
STATUTORY RULES OF NORTHERN IRELAND

1997 No. 555

**Construction (Use of Explosives)
Regulations (Northern Ireland) 1997**

Application

3.—(1) Subject to paragraph (2), these Regulations shall apply to and in relation to construction work carried out by a person at work.

(2) These Regulations shall not apply to any workplace on a construction site which is set aside for purposes other than construction work.
