---

**1996 No. 431**

**The Occupational Pension Schemes (Member-nominated Trustees and Directors) Regulations (Northern Ireland) 1996**

**Part IV**

**General and Supplementary Provisions**

*General provisions about rules and arrangements*

**Appropriate rules in cases where insufficient nominations are received**

**21.** For the purposes of Article 20(4) (by virtue of which where vacancies for member-nominated trustees or member-nominated directors are not filled because insufficient nominations are received, the next period in which persons may be nominated and selected as such trustees or directors is to be determined by the appropriate rules), the next period must end at the time when, if there had been sufficient nominations for a person to be selected by nomination, his selection would have ceased to have effect in accordance with the arrangements made under Article 16(5) or, as the case may be, Article 18(5).
