EXPLANATORY NOTE

(This note is not part of the Order.)

This Order, which comes into operation on 1st April 1989, increases from £2,400 to £2,520 the minimum basic award (before appropriate reductions) and increases the limits of £11,950, £23,850 and £17,900 to £12,550, £25,040 and £18,795 respectively, applicable to the calculation of the special award.

The minimum basic award and the special award are relevant to dismissals relating to trade union membership which are to be regarded as unfair by virtue of Articles 22A or 22C(a) of the Industrial Relations (Northern Ireland) Order 1976. The revised Article 22A and new Article 22C were inserted into that Order by Article 5 of the Industrial Relations (Northern Ireland) Order 1987.

The increases specified in this Order apply where the effective date of termination (as defined in Article 2) falls on or after 1st April 1989. If the effective date of termination falls before that date the former limits continue to apply.
