(2) Where an award was made to a student under Article 50(3) (“the discretionary award”) in respect of a course to which Article 50(1) and (2) did not then apply but the course becomes or has become a specified course and an award within the meaning of these Regulations is or has been made to the student in respect of that course, then if the discretionary award continues to be payable it shall be disregarded in calculating the student’s income for the purposes of regulations 13(1)(b) and 17: but payments on account of the mandatory award in respect of fees and in respect of maintenance for any period shall be respectively reduced or extinguished by those on account of the corresponding element of the discretionary award.

- (c) where an award has been transferred under Schedule 4, the student to whom the award has been made shall be treated as having attended only the new course, and the duration of that course shall be treated as the aggregate of the period spent following the previous course and the period which the student in question would ordinarily require for the completion of the new course in the case of either course being a sandwich course ignoring any periods of experience.

(2) Nothing in paragraph (1) shall affect the duty of the board to make an award to a person in respect of his attendance at—

- (a) a postgraduate course for the initial training of teachers, unless he has—

- (4) Any reference to the duration of a course is a reference to the period ordinarily required for its completion by a student who is not excused part of the course on account of his having attended a previous course, in the case of a sandwich course ignoring any periods of experience.

(3) Subject to paragraphs (4) and (5) where the course is described in paragraph (c) of the definition of “course of initial teacher training” in regulation 3(1), the payment under regulation 12(1)(b) shall be—

- (a) in a year in which the student’s periods of attendance are all periods of full-time attendance or in which his aggregate period of full-time attendance is 30 weeks or more, the maintenance grant;
- (b) in a year in which the student’s periods of attendance are all periods of part-time attendance, the sum of £325;
- (c) in any other year, a sum equal to the aggregate of—
 - (i) the proportion of the maintenance grant which the student’s aggregate period of full-time attendance in the year, expressed in weeks, bears to 30; and

(4) In relation to a student employed full-time as a teacher, paragraph (3) shall have effect, except that in such a year as is mentioned in sub-paragraph (a) thereof, as if it provided that the payment under regulation 12(1)(b) should be £90.

(5) In relation to a student attending a course provided at the University of Oxford or the University of Cambridge, sub-paragraphs (a) and (c) of paragraph (3) shall have effect as if any reference therein to—

Assisted students

17.—(1) Notwithstanding anything in the preceding provisions of these Regulations, no payment under regulation 12(1)(a) or (b) shall be made to a person in respect of any year in respect of which he receives such payments as are mentioned in paragraph (2) amounting to not less than the aggregate of—

- (a) such fees payable in respect of him as are described in Schedule 6 and if they are payable to an institution which is maintained or assisted by recurrent grants out of public funds, which do not exceed the maxima referred to therein; and
- (b) his requirements for maintenance ascertained in accordance with—
 - (i) Part I of Schedule 7;
 - (ii) Paragraphs 5, 6 and 10 of Part II of that Schedule; and
 - (iii) Parts III and IV of that Schedule,
 irrespective of whether any maintenance grant would in fact be payable in his case by virtue of any other provision in these Regulations.

(2) The payments referred to in paragraph (1) are the aggregate payments received by the person—

- (a) in pursuance of any award, bursary or other payment made to him in respect of the course (other than an award made under these Regulations or previous awards regulations, or by way of a loan under the Education (Student Loans) (Northern Ireland) Order 1990⁽²³⁾, or by way of a “Career Development Loan” in pursuance of section 2 of the Employment and Training Act 1973⁽²⁴⁾ or out of access funds held by the institution at which he attends his course); and

except that, if the person’s course is a part-time course of teacher training described in paragraph (c) in the definition of “course of initial teacher training” in regulation 3(1) and some or all of his periods of attendance are periods of part-time attendance, any payments by way of remuneration shall be disregarded.

Method of payment

18.—(1) Subject to paragraph (2), the board shall make any payment due under these Regulations in such instalments (if any) and at such times as it considers appropriate; and in the exercise of its functions under this regulation the board may make provisional payments pending the final calculation of the award.

(2) Subject to paragraphs (3) to (6) the board shall pay such fees as are described in Schedule 6 promptly when a valid request for payment in respect thereof has been received.

(3) Payment of fees described in Schedule 6 shall be made in the number of instalments, if any, mentioned in that Schedule.

(4) The instalments referred to in paragraph (3) shall be paid—

(a) after the first dates on which the student is required to attend his course after 1st January, 1st April, 1st July and 1st September respectively, beginning with a payment after the first date on which he is required to attend after the beginning of the year of the course, and continuing with payments after the next such first dates on which he is required to attend, until all the instalments which are payable for the year have been paid; and

(b) in the case of the instalments referred to in paragraph (a) of Schedule 6 (except subparagraph (ii) of that paragraph) and when the academic year of the course begins in the autumn, on or before 10th December in the case of the first instalment, on or before 15th February in the case of the second instalment and on or before 31st May in the case of the third instalment or within one month of the receipt by the Board of a valid request for payment, whichever is the later.

(5) Subject to paragraph (6) no fees shall be payable when the student has ceased to attend his course (whether or not the academic authority has been so notified) but has not completed it.

(6) Notwithstanding paragraph (5) when instalments are payable under paragraph (4)(b) the first, second or third instalment shall be payable if the student was attending the course on 15th November, 15th February or 31st May respectively.

(7) All payments shall be made to the student, except—

(a) payment of the fees described in Schedule 6 may be made to the academic authority; and

(b) where a student's maintenance requirements include any of the requirements referred to in paragraph 10 Part II of Schedule 7, on his written instruction payment in respect of his maintenance grant may be made to a third party.

(8) Without prejudice to regulation 20 or the recovery of an overpayment by way of a deduction from a subsequent payment, any overpayment or underpayment made in pursuance of this regulation shall be adjusted by payment between the student or, as the case may be, the academic authority and the board.

Reduced entitlement to payments

19.—(1) In respect of any period during which the student repeats any part of his course, the board shall not be required to make any payments under regulation 12(1)(a) or (b) but may pay in pursuance of the award such amounts (if any) as it considers appropriate, being amounts not exceeding the amount of any payments that would, apart from this regulation, be payable to that student in respect of that period.

(2) Paragraph (3) shall apply in the case of a student who—

(a) has previously attended a course of higher education being—

(i) in the case of a specified course, a course of up to two academic years' duration; or

- (ii) in the case of a course other than a specified course, a course of two academic years' duration; or
 - (b) has previously successfully completed a part-time course corresponding to such a course as is mentioned in sub-paragraph (a) ("the previous course") and who holds an award made in respect of a course of initial teacher training or a course listed in paragraph 1 or 5 of Schedule 3, being a course of more than one year's duration ("the current course").
- (3) A board shall only be required to make payments under regulation 12(1)(a) or (b) in pursuance of an award in respect of the current course where—
- (a) that course is not more than two years' duration, in respect of the final year of the student's course;
 - (b) that course is of a greater number of years' duration, in respect of that number less two of the final years of the student's course,
- but, in respect of any other year of the student's current course it may make such payments as it considers appropriate, not exceeding those payments which would, apart from this regulation, have been payable under regulation 12(1)(a) or (b).
- (4) In paragraphs (2) and (3) any reference—
- (a) to the duration of a course is a reference to the period ordinarily required for its completion by a student who is not excused part of the course on account of his having attended a previous course, in the case of a sandwich course ignoring any periods of experience;
 - (b) to the final year or years of a student's course is in the case of a student so excused part of the course, a reference thereto after taking account of the consequential reduction in the duration of his course;
 - (c) to a person's having attended a course shall be construed as provided in regulation 9(1).
- (5) Where the board makes an award to a person during a year because he has become—
- (a) a European student as a result of the accession of the State of which he is a national to the European Community; or
 - (b) a refugee, or the spouse or child of a refugee, as a result of the recognition of him, or his spouse or parent, as a refugee,
- it shall deduct from the sums and grant payable in respect of that year in pursuance of the award under regulation 12 the amounts referred to in paragraph (6).
- (6) The amounts to be deducted under paragraph (5) are—
- (a) from the sum payable in respect of fees under regulation 12(1)(a) the amount of any instalment payable before the date on which the student became a European student or the refugee was recognised as a refugee; and
 - (b) from the sum or grant payable in respect of maintenance under regulation 12(1)(b) the proportion of that sum or grant which relates to the period before the date referred to in sub-paragraph (a).
- (7) Where an award has been transferred by the board under paragraph 1(1)(a) or (b) of Schedule 4 and—
- (a) the requisite recommendation or consent to the transfer is given after the expiry of four months after the end of the first year of the course in respect of which the award was originally made ("the previous course"); and
 - (b) the board is not satisfied, after consulting the academic authority or authorities concerned, that the fact that the requisite recommendation or consent was given after the expiry of the period specified in sub-paragraph (a) was due only to the need to apply through a clearing admission system; and

- (c) the board is satisfied, after consulting the academic authority or authorities concerned, that the period which the student in question will ordinarily require for the completion of the course which he now attends (“the current course”) will expire later than the period which he would have required for the completion of the previous course,

then the board shall not make payments otherwise due under regulation 12 in respect of the current course in respect of the period mentioned in paragraph (8).

(8) The period referred to in paragraph (7) is the period which begins on the first day on which the student attends the new course and which ends after the number of weeks mentioned in paragraph (9).

(9) The number of weeks referred to in paragraph (8) is the difference between the number of weeks which the student in question will ordinarily require for the completion of the current course and the number of weeks which he would have required to complete the previous course.

(10) Where an award has been transferred under paragraph 1(1)(c) or (d) of Schedule 4 so as to be held in respect of a student’s attendance at a course for the degree of Bachelor of Education (“the current course”) if the period which the student in question would ordinarily require for the completion of the current course, when aggregated with the period for which the student has already pursued a course in respect of which the award was held (“the overall period of study”), exceeds—

- (a) five years where the current course is for the honours degree of Bachelor of Education; or
(b) four years where the current course is for that degree not being an honours degree,

(“the prescribed period of study”) then the board shall not make payments otherwise due under regulation 12 in respect of the current course in respect of the period mentioned in paragraph (11).

(11) The period referred to in paragraph (10) is the period beginning on the first day on which the student attends the current course and continues for the number of weeks mentioned in paragraph (12).

(12) The number of weeks referred to in paragraph (11) is the number of weeks by which the overall period of study exceeds the prescribed period of study.

(13) In determining the period ordinarily required to complete a course for the purposes of paragraph (7), (9) or (10) there shall be included vacations, and any period until the end of the final year of the course, but there shall be ignored—

- (a) in each case, periods of experience which are part of a sandwich course; and
(b) in the case of the previous course any period during which the student would now be required by the academic authority to repeat part of the course, if the board would not make any payments for maintenance in respect of that period under paragraph (1).

(14) For the purposes of paragraphs (7) and (10) a payment is due in respect of the period mentioned in paragraphs (8) and (11) respectively if it is—

- (a) any instalment or other payment on account of fees becoming payable under regulation 12(1)(a) during that period; or
(b) a sum or grant payable, or the proportion of a sum or grant payable, in respect of maintenance under regulation 12(1)(b) which relates to that period.

Withholding and reduction of payments

20.—(1) Without prejudice to paragraphs 2(1)(c) and 4(2) of Schedule 4 in the case of any student who is for the time being in default of any requirement to provide such information as is described in regulation 14, the board may withhold, in part, any payment due to him in respect of maintenance and calculated or determined in accordance with regulation 13, 15 or 16.

(2) In respect of any period—

- (a) after the termination of an award;

- (b) during which a student is excluded by the academic authority from attendance at the course; or
 - (c) during which a student is absent without leave from his course,
- any payment otherwise due in pursuance of the award shall be reduced by the aggregate amount mentioned in paragraph (4).
- (3) In respect of any other period being—
 - (a) a period during which a student is absent from his course (other than a period of not more than 28 days due to illness); or
 - (b) where an award held in respect of one course is transferred in pursuance of paragraph 1(1) of Schedule 4 so as to be held in respect of another course, a period during which the student is not required to attend either course (other than the period of a single vacation); or
 - (c) a period during which the student is detained in pursuance of an order made by any court,
 the board may reduce any payment otherwise due in pursuance of the award by such amount, not exceeding the aggregate amount mentioned in paragraph (4), as having regard to all relevant circumstances it considers appropriate.
 - (4) The amount referred to in paragraphs (2) and (3) is the aggregate of—
 - (a) fees otherwise due that are not payable by reason of the student's non-attendance; and
 - (b) the appropriate proportion of any amount in respect of maintenance payable for a year in pursuance of regulation 12(1)(b).
 - (5) In determining the appropriate proportion under paragraph (4)(b) the board shall disregard the first 28 days of any period of absence due to illness.

- (a) the definition of “institution” in regulation 3(1);
 - (b) sub-paragraph (i) of paragraph (a) in Schedule 6.

(2) In the case of a student who makes any payment in pursuance of an obligation incurred before the first year of his course, in calculating his income for the purposes of regulation 13(1)(b) there shall be deducted therefrom—

- (a) if, in the opinion of the board, the obligation had been reasonably so incurred, an amount equal to the payment in question;
- (b) if, in its opinion, only a lesser obligation could have been reasonably so incurred, such correspondingly lesser amount (if any) as appears to it appropriate,

except that no deduction shall be made from the income of a married student where the student’s spouse is a dependant for the purposes of Part III of Schedule 7 and, in pursuance of paragraph 13(1) of that Schedule, the payment is taken into account in determining the spouse’s income.

Part II

Parental contribution

Interpretation of Part II

2.—(1) In this Part—

“child” includes a person adopted in pursuance of adoption proceedings and a step-child but, except in paragraph 4, does not include a child who holds a statutory award and, except as otherwise provided by paragraph 5, “parent” shall be construed accordingly;

“gross income” has the meaning assigned to it by paragraph 5;

“income of the student’s parent” means the total income of the parent from all sources computed as for income tax purposes, except as otherwise provided by paragraph 5 or 6;

(44) O.J. No. L166, 25.6.87, p. 20

(45) O.J. No. L239, 16.8.89, p. 24

(46) S.I. 1990/1506 (N.I. 11) as amended by the Education Student Loans (Northern Ireland) Order 1996 (S.I. 1996/1918 (N.I. 15))

(47) 1973 c. 50; section 2 was substituted by the Employment Act 1988 (c. 79) s. 25(1); subsections 4 and 6 of section 2 were repealed by the Employment Act 1989 (c. 38), Schedule 7, Part I; “Career Development Loans” are made by banks to persons who are enrolled on eligible courses; they are made in pursuance of arrangements made by the Secretary of State for Education and Employment under section 2

“residual income” means, subject to sub-paragraph (2), the balance of gross income remaining in any year after the deductions specified in paragraph 6 have been made;

“total income” has the same meaning as in section 835(1) of the Income and Corporation Taxes Act 1988⁽⁴⁸⁾.

(2) Where, in a case not falling within paragraph 5(3) or 5(4), the board is satisfied that the income of the parent in any financial year is as a result of some event beyond his control likely to be, and to continue after that year to be, not more than 85% of his income in the financial year preceding that year, it may, for the purpose of enabling the student to attend the course without hardship, ascertain the parental contribution for the year of his course in which that event occurred by taking as the residual income the average of the residual income for each of the financial years in which that year falls.

(3) Where the student’s parent satisfies the board that his income is wholly or mainly derived from the profits of a business or profession carried on by him, then if the board and the parent so agree any reference in this Part to a financial year shall be construed as a reference to a year ending with such date as appears to the board expedient having regard to the accounts kept in respect of that business or profession and the periods covered thereby.

(4) Where a parent is in receipt of any income which does not form part of his total income by reason only that—

- (a) he is not resident, ordinarily resident or domiciled in the United Kingdom;
- (b) the income does not arise in the United Kingdom; or
- (c) the income arises from an office, service or employment, income from which is exempt from tax in pursuance of any statutory provision,

his income for the purposes of this Part shall be computed as though the income first mentioned in this sub-paragraph were part of his total income.

Application of Part II

3. A parental contribution ascertained in accordance with this Part shall be applicable in the case of every student except—

- (a) an independent student;
- (b) a student in respect of whom the board is satisfied either—
 - (i) that his parents cannot be found; or
 - (ii) that it is not reasonably practicable to get in touch with them;
- (c) a student who has been—
 - (i) in the care of a Health and Social Services Board or a Health and Social Services Trust;
 - (ii) provided with accommodation by a Health and Social Services Board or Health and Social Services Trust under Article 21 of the Children (Northern Ireland) Order 1995; or
 - (iii) accommodated by a voluntary organisation under Article 75 of the Children (Northern Ireland) Order 1995 throughout the three months immediately preceding—
 - (a) the first year of his course; or
 - (b) without prejudice to sub-paragraph (a), his attaining the age of 18 years where he had attained that age before the first year of his course,

and has not, at any time in the said period of three months been allowed by the Health and Social Services Board or Health and Social Services Trust to be under the charge and control of his parents or, in the case of a student who has been accommodated by a voluntary organisation, has not, at any such time, in fact been under such charge and control;

- (d) a student whose parents are residing overseas where the board is satisfied either—
 - (i) that the assessment of a parental contribution would place those parents in jeopardy; or
 - (ii) that it would not be reasonably practicable for those parents to send any such contribution to the United Kingdom;
- (e) a student who has been the subject of a residence order made under Article 8 of the Children (Northern Ireland) Order 1995 in favour of a person who is not his parent throughout the three months immediately preceding—
 - (i) the first year of his course; or
 - (ii) without prejudice to sub-paragraph (i) his attaining the age of 18 years where he had attained that age before the first year of his course;
- (f) where sub-paragraph (7) of paragraph 5 applies and the parent whom the board considered the more appropriate for the purposes of that sub-paragraph has died.

Parental contribution

- 4.—(1) The parental contribution shall, subject to sub-paragraphs (2), (3) and (4) be—
- (a) in any case in which the residual income is £16,450 or more but less than £21,030, £45 with the addition of £1 for every complete £13·00 by which it exceeds £16,450;
 - (b) in any case in which the residual income is £21,030 or more but less than £30,915, £397 with the addition of £1 for every complete £9·20 by which it exceeds £21,030; and
 - (c) in any case in which the residual income is £30,915 or more £1,471 with the addition of £1 for every complete £7·50 by which it exceeds £30,915,

reduced in each case, in respect of each child of the parent (other than the student) who is wholly or mainly dependent on him on the first day of the year for which the contribution falls to be ascertained, by £75; and in any case in which the residual income is less than £16,450 the parental contribution shall be nil.

(2) The amount or (where a contribution is ascertained in respect of more than one child of the parent) the aggregate amount of the parental contribution shall not exceed £5,945 in any case.

- (3) For any year in which a statutory award is held by—
- (a) more than one child of the parent;
 - (b) the parent; or
 - (c) the student's step-parent,

the parental contribution for the student shall be such proportion of any contribution ascertained in accordance with this Part as the board (after consultation with any other board or local education authority in Great Britain concerned) considers just, provided that where a contribution is ascertained in respect of more than one child of the parent the aggregate amount of the contributions in respect of each shall not exceed the amount of the contribution that would be ascertained if only one child held an award.

(4) Where in any year a student attends only part of his course the parental contribution for that year shall be reduced pro rata.

Gross income

5.—(1) For the purposes of this paragraph, “preceding financial year” means the financial year immediately preceding the year in respect of which the resources of the student fall to be assessed (“assessment year”) and “current financial year” means the financial year which includes the first day of that assessment year;

Provided that where references to a financial year fall to be construed in accordance with paragraph 2(3) as references to a year ending with a date less than five months before the assessment year, “preceding financial year” shall mean the year ending with a date five or more months before the beginning of that assessment year and “current financial year” shall mean the year ending with a date within those five months.

(2) Subject to the provisions of this paragraph, “gross income” means the income of the student’s parent in the preceding financial year or, for the purpose of calculating residual income under paragraph 2(2), in a financial year there mentioned.

(3) Where the board is satisfied that the income of the parent in the current financial year is likely to be not more than 85 per cent of his income for the preceding financial year, it may for the purpose of calculating the parental contribution ascertain the gross income by reference to the current financial year; and, in such case, sub-paragraph (2) shall have effect, in relation to the assessment year and, if the board so determines, any subsequent year, as if the reference therein to the preceding financial year were a reference to the current financial year.

(4) Where one of the student’s parents dies either before or during the assessment year and that parent’s income has been or would be taken into account for the purpose of determining the parental contribution, the parental contribution shall—

- (a) where the parent dies before the assessment year, be determined by reference to the income of the surviving parent; or
- (b) where the parent dies during the assessment year, be the aggregate of—
 - (i) the appropriate proportion of the contribution determined by reference to the income of both parents, that is to say such proportion thereof as the part of the assessment year during which both parents were alive bears to the full year, subject to a maximum of the same proportion of the student’s maintenance requirements as determined in accordance with Schedule 7; and
 - (ii) the appropriate proportion of the contribution determined by reference to the income of the surviving parent, that is to say such proportion thereof as the part of the assessment year remaining after the parent dies bears to the full year, subject to a maximum of the same proportion of the student’s maintenance requirements as determined in accordance with Schedule 7.

(5) Without prejudice to sub-paragraph (6), where, in pursuance of any trust deed or other instrument or by virtue of sub-sections (1) and (2) of section 32 of the Trustee Act (Northern Ireland) 1958(49) or any other statutory provision any income is applied by any person for or towards the maintenance, education or other benefit of the student or of any person dependent on the student’s parent, or payments made to his parent are required to be so applied, that income, or those payments, shall be treated as part of the gross income of the parent.

(6) Where any award such as is mentioned in paragraph 1(1)(b)(i) is made by reason of the parent’s employment to any member of his family or his household (whether the student or some other such member) who holds a statutory award then, notwithstanding the provisions of section 154 of the Income and Corporation Taxes Act 1988(50), that award shall not be treated as part of the gross income of the parent.

(49) 1958 c. 23 (N.I.) as amended by 1969 c. 28 (N.I.)

(50) 1988 c. 1

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

(7) Where the parents do not ordinarily live together throughout the assessment year, the parental contribution shall be determined by reference to the income of whichever parent the board considers the more appropriate in the circumstances.

(8) Where the parents do not ordinarily live together for part only of the assessment year, the parental contribution shall be the aggregate of—

- (a) the proportion, which the part of the assessment year for which the parents do not so live together bears to the full year, of the contribution determined in accordance with sub-paragraph (7) subject to a maximum of the same proportion of the student's maintenance requirements as determined in accordance with Schedule 7; and
- (b) the proportion, which the part of the assessment year for which the parents so live together bears to the full year, of the contribution determined without regard to sub-paragraph (7) subject to a maximum of the same proportion of the student's maintenance requirements as determined in accordance with Schedule 7.

(9) Where the student has a parent and a step-parent, the parental contribution shall be ascertained by reference to the income of the parent.

Deductions

6.—(1) For the purposes of determining the income of a student's parent (and, accordingly, the parent's gross income), insofar as in computing his total income for income tax purposes any deductions fall to be made—

- (a) by way of personal reliefs provided for in Chapter I of Part VII of section 280 of the Income and Corporation Taxes Act 1988;
- (b) in respect of any payment made by the parent under covenant;
- (c) in pursuance of any Act passed after the passing of the Finance Act 1987⁽⁵¹⁾ on 15th May 1987; or
- (d) without prejudice to the foregoing, of a kind mentioned in sub-paragraph (2),

the parent's income shall be determined as though those deductions did not fall to be made.

(2) For the purpose of determining a parent's residual income there shall be deducted from his gross income—

- (a) in respect of any person, other than a spouse, child or holder of a statutory award, dependent on the parent during the year for which the contribution falls to be ascertained, the amount by which £2,080 exceeds the income of that person in that year;
- (b) the gross amount of any sums paid as interest (including interest on a mortgage) in respect of which relief is given under the Income Tax Acts in respect of a loan to the parent;
- (c) half of the gross amount of any premium payable under a policy of life insurance in respect of which relief is given under section 266 of the Income and Corporation Taxes Act 1988 (life policy and certain other premiums) in the relevant year;
- (d) the gross amount of any other premium or sum in respect of which relief is given under sections 266, 273, 619 or 639 of that Act in the relevant year;
- (e) where the parents ordinarily live together and one of them is incapacitated, so much of the cost in wages of domestic assistance as does not exceed £1,630;
- (f) where a parent whose marriage has terminated either is gainfully employed or is incapacitated, so much of the cost in wages of domestic assistance as does not exceed £1,630;

(51) 1987 c. 16

- (g) in respect of additional expenditure incurred by reason of the fact that the parent lives in a place where the cost of living is higher than that cost in the United Kingdom, such sum (if any) as the board considers reasonable in all the circumstances;
- (h) in the case of a parent who holds a statutory award, the amount by which the aggregate of his requirements for his ordinary maintenance (ascertained in accordance with Part I of Schedule 7) and £845 exceeds the sum payable in respect of maintenance in pursuance of that award;
- (i) any payments made to the parent pursuant to an order made under Article 15 of and Schedule 1 to the Children (Northern Ireland) Order 1995 in respect of a person who is not his child.

(3) In any case where income is computed as though it were total income by virtue of paragraph 2(4), there shall be deducted from the parent's gross income sums equivalent to the deductions mentioned in head (b), (c), (d) or (i) of sub-paragraph (2), provided that any sums so deducted shall not exceed the deductions that would be made if the whole of the parent's income were in fact total income.

Part III

Application of Part III

7. A spouse's contribution ascertained in accordance with this Part shall be applicable in the case of every man student ordinarily living with his wife and every woman student so living with her husband except—

8.—(1) Subject to sub-paragraphs (3) and (4), Part II shall, with the exception of paragraphs 3, 4(1), (2), (3)(a) and (c), 5(4), (7), (8) and (9) and 6(2)(f), apply with the necessary modifications for the ascertainment of the spouse's contribution as it applies for the ascertainment of the parental contribution, references to the parent being construed as references to the student's spouse and this Part shall be construed as one with Part II.

(2) The spouse's contribution shall be—

- (a) in any case in which the residual income is £13,015 or more but less than £21,035, £10 with the addition of £1 for every complete £9·80 by which it exceeds £13,015;
- (b) in any case in which the residual income is £21,035 or more but less than £30,910, £828 with the addition of £1 for every complete £7·05 by which it exceeds £21,035; and
- (c) in any case in which the residual income is £30,910 or more, £2,228 with the addition of £1 for every complete £5·60 by which it exceeds £30,910;

reduced, in any such case, by £100 in respect of each child of the student who is dependent on him or his spouse on the first day of the year for which the contribution falls to be ascertained; and in any case in which the residual income is less than £13,015 the spouse's contribution shall be nil; provided that the amount of the spouse's contribution shall not exceed £5,945 in any case.

(3) If the student marries during any year for which the contribution falls to be ascertained, the contribution for that year shall be the fraction of the sum ascertained in accordance with the provisions of sub-paragraphs (1) and (2) of which the denominator is 52 and the numerator is the number of complete weeks between the date of the marriage and whichever is the earlier of the end of that year and the end of the course.

(4) If the student's marriage terminates during any year for which the contribution falls to be ascertained, the contribution for that year shall be the fraction of the sum ascertained in accordance with sub-paragraphs (1) and (2) of which the denominator is 52 and the numerator is the number of complete weeks between the beginning of that year and the termination of the marriage.

EXPLANATORY NOTE

(This note is not part of the Regulations.)

These Regulations, which come into operation on 1st September 1997 revoke and replace, with amendments, the Students Awards (No. 2) Regulations (Northern Ireland) 1996 as amended by the Student Awards (No. 2) (Amendment) Regulations (Northern Ireland) 1996 (“the previous Regulations”).

The Regulations govern the making of awards (“mandatory awards”) which it is the duty of education and library boards to make to specified persons. They do not relate to awards (“discretionary awards”) which, in pursuance of Article 50(3) of the Education and Libraries Order (Northern Ireland) 1986, boards may make under arrangements approved by the Department of Education.

While their text and format do not repeat exactly the provision made in England and Wales, the Regulations maintain parity of awards for Northern Ireland students with their English and Welsh counterparts. They parallel in substance most of the provisions of the Education (Mandatory Awards) Regulations 1997 (S.I. 1997/431) made by the Secretary of State for Education and Employment relating to awards for students in England and Wales.

The principal changes (other than the changes in the rates of fees, grants and allowances) are described as follows:—

The definition of course of initial teacher training has been amended to ensure that a course of initial teacher training, which involves full-time attendance for the purposes of study for teaching practice for 30 weeks a year, continues to be included even if the course involves less than 19 weeks of full-time study.

The definition of a European student has been amended to ensure that all European Community nationals who are not eligible for a full award under regulation 11(2)(a) by virtue of the operation of regulation 7(2) and Schedule 2 are eligible for a fees only award under regulation 11(2)(b) (regulation 3(1)). The provisions relating to European Economic Area migrant workers have been amended to ensure that British migrant workers returning from employment in the EEA have precisely the same entitlement to awards as migrant workers who are nationals of other member States of the EEA (the definition of migrant worker in regulation 3(1) and regulation 7(5)).

A student who is irreconcilably estranged from his parents will not have his maintenance grant assessed on the assumption that his parents will make a contribution to his maintenance, and a year without communication between a student and either of his parents will be considered to be irreconcilable estrangement (regulation 3(1) and 3(5)). A student who has moved to Northern Ireland from England, Scotland, Wales, the Channel Islands or the Isle of Man for the purpose of attending a course will not be treated as ordinarily resident in the area of the board where he attends the course, and therefore will not be entitled to an award (regulation 11(3) and (5)).

A course for the Higher National Diploma provided by a publicly funded institution in conjunction with a private institution, or by a private institution, may now be designated for the purposes of the Regulations by the Secretary of State for Education and Employment (regulation 3(1)). The regulation excepting from entitlement students who have previously attended certain courses has been amended to make it clear that in calculating the length of such courses for the purposes of determining whether the exception applies it is the period ordinarily required for the courses' completion which is relevant, rather than the period the student in fact attended the particular course (regulation 9(1)(c)). The regulation has also been amended to provide that attendance at more than one course where an award has been transferred from one course to another shall only be considered

to be attendance at the most recent course, the duration of which includes the time spent on the first course or courses and the time ordinarily required for the completion of the most recent course (regulation 9(1)(c)).

An additional exception to entitlement has been added, so that a student who is not settled in the United Kingdom within the meaning of the Immigration Act 1971 at the beginning of the first year of the course in question will not be entitled to an award (Schedule 2, Part II paragraph 2(a)). Settlement is defined in the Immigration Act as being ordinarily resident in the United Kingdom without being subject under immigration laws to any restriction on the period for which the person in question may stay. This new exception does not apply to European Community students or to European Economic Area migrant workers, their spouses or children.

Restrictions on the transfer of awards after the first 16 months of a course which applied when the course to which a student wished to transfer his award would have taken longer to complete than his original course would have taken to complete have been removed (Schedule 4 paragraph (1)). Instead when an award is transferred in such circumstances payments of fees and maintenance will be suspended immediately for a period which represents the increased length of time which the student will require to complete the course. After the period of suspension payments will resume until the end of the course (regulation 19(7) to (14)).

Provision has been made to disregard incapacity benefit paid to a student in calculating his income for the purposes of determining his entitlement to maintenance grant (Schedule 8, Part I paragraph 1(1)(k)).

The provisions concerning sandwich courses have been amended so that all courses consisting of alternate periods of study and periods of industrial, professional or commercial experience associated with full-time study, paid or unpaid, are treated as sandwich courses (Schedule 10, paragraph 1(1)). Courses involving certain types of unpaid service will still not attract the reduction in maintenance payments normally applicable to sandwich courses, as a year including periods of such service do not fall within the definition of "sandwich year". However, such courses now attract a reduction in fee payments in the circumstances referred to in Schedule 6, paragraph (a)(vii). Further, the minimum requirement of full-time study for an average of not less than 19 weeks in each year of a course will apply to all courses involving a period of industrial, professional or commercial experience associated with full-time study. The provisions do not apply to courses of initial teacher training.

Regulation 16, which provides for the reduction of maintenance payments where teacher training courses are not full-time, has been amended so that it only applies in years where there is less than 30 weeks' full-time attendance for the purposes of study or teaching practice. Provision has been made so that half fees are payable in respect of any course of initial teacher training where the periods of full-time study are in aggregate less than 10 weeks, whether or not attendance over the year has been part-time, full-time or partly part-time and partly full-time (sub-paragraph (iii) of Schedule 6).
