Local Government (Superannuation)
Regulations (Northern Ireland) 1992

PART P

ADMINISTRATION AND MANAGEMENT

Extra charges resulting from early retirement

P11. Where a retirement pension and retiring allowance are payable under regulation E2(1)(b)(iii), the employing authority shall pay to the Committee such an amount as may be actuarially determined which represents the cost to the Committee of paying such pension and allowance before the pensionable employee would be entitled to the payment of such benefits under paragraph (1)(a), (b)(ii) or (e) of that regulation.
