claimant, while regulation 5 provides that in certain circumstances a child or young person in the care and possession of a person other than his parent prior to adoption is to be treated as in the same household as his parent. Regulation 6 provides that aggregation shall apply to a person aged 19 for whom the claimant is responsible by virtue of regulation 3.

Regulations 7 and 8 make provision in relation to men and women in special circumstances. Regulation 7 provides that certain persons who would be subject to aggregation as an unmarried couple and would not be entitled to supplementary pension or allowance, in circumstances in which one of them has a dependant and before being subject to aggregation had been so entitled, are not to be treated as such a couple for a period of adjustment. Regulation 8 provides for the aggregation of requirements and resources in a household where there is a polygamous relationship between members of that household.

Regulation 9, with the Schedule, specifies provisions which are revoked.
