

SCHEDULE 3

Periodical certification of contributions

Part I

Certification

2. A certificate given under regulation 18(1)(a)(ii) in a case where the actuary is of the opinion that contributions are adequate for the purpose of securing that the minimum funding requirement will be met by the end of a period shall also be in that form, but with the substitution for “will continue to be met throughout the remainder” in paragraph 1 of the certificate of “will be met by the end”.
