
STATUTORY RULES OF NORTHERN IRELAND

1996 No. 398

ANIMALS

Specified Diseases (Notification and Movement Restrictions) (Amendment) Order (Northern Ireland) 1996

Made - - - - *29th August 1996*
Coming into operation *10th October 1996*

The Department of Agriculture, in exercise of the powers conferred on it by Articles 2(3), 5(1), 10(6), 12(1), 14, 19(e), (f) and (k) and 60(1) of the Diseases of Animals (Northern Ireland) Order 1981(1) and of every other power enabling it in that behalf, hereby makes the following Order:

Citation and commencement

1. This Order may be cited as the Specified Diseases (Notification and Movement Restrictions) (Amendment) Order (Northern Ireland) 1996 and shall come into operation on 10th October 1996.

Amendment of the Specified Diseases (Notification and Movement Restrictions) Order (Northern Ireland) 1991

2. In the Specified Diseases (Notification and Movement Restrictions) Order (Northern Ireland) 1991(2) in Schedule 1 (specified diseases) after Item 7 there shall be inserted the following Items—

“7A.	Jaagsiekte complex	Sheep and goats
7B.	Johne’s disease	Sheep and goats.”

(1) S.I. 1981/1115 (N.I. 22) as amended by S.I. 1984/702 (N.I. 2) Art. 17 and S.I. 1994/1891 (N.I. 6) Arts. 19, 20 and 23
(2) S.R. 1991 No. 455 as amended by S.R. 1995 No. 82

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

Sealed with the Official Seal of the Department of Agriculture on 29th August 1996

L.S.

P. T. Toal
Assistant Secretary

Status: *This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

EXPLANATORY NOTE

(This note is not part of the Order.)

This Order amends the Specified Diseases (Notification and Movement Restrictions) Order (Northern Ireland) 1991 (“the 1991 Order”) by adding to the list of specified diseases in Schedule 1, Jaagsiekte complex and Johne’s disease in sheep and goats. The effect is to make these diseases, where they affect sheep and goats, subject to the controls specified in the 1991 Order.
