EXPLANATORY NOTE

(This note is not part of the Regulations.)

These Regulations further amend the Dental Charges Regulations (Northern Ireland) 1989 (“the principal Regulations”).

Pilot schemes under which personal dental services may be provided may be established under the Health Services (Primary Care) (Northern Ireland) Order 1997. The main purpose of these amending Regulations is to make provision for charges for dental services provided under a pilot scheme to be made and recovered in like manner to charges made and recovered under the principal Regulations in respect of general dental services presently provided under Part VI of the Health and Personal Social Services (Northern Ireland) Order 1972.

The Regulations also make minor amendments.
