

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

SCHEDULE 11

Killing of surplus chicks and embryos in hatchery waste

Specific requirements for killing surplus chicks by dislocation of the neck

4. No person shall kill, or cause or permit to be killed, any surplus chick by dislocation of the neck unless the dislocation is accompanied by the severance of the spinal cord and blood vessels in the chick's neck.
