

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

SCHEDULE 10

Methods of killing fox and mink

Killing fox which is farmed for its fur

2. No person shall kill, or cause or permit to be killed, any fox which is farmed for its fur, except by administering to the fox a lethal injection of a drug which has anaesthetic properties and which causes a rapid loss of consciousness followed by death.
