## EXPLANATORY NOTE

*(This note is not part of the Regulations.)*

These Regulations, as read with Article 259 of the Companies (Northern Ireland) Order 1986, permit a public company whose shares, or any class of whose shares, are listed on the International Stock Exchange of the United Kingdom and the Republic of Ireland Limited to send out a summary financial statement to a member instead of the full accounts and reports of the company, where:

- (a) it is not prohibited from doing so by any provision in its memorandum or articles of association (regulation 4); and
- (b) the conditions specified in regulation 5 are complied with. Most important of these are that the company must first ascertain, in accordance with the provisions of regulation 6, that the member wishes to receive a summary financial statement. In addition, inter alia, warnings about the limited nature of the summary financial statement must be included in the statement and a post paid printed card or form must be provided enabling copies of the full accounts and reports for the year in question or for future financial years to be obtained from the company.

Regulation 6 provides for the manner in which the wishes of members, as to whether they wish to receive full accounts and reports or a summary financial statement, are to be ascertained. Two methods are provided for. Firstly, a member's wishes are to be ascertained from any express notification in writing he has given to the company, provided that it is received by the company in good time. Secondly, a company may conduct a consultation exercise of its members, under which if a member does not respond to the company, he will be taken as having expressed a wish to receive a summary financial statement.

Regulations 7 to 9 of and Schedules 1 to 3 to the Regulations set out the required form and content of summary financial statements. The form and content required differs according to whether the company prepares accounts in accordance with Schedule 4 to the Companies (Northern Ireland) Order 1986, or whether it prepares accounts in accordance with the special provisions of the 1986 Order relating to banking or insurance companies and groups.

Regulation 10 of and Schedule 4 to the Regulations adapt the requirements of the Regulations for financial years commencing prior to 1st April 1990, for which transitional provisions have been made by Article 6 of, and Part II of Schedule 2 to, the Companies (1990 Order) (Commencement No. 1) Order (Northern Ireland) 1990.
