(3) If a person to whom a replacement cattle passport has been issued under paragraph (2) subsequently finds the original cattle passport, he shall notify the Department within 7 days thereof and enclose with the notification the original cattle passport.

(4) Where any person requests the Department to issue a replacement cattle passport under paragraph (2), the Department may make a reasonable charge (up to and including the full economic cost) for the issue of that replacement cattle passport.

(5) Any charge payable under paragraph (4) shall be paid at the time the request to which it relates is made and shall be forfeited if the person making the request withdraws it.

(6) Any person who fails to comply with any requirement imposed on him by paragraph (1) or (3) shall be guilty of an offence.

Animal deaths or lost or stolen animals

(4) Any person who fails to comply with any requirement of this regulation shall be guilty of an offence.

EXPLANATORY NOTE

(This note is not part of the Regulations.)

These Regulations make provision for the administration and enforcement in Northern Ireland of Commission Regulation (EC) No. 2629/97 laying down detailed rules for the implementation of Council Regulation (EC) No. 820/97 as regards eartags, holding registers and passports in the framework of the system for the identification and registration of bovine animals (O.J. No. L354, 30.12.97, p. 19).

Part II of the Regulations deals with cattle passports for animals consigned into or out of Northern Ireland after the coming into force of these Regulations. The Regulations provide for the enforcement of the provision of Council Regulation (EC) No. 820/97 relating to movement of cattle without a cattle passport. Regulation 3 makes provision for application for cattle passports and, with regulation 5, makes it an offence to consign cattle out of Northern Ireland without a cattle passport. Regulation 4 requires the person currently holding a cattle passport to surrender it for inspection on demand.

The Regulations provide for completion of a cattle passport when the animal is moved, require the retention of cattle passports once granted and make provision for lost cattle passports and fees for replacement cattle passports (regulations 6 and 9).

The Regulations make provision for cattle brought into Northern Ireland from another member State or other parts of the United Kingdom (regulation 8). They also provide for cattle passing through Northern Ireland in transit (regulation 7).

Regulation 10 deals with the return of cattle passports when animals die, or are stolen or slaughtered and regulation 11 makes it an offence to alter or deface a cattle passport.

Part III amends the Cattle Identification (No. 2) Regulations (Northern Ireland) 1998 (regulation 12) and deals with penalties (regulation 13). For any offence under these Regulations the penalty is on summary conviction, a fine not exceeding the statutory maximum, or imprisonment not exceeding three months, or both; or on conviction on indictment, a fine or imprisonment not exceeding two years or to both.
