(a) the carrying out of operations for the alteration or extension of an existing dwellinghouse; or

(b) the carrying out of operations (other than the erection of a dwellinghouse) in the curtilage of an existing dwellinghouse,

for the purpose, in either case, of providing means of access to or within the dwellinghouse for a disabled person who is resident in, or is proposing to take up residence in, that dwellinghouse, or of providing facilities designed to secure his greater safety, health or comfort.

(2) Regulation 3(1) shall not apply where the Department is satisfied that the application relates solely to the carrying out of operations for the purpose of providing means of access for disabled persons to or within a building or premises to which members of the public are admitted (whether on payment or otherwise).

(3) In this regulation, “disabled person” means a person who is within any of the descriptions of persons to whom section 1 of the Chronically Sick and Disabled Persons (Northern Ireland) Act 1978(a) applies.

- (b) that the existing use of that building or other land is for another purpose of the same class; and
- (c) that the making of an application for planning permission in respect of the use to which the application relates is necessary by reason of (and only by reason of) a condition imposed on a permission granted or having the like effect as a permission granted under Part IV of the 1972 Order.

6.—(1) Regulation 3(2) shall not apply where:—

- (a) the application relates to development which is within one or more of the classes specified in Schedule 1 to the General Development Order and solely to such development; and
- (b) the permission granted by Article 3 of that Order does not apply in respect of that development by reason of (and only by reason of):—
 - (i) a direction made under Article 4 of that Order which is in force on the date when the application is made; or

(2) The reference in paragraph (1)(a) to an application which relates to development which is within one or more of the classes specified in Schedule 1 to the General Development Order shall be construed as including an application for planning permission for the continuance of a use of land, or the retention of buildings or works on land, without compliance with a condition subject to which a previous planning permission has been granted, where the condition in question prohibits or limits the carrying out of any development which is within one or more of the said classes.

7.—(1) Where the conditions set out in paragraph (2) are satisfied, regulation 3(2) shall not apply to:—

(a) S.R. & O. (N.I.) 1973 No. 263

- (a) that the application is made before the end of a period of 12 months following the date of the relevant grant of planning permission or grant of approval of details of reserved matters, as the case may be;
- (b) that the application relates—
 - (i) in the case of an application for planning permission, to the same site as that to which the grant of planning permission related, or to part of that site, and to no other land (save that where additional land is included in the application solely for the purpose of providing a means of access to the site which differs from that authorised by the planning permission, that land shall be disregarded for the purposes of this paragraph);
 - (ii) in the case of an application for approval of reserved matters, to the same land as that in respect of which the approval was granted, or to part of that land (and no other land);
- (c) in the case of an application for planning permission which is not made in outline, that the planning permission which has been granted is not an outline planning permission;
- (d) that no previous application has at any time been made by or on behalf of the same applicant which related to the site to which the relevant grant of planning permission or grant of approval of reserved matters, as the case may be, relates (or which related wholly or in part to any part of that site) and which was exempted from regulation 3(2) by this regulation.

8. Regulation 3(2) shall not apply to an application for permission to carry out development consisting of the winning and working of minerals where the application—

- (a) is for a permission which consolidates two or more subsisting permissions; and
- (b) does not seek permission for development which is not authorised by a subsisting permission.

9.—(1) Where the conditions set out in paragraph (2) are satisfied, regulation 3(2) shall not apply to:—

 - (f) an application for approval of one or more reserved matters which is made following the making of an appeal to the Commission under Article 24 of the 1972 Order in relation to an application made by or on behalf of the same applicant for approval of details relating to the same reserved matters referred to in the same outline planning permission.

 - (e) that the fee payable in respect of the earlier application was paid;
 - (f) that no previous application has at any time been made by or on behalf of the same applicant which related to the site to which the earlier application related (or which related wholly or in part to any part of that site) and which was exempted from regulation 3(2) by this regulation or exempted under the corresponding provisions of the

Planning (Prescribed Fees) Regulations (Northern Ireland) 1981(a) or the Planning (Fees) Regulations (Northern Ireland) 1983(b).

(2) Subject to paragraphs (6) and (12) the amount of the fee payable in respect of a deemed application shall be calculated in accordance with the provisions of Schedule 1.

(3) A fee shall be paid in respect of a deemed application by every person who appeals against the relevant enforcement notice.

(4) In the case of a deemed application, paragraph (1) shall not apply where the appellant, before the date when the relevant enforcement notice was issued, made:—

- (b) an appeal to the Commission against the refusal of the Department to grant such permission,

and that application or that appeal (as the case may be) had not been determined on or before the date when the relevant enforcement notice was issued.

(7) If, in the case of a deemed application, the Commission declines jurisdiction on the grounds that the relevant appeal does not comply with one or more of the requirements of Article 43(1) to (3) of the 1972 Order, the fee paid in respect of the deemed application shall be refunded.

(8) If the relevant appeal is withdrawn before the date appointed for its hearing or, where the appeal is by way of written representations, before the date appointed for the inspection of the site to which the enforcement notice relates, the fee paid in respect of the deemed application shall be refunded.

(9) The reference in paragraph (8) to an appeal being by way of written representations shall be construed as a reference to an appeal in respect of which neither the appellant nor the Department has asked for an opportunity of appearing before and being heard by the Commission.

(10) The fee paid by an appellant shall be refunded to him in the event of the Department withdrawing the relevant enforcement notice before it takes effect or if the Commission decides that the enforcement notice is a nullity.

(11) Save in the case of an application deemed to have been made in connection with an enforcement notice alleging a breach of planning control by the use of land as a caravan site; the fee paid by an appellant in respect of a deemed application shall be refunded to him in the event of the Commission allowing the appeal against the enforcement notice on any of the grounds (b) to (f) set out in Article 43(2) of the 1972 Order.

(12) (a) Where planning permission is deemed to have been applied for by virtue of Article 43B(3) of the 1972 Order and

(i) the terms of an enforcement notice are varied under Article 43A otherwise than to take account of a grant of planning permission under Article 43B; and

Fees in respect of applications and deemed applications for planning permission or for approval of reserved matters

PART I

General Provisions

1. Subject to paragraphs 2 to 6, the fee payable under regulation 3(2) or 11(2) in respect of an application or deemed application shall be calculated in accordance with the provisions of Part II and (where applicable) paragraphs 7 to 11.

Provided that, in the case of an application for approval of reserved matters, references in this Schedule to the category of development to which an application relates shall be construed as references to the category of development authorised by the relevant outline planning permission.

2. Where an application or deemed application relates to the retention of buildings or works which were constructed or carried out without planning permission, or to the continuance of a use of land which was instituted without planning permission the amount of the fee payable shall be calculated in accordance with the provisions of Part II as if the application or deemed application were one for planning permission to construct or carry out those buildings or works or to institute that use.

3.—(1) Where an application for planning permission or an application for approval of reserved matters is made not more than 28 days after the lodging with the Department of an application for planning permission or, as the case may be, an application for approval of reserved matters:—

- (a) made by or on behalf of the same applicant;
- (b) relating to the same site; and

(c) relating to the same development or, in the case of an application for approval of reserved matters, relating to the same matters in respect of the same building or buildings reserved in the relevant outline planning permission, and a fee of the full amount (calculated in accordance with the provision of the following paragraphs and Part II) payable in respect of the category or categories of development to which the applications relate has been paid in respect of the earlier application, the fee payable in respect of the later application shall, subject to sub-paragraph (2), be one-quarter of the full amount paid in respect of the earlier application.

(2) Sub-paragraph (1) shall apply only in respect of one application made by or on behalf of the same applicant in relation to the same development or in relation to the same reserved matters (as the case may be).

(3) Sub-paragraphs (1) and (2) shall apply where more than one application for planning permission or for approval of reserved matters is made by or on behalf of the same applicant on the same day (provided that all of the conditions specified in sub-paragraph (1)(a) to (c) are fulfilled) as though one of those applications had been lodged earlier than the other application or applications.

4.—(1) Where an application or deemed application for planning permission is made or deemed to be made by or on behalf of a club, society or other organisation (including any persons administering a trust) which is not established or conducted for profit and whose objects are the provision of facilities for sport or recreation, and the conditions specified in sub-paragraph (2) are satisfied, the fee payable in respect of the application or deemed application shall be £66.

- (2) The conditions referred to in sub-paragraph (1) are—
- (a) that the application or deemed application relates to one or both of the following categories of development:—
- (i) the making of a material change in the use of land to use as a playing field; or
 - (ii) the carrying out of operations (other than the erection of a building containing floor space) for purposes ancillary to the use of land as a playing field,
- and to no other development; and
- (b) that the Department or (in the case of a deemed application) the Commission is satisfied that the development is to be carried out on land which is, or is intended to be, occupied by the club, society or organisation and used wholly or mainly for the carrying out of its objects.

5.—(1) This paragraph applies where:—

- (a) an application is made for approval of one or more reserved matters (“the current application”);
- (b) the applicant has previously applied for such approval under the same outline planning permission and paid fees in relation to one or more such applications; and
- (c) no application has been made under that permission other than by or on behalf of the applicant.

(2) Where this paragraph applies and the amount of the fees paid as mentioned in sub-paragraph (1)(b) is not less than the amount which would be payable if the applicant were by his current application seeking approval of all the matters reserved by the outline permission (and in relation to the whole of the development authorised by the permission), the amount of the fee payable in respect of the current application shall be £66.

(3) Where:—

- (i) this paragraph applies;
- (ii) a fee has been paid as mentioned in sub-paragraph (1)(b) at a rate lower than that prevailing at the date of the current application; and
- (iii) sub-paragraph (2) would apply if that fee had been paid at the rate applying at that date,

the amount of the fee in respect of the current application shall be £66.

6.—(1) Where:—

- (a) an application for planning permission is made in respect of two or more alternative proposals for the development of the same land; or
- (b) an application for approval of reserved matters is made pursuant to a condition in outline planning permission in respect of two or more alternative proposals for the carrying out of the development authorised by that permission,

and application is made in respect of all the alternative proposals on the same date, then (whether or not those alternatives are the subject of separate applications) the fee payable to the Department in respect of all the proposals shall be calculated as provided in sub-paragraph (2).

(2) Separate calculations shall be made, in accordance with Part II and paragraphs 7 to 11 (where applicable), of the amount of the fee appropriate to each of the proposals; and the fee payable in respect of all the proposals shall be the total of the following amounts:—

- (i) an amount equal to the highest of the fees calculated in respect of each of the proposals; and
- (ii) an amount calculated by adding together the fees appropriate to all the proposals, other than the amount referred to in sub-paragraph (i) and dividing that sum by 2.

7. Where, in respect of any category of development specified in Part II, the fee is to be calculated by reference to the land area:—

- (a) that area shall be taken as consisting of the area of land to which the application relates or, in the case of a deemed application, the area of land to which the relevant enforcement notice relates; and
- (b) where the area referred to in sub-paragraph (a) is not an exact multiple of the unit of measurement specified in respect of the relevant category of development, the fraction of a unit remaining after division of the total area by the unit of measurement shall be treated, for the purposes of calculating the fee, as a complete unit.

8.—(1) In relation to development within category 2, 3 or 4 specified in Part II, the area of gross floor space to be created by the development shall be ascertained by external measurement of the floor space, whether or not it is to be bounded (wholly or partly) by external walls of a building.

(2) In relation to development within category 2(b)(iv), where the area of gross floor space is not an exact multiple of 75 square metres, the area remaining after division of the total number of square metres of gross floor space by the figure of 75 shall be treated as being 75 square metres.

(3) In relation to development within category 3(b)(iii), where the area of gross floor space exceeding 375 square metres is not an exact multiple of 75 square metres, the area remaining after division of the number of square metres of the excess area by the figure of 75 shall be treated as being 75 square metres.

9.—(1) Where an application or a deemed application relates to development consisting of or including the erection of a building or buildings to be used for residential purposes and for other purposes, the provisions of sub-paragraphs (2) and (3) shall apply for the purpose of calculating the fee.

(2) Subject to sub-paragraph (3) an assessment shall be made of the gross floor space which it is proposed to use for purposes other than residential purposes (in this sub-paragraph referred to as “the non-residential floor space”), and the sum payable in respect of the non-residential floor space (calculated in accordance with Part II) shall be added to the sum payable in respect of the number of dwellinghouses to be created by the development (calculated in accordance with Part II).

(3) Where a building is to contain floor space which it is proposed to use for the purposes of providing common access or common services or facilities for persons occupying or using that building for residential purposes and for persons occupying or using it for non-residential purposes (such floor space being referred to below as “common floor space”), the non-residential floor space shall be assessed, in relation to that building, as including such proportion of the common floor space as the non-residential floor space in the building bears to the gross floor space in the building.

10. Subject to the provisions of paragraph 9, where an application or deemed application relates to development which is within more than one of the categories specified in Part II:—

- (a) an amount shall be calculated, in accordance with this Schedule, in respect of the development which is within each category or, in the case of a deemed

application, in respect of each use of land or type of operation to which the relevant enforcement notice relates; and

(b) the highest of the amounts so calculated shall be the fee.

11. In the case of a deemed application for planning permission—

(a) references in this Schedule to the development to which an application relates shall be construed as references to the use of land or the operations (as the case may be) to which the relevant enforcement notice relates;

(b) references to the floor space or the number of dwellinghouses to be created by the development shall be construed as references to the floor space or the number of dwellinghouses to which that enforcement notice relates; and

(c) references to the purposes for which it is proposed that floor space shall be used shall be construed as references to the purposes for which floor space was stated to be used in the enforcement notice.
