EXPLANATORY NOTE

(This note is not part of the Regulations.)

These regulations further amend the Supplementary Benefit (Requirements) Regulations (Northern Ireland) 1983 as they relate to boarders.

They provide for an increase in the maximum weekly board and lodging charge which will be met by supplementary benefit in respect of certain residents in nursing homes or homes for persons in need (regulation 7 and the Schedule).

They provide that those permanently resident in nursing homes or homes for persons in need are not eligible to have included in the calculation of their requirements any additional requirement for heating, attendance needs, extra baths, special diets, domestic assistance or laundry, but that any separate charge for the provision of such services shall be added to and treated as part of the weekly board and lodging charge and subject to the maximum limits (regulations 2, 4 and 5).

They provide for the gradual reduction of transitional protection afforded certain boarders in receipt of benefit as of 28th July 1986 as the maximum board and lodging charge limit is uprated (regulation 2(c)).

They provide that residents in residential accommodation provided by the Department, in which full board is not provided or which is not a hostel or which is not used for the rehabilitation of alcoholics or drug addicts, are not to be treated as boarders (regulation 3).

They provide transitional protection for those in receipt of benefit as permanent residents in nursing homes or homes for persons in need as of 12th April 1987 and whose requirements included any of the additional requirements otherwise withdrawn as of 13th April 1987 (regulation 6).

The regulations correspond to provision contained in regulations made by the Secretary of State for Social Services in relation to Great Britain and accordingly, by virtue of section 10(2) of, and paragraph 21 of Schedule 3 to, the Social Security Act 1980 (c. 30) are not subject to the requirement of section 10(1) of that Act for prior reference to the Social Security Advisory Committee.
