
STATUTORY RULES OF NORTHERN IRELAND

1996 No. 458

**Fertilisers (Mammalian Meat and Bone Meal)
(Amendment) Regulations (Northern Ireland) 1996**

Citation and commencement

1. These Regulations may be cited as the Fertilisers (Mammalian Meat and Bone Meal) (Amendment) Regulations (Northern Ireland) 1996 and shall come into operation on 8th November 1996.

Amendment of the Fertilisers (Mammalian Meat and Bone Meal) Regulations (Northern Ireland) 1996

2. Article 2 of the Fertilisers (Mammalian Meat and Bone Meal) Regulations (Northern Ireland) 1996(1) shall be amended by—

(a) substituting for the definition of “mammalian meat and bone meal” the following definition—

““mammalian meat and bone meal” means mammalian protein derived from the whole or part of any dead mammal by rendering or, in the case of an imported product, by an equivalent process;” and

(b) inserting after the definition of “mammalian meat and bone meal” the following definitions—

““protein” means any proteinaceous material which is derived from a carcass but does not include:

- (a) milk or any milk product;
- (b) dicalcium bone phosphate;
- (c) dried plasma or any other blood product;
- (d) gelatin; or
- (e) amino acids produced from hides and skins by a process which involves exposure of the material to acid of pH less than 2 followed by alkali of pH greater than 11, followed by heat treatment at at least 140°C for 30 minutes at 3 bar pressure;”

“rendering” means “rendering” as defined in the Animal By-Products Regulations (Northern Ireland) 1993(2);“”.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

Sealed with the Official Seal of the Department of Agriculture for Northern Ireland on 27th September 1996.
