#### **Calculation of amounts of liabilities**

- 4.—(1) Subject to paragraphs (4) and (5), for the purposes of Article 73(2) the amounts of the liabilities mentioned in Article 73(3) shall be calculated and verified by the actuary of the scheme—
- (a) on the assumption that the questions whether or not a person’s entitlement to payment of a pension or other benefit has arisen and whether any amount must be treated as an increase or as part of a pension are to be determined as at the crystallisation date;
  - (b) on the assumption that liabilities in respect of members do not include the expenses involved in meeting them;
  - (c) subject to paragraph (3), in the manner specified in regulations 7(2), (3) and (7) to (10) and 8(2) of the MFR Regulations (so far as they relate to the calculation and verification of liabilities); and

- (a) references in regulations 7(3), (7) and (8) and 8(2) to the relevant date shall be taken as references to the date as at which the calculation is made (being a date not earlier than the crystallisation date or the commencement of winding up, if later);

  - (c) regulation 8(2)(a)(i) shall be omitted.

paragraph (1), then the amount to be taken as the amount of that liability for the purposes of Article 73(2) shall be reduced accordingly.

(5) If, when the assets of the scheme are applied in accordance with Article 73(2) towards satisfying the liabilities mentioned in Article 73(3)(a) or (b), those liabilities, as calculated in accordance with the rules of the scheme (without any reduction by reason of their falling within a class of liability which is to be satisfied after another class), cannot in the opinion of the actuary be fully satisfied by applying assets of a value equal to the amount of those liabilities calculated in accordance with paragraph (1), then the amount to be taken as the amount of those liabilities for the purposes of Article 73(2) shall be increased accordingly.

(6) Subject to paragraph (7), in this regulation “the crystallisation date” means—

- (iii) that time falls on or after the date of that determination mentioned in head (i) and before the date on which the scheme begins to be wound up,

the date when that time occurs; and

(b) otherwise, the date on which the scheme begins to be wound up.

(7) Where the trustees or managers of a scheme—

- (a) determined before 6th April 1997 that the scheme was not for the time being to be wound up, despite rules otherwise requiring it to be so; and
- (b) before that date determined a time (being a time before 6th April 1997) when the amounts or descriptions of liabilities of the scheme were to be determined for the purposes of any rule of the scheme requiring the assets of the scheme to be applied on winding up in satisfying the amounts of certain liabilities to or in respect of members before other such liabilities,

the date when that time occurs is the crystallisation date.

### **Modification of schemes to fix time for settling priority of liabilities on winding up**

5.—(1) The trustees of a trust scheme may by resolution modify the scheme with a view to fixing or providing for the fixing of the time when the sub-paragraph of Article 73(3) into which the liability in respect of any person falls is to be determined for the purposes of Article 73(2) and (3) or of any priority rule of the scheme, in the event of a determination (whether in pursuance of Article 38 or otherwise) that the scheme is not for the time being to be wound up, despite rules otherwise requiring it to be so.

(2) That time must be —

- (a) on or after the date of the resolution and of any such determination to defer winding up; and
- (b) before the date on which the scheme begins to be wound up.

**8.—**(1) For the purpose of Article 74(3)(a) (discharge of liability to or in respect of a member by the acquisition of transfer credits under another occupational pension scheme), the requirements to be satisfied by the other scheme are the same as those which would apply by virtue of section 91(2)(a) of the Act (ways of taking right to cash equivalent) if—

(3) For the purpose of Article 74(3)(c) (discharge of liability to or in respect of a member by the purchase of one or more annuities) the requirements to be satisfied by the annuities are the same as those which would apply by virtue of section 91(2)(c) of the Act if the member were so entitled and he required his cash equivalent to be used to purchase annuities from such insurance companies as are mentioned in section 91(2)(c) of the Act.

(4) For the purpose of Article 74(3)(d) (discharge of liability to or in respect of a member by subscribing to other pension arrangements satisfying prescribed requirements) the discharge of a liability to or in respect of a member may be provided for by transferring to him, or to any person who is entitled to benefits in respect of him, the benefit—

**13.**—(1) In relation to any scheme—

- (a) which is not a money purchase scheme; but
- (b) where some of the benefits that may be provided are relevant money purchase benefits, Article 73 applies as if —
  - (i) the liabilities of the scheme did not include the liabilities in respect of those benefits; and
  - (ii) the assets of the scheme did not include the assets by reference to which the rate or amount of those benefits is calculated.

(2) In paragraph (1) “relevant money purchase benefits” means money purchase benefits other than—

- (a) benefits derived from the payment by any member of voluntary contributions; or
- (b) underpin benefits.

(3) In this regulation “underpin benefits” means money purchase benefits which under the provisions of the scheme will only be provided in respect of a member if their value exceeds the value of the other benefits in respect of him under the scheme which are not money purchase benefits.

(4) Where a scheme which is not a money purchase scheme may provide underpin benefits, the amount of the liability for those benefits shall be calculated in accordance with regulation 4 (but omitting paragraphs (1)(c) and (3) to (5) of that regulation).

(5) If in the case of a scheme to which paragraph (1) applies—

- (a) the aggregate value of the assets of the scheme has been reduced; and
- (b) there are reasonable grounds for believing that the reduction is attributable to an act or omission constituting an offence prescribed for the purposes of Article 79(1)(c),

then, for the purposes of Article 73 as it applies by virtue of paragraph (1), the values of the assets excluded by paragraph (1)(ii) and of the other assets shall be taken to be equal to their values apart

from the reduction, less in the case of each asset so much of the reduction as its value bears to the aggregate value of the assets of the scheme apart from the reduction.

(6) This regulation does not affect Article 73 as it applies for the purposes of the MFR Regulations and the guidance in GN 27 (as that guidance applies for the purposes of those Regulations).

(7) In paragraph (6) “GN 27” means the guidelines on minimum funding requirement (GN 27), prepared and published by the Institute of Actuaries and the Faculty of Actuaries<sup>(14)</sup> and approved for the purposes of the MFR Regulations by the Department.

Sealed with the Official Seal of the Department of Health and Social Services for Northern Ireland on 31st December 1996.

## EXPLANATORY NOTE

*(This note is not part of the Regulations.)*

These Regulations make provision for the application of the statutory priority order set out in Article 73 of the Pensions (Northern Ireland) Order 1995 (“the Order”); the ways in which the trustees can be treated as having discharged their liabilities in respect of scheme members under Article 74 of the Order and the cases in which the statutory power to defer winding up under Article 38 of the Order is not to apply.

Regulation 1 provides for citation, commencement and interpretation of the Regulations.

Regulation 2 makes provision as to when the winding up of a scheme starts for the purpose of the Regulations.

Regulation 3 makes provision for modifications to the statutory priority order.

Regulation 4 makes provision for the calculation of preferential liabilities.

Regulation 5 makes provision for trust scheme rules to be modified to fix the liabilities of the scheme at a date earlier than the commencement of winding up.

Regulation 6 sets out the arrangements which have to be followed by the trustees in order for them to be treated as having discharged the scheme’s liabilities in respect of scheme members.

Regulation 7 sets out the requirements which have to be met by the notices of discharge issued under regulation 6.

Regulation 8 sets out the requirements which apply to methods of discharge under Article 74(3) of the Order.

Regulation 9 provides that the requirements under section 28A of the Pension Schemes (Northern Ireland) Act 1993 are unaffected by regulations 6 to 8.

Regulation 10 disapplies the statutory power to defer winding up under Article 38 of the Order in certain cases.

Regulation 11 sets out the records required to be kept and the information to be disclosed to members concerning determinations about deferring winding up or the timing of the crystallisation of preferential liabilities.

Regulation 12 makes provision for where the minimum funding requirement applies separately to different parts of a scheme.

Regulation 13 makes provision for modifications of the amounts of assets and liabilities to be taken into account where some of the benefits provided by the scheme are money purchase benefits or calculated on a money purchase basis.
