

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

SCHEDULE 4

Capital to be disregarded

42. Any payment made by the Department of Health and Social Services to compensate a person who was entitled to supplementary benefit in respect of a period ending immediately before 11th April 1988 but who did not become entitled to income support in respect of a period beginning with and including that day.
