Deduction of minimum payments from earnings

(2) An employer shall not be entitled to recover any minimum payments paid or to be paid by him on behalf of any earner otherwise than by deduction in accordance with this regulation.

(3) Subject to the provisions of paragraph (4), on making any payment of emoluments to the earner the employer may deduct from those emoluments an amount which bears the same ratio to the amount of the minimum payments relating to those emoluments as A does to A plus B, where—

- (a) A is the first percentage mentioned in Article 32(1A)(a)(a); and
- (b) B is the first percentage mentioned in Article 32(1A)(b).

(4) Where 2 or more payments of emoluments fall to be aggregated under paragraph 1(1) of Schedule 1 to the principal Act, the employer may deduct the amount of the minimum payments based thereon which are payable by the earner either wholly from one such payment or partly from one and partly from the other or any one or more of the others.

(5) In the circumstances specified in paragraph (6), if the employer on making any payment of emoluments to an earner does not deduct therefrom the full amount of minimum payments which by virtue of these regulations he is entitled to deduct, he may recover the amount so underdeducted by deduction from any subsequent payment of emoluments to that earner during the same tax year, so however that any amount deducted under this paragraph may be in addition to but shall not exceed any amount deducted from the same payment of emoluments under paragraph (3) or (4).

(6) Paragraph (5) applies only where—

- (a) the underdeduction occurred by reason of an error made by the employer in good faith;
- (b) the emoluments in respect of which the underdeduction occurred are deemed to be earnings by virtue of regulations made under Article 14 of the Social Security (Miscellaneous Provisions) (Northern Ireland) Order 1977(b);
- (c) the underdeduction occurred as a result of the variation of the contracting-out certificate issued in respect of the employment in respect of which the payment of emoluments is made; or
- (d) the emoluments in respect of which the underdeduction occurred are, by virtue of regulation 17B of the Social Security (Contributions) Regulations (Northern Ireland) 1979(c), not paid through the secondary contributor in relation to the employment.

Minimum payments to be made by employers to trustees

4.—(1) for the purposes of Article 32(1)(d) and (1A), the employer of an earner whose employment is contracted-out by reference to a money purchase contracted-out scheme shall, subject to paragraph (2), make to the trustees of that scheme any minimum payments which fall to be made by him, other than amounts deductible by virtue of regulation 3(4) which he did not deduct, within 14 days of the end of the income tax month in which there arose the liability for Class 1 contributions in respect of the earnings to which those minimum payments relate.

-
- (a) Article 32(1A) is inserted by paragraph 5(b) of Schedule 2 to the Social Security (Northern Ireland) Order 1986
 - (b) S.I. 1977/610 (N.I. 11); Article 14 was amended by Schedule 7 to the Supplementary Benefits (Northern Ireland) Order 1977 (S.I. 1977/2156 (N.I. 27)) and paragraph 49 of Schedule 9 to, and Schedule 10 to, the Social Security (Northern Ireland) Order 1986. *See* the Social Security (Contributions) (Industrial Relations) Regulations (Northern Ireland) 1977 (S.R. 1977 No. 94)

 - (d) Article 32(1) was amended by paragraph 6 of Schedule 9 to the Social Security (Northern Ireland) Order 1986

(3) Subject to paragraph (4), if the employer has paid to the trustees on account of minimum payments an amount which he was not liable so to pay, the amounts which he is liable so to pay subsequently, in respect of other payments of emoluments made by him during the same tax year, shall be reduced by the amount so overpaid, so however that if there was a corresponding overdeduction from any payment of emoluments to an earner the provisions of this paragraph shall apply only in so far as the employer has reimbursed the earner therefor.

(4) Paragraph (3) applies only where the overdeduction occurred by reason of an error made by the employer in good faith.

Calculation of minimum payments

5.—(1) Subject to the provisions of paragraphs (3) and (4), minimum payments shall be calculated in accordance with Article 32(1A) and (1B)(a), so however that each such calculation shall be to the nearest penny and any amount of half a penny or less shall be disregarded.

(2) In the alternative, but subject to the provisions of paragraphs (3) to (5), minimum payments may be calculated in accordance with a scale prepared for that purpose by the Department.

(3) Where the amount of the earnings to which the scale is to be applied does not appear in the scale, the amount of the minimum payments shall be calculated by reference to the next smaller amount of earnings in the appropriate column in the scale.

(4) Where the scale would, but for the period to which it relates, be appropriate and the earnings period in question is a multiple of the period in the scale, the scale shall be applied by dividing the earnings in question so as to obtain the equivalent earnings for the period to which the scale relates and by multiplying the amount of minimum payments shown in the scale as appropriate to those equivalent earnings by the same factor as the earnings were divided.

(5) Unless the Department agrees to the contrary, all the minimum payments to be made in a tax year in respect of the earnings paid to or for the benefit of an earner in respect of his employed earner's employment or, where he has more than one such employment and the earnings therefrom are aggregated under paragraph 1(1) of Schedule 1 to the principal Act, in respect of those employments, shall be calculated either in accordance with paragraph (1) or in accordance with paragraph (2) but not partly in accordance with one and partly in accordance with the other of those paragraphs.

Circumstances in which schemes may change mode of contracting-out

6.—(1) A scheme which has been contracted-out by virtue of Article 34(2)(a) may become contracted-out by virtue of Article 34(2A) only if its trustees have been discharged of all liability to provide guaranteed minimum pensions.

(2) A scheme which has been contracted-out by virtue of Article 34(2A) may become contracted-out by virtue of Article 34(2) only if its trustees have been discharged of all liability to give effect to protected rights.

Sealed with the Official Seal of the Department of Health and Social Services on 10th July 1987.

EXPLANATORY NOTE

(This note is not part of the Regulations.)

Article 8 of the Social Security (Northern Ireland) Order 1986 ("the Order"), with Schedule 2, introduces the concept of the money purchase contracted-out occupational pension scheme. Regulation 2, with the Schedule, makes provision about the way in which the resources of the scheme must be invested if it is to be a money purchase contracted-out scheme.

For a money purchase scheme to be contracted-out it is necessary that "minimum payments" should be made to it. Regulations 3, 4 and 5 provide for the calculation of minimum payments; that they should be made by employers to the trustees of schemes; and that parts of them may be deducted by employers from payments of emoluments.

Article 34(2D) of the Social Security Pensions (Northern Ireland) Order 1975 ("the Pensions Order") (inserted by paragraph 6(b) of Schedule 2 to the Order) provides that a scheme which has been contracted-out by virtue of one of paragraphs (2) and (2A) of that Article (schemes which are not, and schemes which are, money purchase contracted-out schemes respectively) may not become contracted-out by virtue of the other, except in prescribed circumstances. Regulation 6 provides that it may do so only if its trustees or managers have been discharged of all their liability, accrued before the change, to provide guaranteed minimum pensions or to give effect to protected rights, as the case may be.

Article 4 of, and paragraph 3 of Schedule 1 to, the Order, two of the enabling provisions under which these regulations are made, were brought into operation on 1st May 1987 and Articles 32(1C) and 34(2D) of the Pensions Order, the remaining enabling provisions, are brought into operation on 6th April 1988, all by virtue of the Social Security (1986 Order) (Commencement No. 5) Order (Northern Ireland) 1987 (S.R. 1987 No. 161 (C. 6)).
