

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

SCHEDULE 3

Periodical certification of contributions

Part I

Certification

4. If the actuary is of the opinion that no changes which are relevant have occurred since the last minimum funding valuation, he may substitute for “the following changes which are relevant have occurred:—” in paragraph 2 of the certificate “no changes which are relevant have occurred.”.
