EXPLANATORY NOTE

(This note is not part of the Order.)

This Order specifies Northern Ireland as the area in respect of which the Department of Economic Development and the Director General of Electricity Supply for Northern Ireland have a duty to exercise their functions under Part II of the Electricity (Northern Ireland) Order 1992 in a manner which is best calculated to secure that prices charged to tariff customers by public electricity suppliers for electricity supplied to premises in that area are in accordance with tariffs which do not distinguish (directly or indirectly) between different parts of that area.

The duty referred to above is imposed on the Director General of Electricity Supply for Northern Ireland by Article 6 of the Electricity (Northern Ireland) Order 1992.
