### Pensionable Employees

#### Regulation B1(5)

### PART III

#### PERSONS EMPLOYED IN A QUALIFYING PART-TIME EMPLOYMENT

1.—(1) Subject to sub-paragraphs (2) to (5) and regulations B2 and B3, a person who is in a qualifying part-time employment is a pensionable employee in that employment.

(2) Subject to sub-paragraphs (3) and (4), a qualifying part-time employment is an employment under a scheduled body in which the contractual weeks are 35 or more and the contractual hours are 15 or more but fewer than 30.

(3) If a person is in two or more employments under one, or more than one, employing authority and—

(a) in each of the employments the contractual weeks are 35 or more and the contractual hours are fewer than 30; and

(b) the total of the contractual hours in all the employments is 15 or more,

(4) An employment is not a qualifying part-time employment if it is an employment in which the person is a manual worker, unless, subject to sub-paragraph (5), he has completed 12 months' continuous employment with the same body in which the contractual hours were 15 or more.

(5) An employment which would but for sub-paragraph (4) be a qualifying part-time employment becomes one if the employee—

(a) became employed by the body in question as a manual worker after ceasing to be employed in non-local government employment; and

(b) provides that body with a declaration in writing that his pension rights under his non-local government scheme will be preserved or that he has applied, or will apply, for their transfer to the Committee.

(6) If the contractual hours in the employment, or as the case may be the total of the contractual hours in all the qualifying part-time employments, of a person in relation to which an election under regulations B2 or B4 (or under paragraph 1(1) of Part II of Schedule 2 to the 1981 regulations before its amendment by the Local Government (Superannuation) (Amendment) Regulations (Northern Ireland) 1991(1)) has effect fall below 15, the person shall continue to be a pensionable employee unless he gives a notification under regulation B3; but having given such a notification, a subsequent election to become a pensionable employee under regulation B4 shall not come into effect unless he is in respect of it in a qualifying part-time employment (or falls within some other description of pensionable employee in regulation B1).

2. If a person who is in a part-time employment under a body mentioned in paragraph 1(2) was, immediately before the commencement of that employment, a pensionable employee in a whole-time employment under that body, he remains a pensionable employee in the part-time employment unless he gives a notification under regulation B3; but having given such a notification, a subsequent election to become a pensionable employee under regulation B4 shall not come into effect unless
