## EXPLANATORY NOTE

*(This note is not part of the Order.)*

This Order amends and revokes various instruments. The amendments set out in Part I of the Schedule to this Order are made so that the provisions in that Part which are framed by reference to a specified age expressed as a number of years are instead framed by reference to school-leaving age.

The revocations set out in Part II of the said Schedule are either consequential on Article 12(1) of the Employment (Miscellaneous Provisions) (Northern Ireland) Order 1990 (removal of restrictions relating to employment of young persons) or are made in order to remove restrictions relating to the employment of young persons between school leaving age and 16 years of age.
