

**Status:** This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

## SCHEDULE 1

### **Activities in which the employment of young persons and women of reproductive capacity is prohibited**

1. In lead smelting and refining processes—
  - (a) work involving the handling, treatment, sintering, smelting or refining of ores or materials containing not less than 5 per cent lead; and
  - (b) the cleaning of any place where any of the above processes are carried out.
