Membership periods

Periods of membership: “total period of membership”

B13.—(1) For the purposes of these regulations, in relation to any member the following periods count as periods of membership, in relation to an employment in which he is a member—

- (a) any period for which he has paid (or is treated as having paid) contributions under regulation C3, C5 or C6, (but subject to the provisions of regulation C7(5) and (6));
- (b) any period during which he is absent from duty by reason of illness or injury (whether or not he has paid such contributions for it);
- (c) any period which he is entitled to count as such by virtue of regulation C8;
- (d) any period which he is entitled to count as such by virtue of regulation B6(6), B15, or C9;
- (e) any period which he is entitled to count as such by virtue of regulation K15(1)(a);
- (f) any other period which he is entitled to count as such under paragraph 7 of Schedule M2 and, in particular—
 - (i) any period he became entitled to count as reckonable service by virtue of regulations 39, 40, 48 and 101 of the 1981 regulations, or regulations D4 to D7, D9 or D13 or Part F of the 1992 regulations,
 - (ii) any period of added years,
 - (iii) any period which by virtue of the interchange rules became reckonable under the former regulations,
- (g) any other period which he is entitled to count as such under Schedule C5.

(2) For the purposes of these regulations, a member’s “total period of membership” is the aggregate of the periods he is entitled to count under paragraph (1) (disregarding any period which he is entitled to count under more than one of paragraphs (a) to (g)), but subject—

- (a) to Part I of Schedule B1 (which provides for the exclusion of certain periods of membership for certain purposes);
- (b) to Part II of that Schedule (which provides for the inclusion for certain purposes in the total period of membership of certain periods, which are not periods of membership in relation to the employment in which a person is a member, as respects certain benefits in respect of that employment); and
- (c) to Schedule C4 (which provides for the limitation of periods of membership for certain purposes).

Length of period of membership: calculation of benefit

B14.—(1) For the purpose of calculating the amount of any benefit under these regulations—

- (a) a period of membership in excess of a number of complete years shall be counted as the appropriate fraction of a year (and accordingly references to the length in years of membership shall be taken as references to the number of complete years and any fraction of a year in the period of membership); and
- (b) subject to paragraph (3), a period of membership in part-time service in local government employment shall be treated as though it had been a proportionately reduced period of membership in whole-time local government employment.

(2) In paragraph (1)—

“the appropriate fraction” means the fraction of which—

- (a) the numerator is the number of complete days comprised in the excess; and

(b) the denominator is 365; and

“proportionately reduced” means reduced in the proportion which the number of contractual hours during the period of part-time service in the employment, bears to the number of contractual hours of that employment if it were on a whole-time basis.

(3) Paragraph (1)(b) does not apply in determining a member’s total period of membership for the purposes of regulation D7(2) (qualification for enhancement of pension in cases of ill-health) and is subject to paragraph 4 of Schedule D3 (additional membership in such cases).

Special power of employing authority to increase period of membership

B15.—(1) Subject to paragraphs (2) and (3), if the body employing an employee who is eligible to be a member of the Scheme (in these regulations referred to as “the employing authority”) is satisfied that, having regard to the interests of the efficient exercise of its functions, there are exceptional reasons for doing so, it may resolve to add an additional period of membership to a member’s period of membership.

(2) A resolution under paragraph (1)—

- (a) may only be passed before or within 6 months after the person becomes a member in the authority’s employment, and
- (b) may not be passed after he has attained the age of 59 years, unless he did so after becoming such a member.

(3) The additional period is to be specified in the resolution and is not to exceed the maximum period which would be applicable under regulation C10(1) (taking the references in regulation C10(6)(a) and (b) to the date of the election as references to the date of the resolution and, in the case of a person who at the date of the resolution had not become a member in the employment of the authority, treating him as if he had on that date become such a member on the scale of remuneration at which the employment was offered to him).

(4) Where the employing authority has passed a resolution under paragraph (1) and the member—

- (a) remains in his employment under that authority until his NRD (within the meaning of regulation C2(1)),
- (b) on ceasing to hold that employment before his NRD is incapable of discharging efficiently the duties of the employment by reason of ill-health or infirmity of mind or body, or
- (c) dies while in that employment,

the additional period specified in the resolution may be counted as a period of membership.

(5) In any other case where the employing authority has passed such a resolution the member is entitled to count as a period of membership the appropriate proportion of the additional period of membership specified in the resolution.

(6) In paragraph (5) “the appropriate proportion” means the proportion which the period during which the member has been in the employment of the employing authority bears to the period during which the member would have been in that employment if he had remained in it until his NRD (within the meaning of regulation C2(1)).

Part C

Meaning of “remuneration”

C1.—(1) Subject to paragraphs (2) and (3) and Schedule C4 (limitations on contributions and benefits), in these regulations “remuneration”, in relation to an employee, means the total of all the salary, wages, fees and other payments paid to him for his own use in respect of his employment, and any other payment or benefit specified in his contract of employment as being a pensionable emolument.

(3) Schedule C1 shall have effect for the purpose of making further provision as to the meaning of “remuneration” (including provision for the amount of notional remuneration to be agreed collectively).

Meaning of “normal retirement age” and “NRD”

C2.—(1) In these regulations, in relation to any member, “normal retirement date” (“NRD”) means—

- (a) in the case of a member who by his 60th birthday has a total period of membership of at least 25 years, that birthday;
- (b) in the case of a member who first has such a total period of membership by a date after his 60th birthday but before his 65th birthday, the day after that date;

- (d) in the case of a member who does not fall within paragraphs (a), (b) or (c), his 65th birthday;

and “normal retirement age” means his age on his NRD.

(2) Where for any purpose of the regulations it is necessary to determine a person’s NRD or normal retirement age before he attains that age, it shall be assumed that his local government employment and membership of the Scheme will be continuous.

Standard contributions

Member's standard contributions

Subject to regulations C5 to C7 and C26, a member shall, at such intervals as the Committee may determine, make contributions in respect of every employment in relation to which he is a member—

(3) The “appropriate payment” for the purposes of paragraph (2) is a payment equal to the contributions which the person would have been required to make under regulation C3 if he had throughout the period from the date specified in the notice to the earlier of the date immediately before the commencement date, or the date immediately before his membership commenced, been a pensionable employee.

(4) The payment under paragraph (2) is to be made, unless the Committee allows a longer period, within six months of the date on which the person is notified by the Committee of its amount.

(5) A member who becomes a member on the commencement date who has made a payment under paragraph (2) is entitled to count as a period of membership the period for which the payment was made.

(6) The employer or former employer will pay employer's contributions at rates commensurate with the members' contributions for the appropriate period.

Effect of absences on contributions

Leave of absence from duty

C5.—(1) A member who is on leave of absence from duty in an employment with reduced or no remuneration (otherwise than by reason of illness or injury) shall not make any contribution under regulation C3 in respect of the employment for the period of his absence.

(2) Unless regulation C6 (maternity leave) applies to a member who is so absent, the member shall—

- (a) for a period of 30 days beginning on the first day of the leave of absence, or
- (b) if the period of absence is shorter, for the period of it,

make contributions of amounts equal to the contributions he would have been required to make under regulation C3 on the remuneration he would have received during that period but for the leave of absence.

(3) If the member gives notice in writing for the purpose to the employing authority not later than 30 days after—

- (a) the day on which he returns to duty, or
- (b) the day on which he ceases to be employed by that authority,

whichever is the earlier, he shall make such contributions as are mentioned in paragraph (2) for the period of his absence up to a maximum of 36 months, or the period of his absence, if shorter.

(4) Where the leave of absence was given to enable the employee to attend—

- (a) for jury service in pursuance of a summons under the Juries (Northern Ireland) Order 1996⁽¹¹⁾, or
- (b) as a juror at an inquest under the Coroners Act (Northern Ireland) 1959⁽¹²⁾,

and such attendance continues after the expiration of the period of 30 days mentioned in paragraph (2), the employee shall be deemed to have given such a notice as is mentioned in paragraph (3).

(5) This regulation does not apply where the leave of absence is given to enable the employee to perform relevant service (within the meaning of regulation C8 (absence on reserve forces service)).

Maternity absence

C6.—(1) This regulation applies to a person who—

- (a) has a period of maternity absence; and
- (b) immediately before that period was a member or had applied under regulation B9 or B12 to become a member.

(2) A person to whom this regulation applies—

- (a) in relation to any period (“the relevant period”) which is, or is part of, a period of maternity absence for which she is entitled to receive remuneration, shall make contributions of the same amount as those which (apart from regulation C5) she would have been required to make under regulation C3, if her remuneration in the employment were equal to the remuneration which she is entitled to receive for the relevant period; and
- (b) in relation to any period (“the unpaid period”) which is, or is part of, a period of maternity absence and for which she is not entitled to receive remuneration, may elect to make contributions of the same amount as those which (apart from regulation C5) she would have been required to make under regulation C3 if for the unpaid period her remuneration in the employment were equal to the remuneration she was entitled to receive immediately before the beginning of the unpaid period.

(3) An election under paragraph (2)(b) shall be made by notice in writing to the employing authority given before the expiry date of the period of the 30 days beginning with the earlier of—

- (a) the day on which the member returns to duty; and
- (b) the day on which she ceases to be employed by that authority.

(4) Paragraph (2) does not affect the right of an employee to give notice under regulation B11 (leaving the Scheme) during a period of maternity absence.

(5) In this Part “period of maternity absence” means any period throughout which a woman—

⁽¹¹⁾ S.I. 1996/1141 (N.I. 6)

⁽¹²⁾ 1959 c. 15 (N.I.)

- (a) is absent from duty by reason of pregnancy or confinement; and
- (b) may exercise the right under her contract of employment to return to work.

(6) For the purposes of this regulation references to “the relevant period” and “the unpaid period” do not include any period before the day on which the application under regulation B9 or B12 to become a member first has effect.

Absence owing to trade dispute

C7.—(1) This regulation applies to a person who—

- (a) has been absent from duty, otherwise than on leave of absence, for a period of one or more days during and in consequence of a trade dispute, and
- (b) was a member immediately before—
 - (i) that period, or
 - (ii) where two or more periods of absence occurred in consequence of a single trade dispute, the first of those periods;

and in this regulation a period for which a person to whom this regulation applies was so absent is referred to as a “relevant absence”.

(2) Subject to paragraph (4) and regulation C26, if a person to whom this regulation applies gives notice in writing that he wishes this paragraph to apply (or, in a case within paragraph (7), his personal representatives do so), an amount equal to 16 per cent. of the difference between—

- (a) the person’s remuneration (if any) for the relevant contribution period, and
- (b) the remuneration he would have received for that period if it had not included any relevant absence or part of a relevant absence,

is payable in respect of the relevant contribution period to the authority to whom notice was given; and in this regulation “relevant contribution period” means a period which—

- (i) is coextensive with one of the intervals at which a person to whom this regulation applies was required under regulation C3 to make standard contributions, and
- (ii) includes all or part of a relevant absence.

(3) An authority shall pay to the fund any sum it receives by way of full or part payment of the amount mentioned in paragraph (2).

(4) Notice under paragraph (2) shall be given in writing to the authority which is or, as the case may be, was last the employing authority in relation to the person to whom the notice relates, before the expiry—

- (a) of the period of three months beginning with the day after the last day of the relevant contribution period,
- (b) where all or part of more than one relevant contribution period is included in a relevant absence which occurred in consequence of a single trade dispute, of the period of three months beginning with the last day of the last of the relevant contribution periods, in respect of which the notice is given, or
- (c) in the case of a notice within paragraph (7), of the period of twelve months beginning with the date of the deceased employee’s death, or
- (d) within such longer period as the authority may allow;

and, in any case where the notice relates to more than one relevant contribution period included in a relevant absence which occurred in consequence of a single trade dispute, the notice is of no effect unless it is given in respect of all the relevant contribution periods.

(5) A period of absence from duty without remuneration (otherwise than on leave of absence) does not count as a period of membership unless—

- (a) it was a relevant absence, and
- (b) the amount specified in paragraph (2) has been paid in respect of every relevant contribution period all or part of which was included in that relevant absence.

(6) Where the amount specified in paragraph (2) has been paid in respect of a relevant contribution period, so much of any relevant absence as was included in that period may count as a period of membership, whether or not a contract of employment continued to subsist during the relevant absence or any part of it.

(7) Where a person to whom this regulation applies dies before the end of the period of three months specified in paragraph (4)(a) without giving notice under paragraph (2), his personal representatives may give that notice.

(8) For the purposes of paragraph (1)—

- (a) where—
 - (i) a person's contract of employment is terminated in consequence of a trade dispute, and
 - (ii) not later than the day after the end of the trade dispute, he again becomes an employee of the same LGPS employer and a member,notwithstanding the termination, he is to be treated as having been absent from duty;
- (b) it is immaterial whether or not—
 - (i) the person was participating in or financing or otherwise directly interested in the trade dispute, or
 - (ii) the employing authority was a party to the trade dispute.

(9) In this regulation “trade dispute” has the meaning given by Article 2(4) and (7) of the Industrial Relations (Northern Ireland) Order 1992(13).

Absence on reserve forces service

C8.—(1) Subject to the following provisions, this regulation applies where a person—

- (a) ceases to be employed in the employment in which he is a member; or
- (b) is granted leave of absence from duty in such an employment,

in order to perform relevant service; and, in relation to such a person, references to his former employment and employer are to that employment and his employer in that employment.

(2) Subject to paragraph (3), where this regulation applies—

- (a) if the person is entitled under any provision of these regulations to pay additional contributions, make payment by instalments or make any other payment (except by lump sum) to the fund, he shall be treated for the purposes of these regulations as if he has paid them throughout the period of his relevant service;
- (b) if (and only if) during any period of the person's relevant service the total of—
 - (i) his pay for performing relevant service (including marriage, family and similar allowances), and
 - (ii) any payments under Part V of the Reserve and Auxiliary Forces (Protection of Civil Interests) (Northern Ireland) Order 1953(14), equals or exceeds the remuneration he

(13) S.I. 1992 No. 807 (N.I. 5)

(14) S.I. 1953/197

would have received if he had continued to be employed in his former employment, he shall pay to the fund all such contributions and payments as would have been payable under these regulations if he had so continued; and

- (c) subject to regulation C25, all contributions and payments so made shall be treated for the purposes of these regulations as if made under the provision under which they would have been made if he had so continued.

(3) Paragraph (2) does not apply to contributions payable under regulation C24 (additional voluntary contributions), but if—

- (a) before the commencement of his relevant service the person was paying such contributions which were not to be used to provide benefits payable in the event of death, and
- (b) he has not elected to discontinue making those contributions,

he may continue to make those contributions during the period of his relevant service.

(4) Where this regulation applies to a person then, subject to paragraph (6)—

- (a) the period of relevant service shall be counted as a period of membership in relation to his former employment;
- (b) if during that period he dies or attains his normal retirement age, he shall be deemed to have been serving in that employment at that time; and
- (c) if during that period he becomes permanently incapable of efficiently discharging the duties of that employment by reason of ill-health, injury or infirmity of mind or body, he shall be deemed to have been so serving at the time when he ceased to perform relevant service.

(5) Where—

- (a) a person to whom this regulation would otherwise apply is not a member when he ceases his employment or begins his leave of absence from it, but
- (b) before doing so he has duly made an application under regulation B9 or B12 to become a member, then—
 - (i) that application shall continue to have effect despite his so ceasing or his leave of absence so beginning and this regulation shall apply to him as if he were a member at that time, but
 - (ii) the period before the date on which his application takes effect shall be excluded from his relevant service.

(6) This regulation does not apply to any person in respect of any period of relevant service—

- (a) after the date on which he elects to receive a return of contributions under regulation C21; or
- (b) if he elects that it is not to do so by giving notice in writing to the Committee not later than 12 months after the end of the period of relevant service to which the notice relates (or within such longer period as it may allow).

(7) Subject to paragraph (6), in this regulation “relevant service” means service (other than for the purposes of training only)—

- (a) in pursuance of any notice or directions given under any enactment which provides for the calling out on permanent service, or the calling into actual service, or the embodiment of, any reserve or auxiliary force, or members of such a force, or the recall of service pensioners;
- (b) in pursuance of any obligation or undertaking to serve when called upon as a commissioned officer; or

(c) rendered by virtue of section 28 or 65 of the Reserve Forces Act 1996(15); and paragraph (b) applies whether or not the obligation or undertaking is legally enforceable, but not in the case of an obligation or undertaking—

- (i) to accept a permanent commission or a commission for a fixed term, or
- (ii) to serve for the purposes of periodical training.

(8) In paragraph (7)—

“reserve or auxiliary force” means the whole or part of the Royal Navy Reserve (including the Royal Fleet Reserve), the Royal Marines Reserve, the Territorial Army, the Army Reserve, the Air Force Reserve, the Royal Air Force Volunteer Reserve or the Royal Auxiliary Air Force; “service pensioner” means a person in receipt of a pension (other than a pension awarded in respect of disablement) granted—

- (a) in respect of service in the Royal Navy, the Royal Marines, the regular army and the regular air force or any reserve or auxiliary force which has been called out on permanent service or which has been embodied, or
- (b) in respect of that and other service.

Additional payments to improve benefits

Payments to increase membership: calculation of all benefits

C9.—(1) Subject to the following provisions, if a member elects at any time to make additional periodical payments under this regulation, then, in relation to the relevant employment, he may count as a period of membership (but not for the purposes of determining entitlement to any benefit)—

- (a) if he completes the additional payments, the period in respect of which payment was made; and
- (b) if he begins making the additional payments but does not complete payment, an additional period calculated in accordance with regulation C19.

(2) The additional payments—

- (a) are payable from the member’s next birthday after the date of the election at such intervals as the Committee may determine, and
- (b) cease to be payable on the day before—
 - (i) his NRD, or
 - (ii) if his NRD is not his birthday, the last birthday before his NRD.

(3) An employee may not make an election under paragraph (1) if the Committee has resolved that he should undergo a medical examination at his own expense and he has not done so to its satisfaction.

(4) An election under this regulation shall be made by notice in writing given to the Committee.

Maximum length of additional periods to be purchased under regulation C9

C10.—(1) Subject to regulation C26, the maximum length of the period in respect of which payment may be made under regulation C9 in respect of a person is the length (expressed in years and fractions of a year) of the period (if any) by which his potential period of membership falls short of the relevant maximum number of years at the appropriate time.

(2) In paragraph (1) “potential period of membership”, in relation to any person, means the period which (apart from the payment) he would be entitled to count as a period of membership in relation to his local government employment if he continued in it until he attained the age of 65.

(3) Subject to paragraph (4) and to Schedule C4 (limitations on contributions and benefits), “the relevant maximum number of years”, in relation to any person, means 40 years.

(4) In the case of a person (other than an excluded member) who at the appropriate time was entitled to, or had received, superannuation benefits in respect of any local government employment or under any non-local government scheme, the relevant maximum number of years specified in paragraph (3) in relation to him is to be reduced, in accordance with the certificate of an actuary, to the extent necessary to ensure that the aggregate of—

- (a) the relevant income benefits: and
- (b) the pension equivalent of the relevant capital benefits,

will not exceed two-thirds of his pensionable remuneration.

(5) In paragraph (4)—

“excluded member” means a member whose pensionable remuneration in the first year of his employment during which he is a member does not exceed one quarter of the permitted maximum for the purposes of section 590C of the Income and Corporation Taxes Act 1988⁽¹⁶⁾ (earnings cap) for the year of assessment in which that first year ends);

“pension equivalent” has the meaning given in regulation 5(5)(b) of the Retirement Benefits Schemes (Restriction on Discretion to Approve) (Additional Voluntary Contributions) Regulations 1993⁽¹⁷⁾;

“the relevant income benefits”, in relation to a member, means the aggregate annual amount of—

- (i) the actuarial value, expressed as an annuity payable to him, of the pension benefits mentioned in paragraph (4); and
- (ii) the part of his retirement pension attributable to his period of membership before his NRD:

“the relevant capital benefits”, in relation to a member, means the aggregate amount of—

- (i) his retirement grant, and
- (ii) any lump sum comprised in the pension benefits mentioned in paragraph (4).

(6) For the purposes of paragraphs (4) and (5)—

- (a) it is to be assumed that the person will, until his NRD, continue in the same local government employment and on the same terms and conditions (including, in particular, his scale of remuneration) as at the date of the election;
- (b) any period of membership on or after the date of the election is to be disregarded; and
- (c) regard is to be had to any advice from the Commissioners of Inland Revenue as to the calculation of the value of the earlier benefits.

(7) The appropriate time is—

- (a) except where paragraph (b) applies, the first day of the earliest period that the person is entitled to count as a period of membership in relation to his local government employment; or
- (b) if that period is—

⁽¹⁶⁾ 1988 c. 1; section 590C was inserted by the Finance Act 1989 (c. 26), section 75, Schedule 6, paragraphs 1, 4, 18(2) and amended by the Finance Act 1993 (c. 34)

⁽¹⁷⁾ S.I. 1993/3016

- (i) a period of service under an officer of a LGPS employer or former local authority; or
 - (ii) a period during which the person was subject to a non-local government scheme other than one which was or became a statutory scheme,
- the first day of the earliest period of local government employment that the person is entitled to count as a period of membership in relation to his local government employment.

Amounts of payments under regulation C9

C11.—(1) The amount to be paid by way of additional periodical payments by a member who has made an election under regulation C9(1) in respect of an additional period is the appropriate percentage of his remuneration for the time being, multiplied by the length of that period.

(2) For the purposes of paragraph (1)—

- (a) “the appropriate percentage”, in relation to a member, is the percentage in the relevant Table in Part I of Schedule C2 appropriate to his age on his next birthday after the date of the election and to his normal retirement age; and
- (b) the lengths of periods are to be expressed in complete years and any fraction of a year.

Purchase by part-time employees of additional periods under regulation C9

C12.—(1) Subject to the following provisions of this regulation, where a person makes an election under regulation C9 in relation to a part-time employment to make additional payments in respect of a period—

- (a) the period he may count as a period of membership under paragraph (1) of that regulation, is the appropriate fraction of the period he would be entitled to count in respect of that period if he were a whole-time employee (“the notional whole-time period”);
- (b) the maximum which applies in his case by virtue of regulation C10, is the appropriate fraction of the maximum which would apply in his case if he were a whole-time employee; and
- (c) the amount to be paid by him in accordance with regulation C11 shall be calculated in the same manner as if he were a whole-time employee purchasing the notional whole-time period, but taking his remuneration as his actual remuneration for the time being (and not the remuneration he would have been paid for a single comparable whole-time employment).

(2) In paragraph (1) “appropriate fraction”, in relation to an employee, means the fraction of which the numerator is the number of his contractual hours and the denominator is the number of contractual hours of a single comparable whole-time employment.

(3) Where—

- (a) any person has made an election under regulation C9 which has effect in relation to part-time employment; and
- (b) that employment ceases to be part-time and becomes whole-time employment;

then—

- (i) he may continue to pay contributions under the election in relation to the whole-time employment at the same percentage of his pensionable remuneration as the contributions he paid in relation to the part-time employment; and
- (ii) the additional period in respect of the contributions paid in relation to the whole-time employment shall be calculated on the same basis as if he had been in that whole-time employment when he made the election.

(4) Where—

- (a) any person has made an election under regulation C9 which has effect in relation to whole-time employment; and
- (b) that employment ceases to be whole-time and becomes part-time employment;

then—

- (i) he may continue to pay contributions under the election in relation to the part-time employment at the same percentage of his pensionable remuneration as the contributions he paid in relation to the whole-time employment, and
- (ii) the additional period in respect of the contributions paid in relation to the part-time employment shall be calculated on the same basis as if he had been in that part-time employment when he made the election.

(5) The previous provisions of this regulation do not apply to an election made by a person under regulation C5 of the 1992 regulations (or having effect as if so made) but, if he so elects by notice in writing to the Committee, then—

- (a) payments made by him on and after the date when the election takes effect shall be made by reference to his actual remuneration for the time being; and
- (b) the period of membership which he is entitled to count by virtue of them shall be calculated on the same basis as if the previous provisions of this regulation had always applied in respect of his election.

(6) A person may not make an election under paragraph (5) after the beginning of the period of one year ending with his NRD.

Payments to avoid reduction of retirement grant and death grant

C13.—(1) Subject to the following provisions of this regulation, a member—

- (a) whose retirement grant would be subject to reduction under paragraph 1, 2(1) or 3(1) of Schedule D2 (reduction in standard retirement grant on account of contingent spouse's pension); or
- (b) whose death grant would be subject to reduction under regulation E5 (surviving spouse deductions from certain death grants),

may, by notice in writing given to the Committee, elect to make additional periodical payments under this regulation in order to avoid all or part of the reduction—

- (i) in his retirement grant; and
- (ii) in any death grant that may become payable under Part E.

(2) A notice under paragraph (1) shall specify whether the reduction is to be avoided in respect of the whole or only a specified part—

- (a) in the case of a male member, of his membership before 1st April 1972 or before any earlier date on which—
 - (i) he was judicially separated from his wife: or
 - (ii) his marriage was dissolved: or
 - (iii) he became a widower,
- (b) in the case of a female member who has given notice under paragraph 1(1) of Schedule F1, of her membership which is or is treated for the purposes of paragraph 2(2) of Schedule D2 as being membership before 1st April 1972; and
- (c) in the case of a female member who has made such an election as is mentioned in paragraph 2 of Schedule F1, of her membership before 1st April 1972.

(3) An election may not be made in respect of a period of membership of less than one year unless—

- (a) the whole of the person's period of membership in the case of a person described in paragraph (2) before 1st April 1972; or
- (b) where he has previously made an election in respect of part of that membership, the remainder of it,

amounts to less than one year.

(4) An election under this regulation may be made by any person from time to time, but not—

- (a) if in the particular case the Committee so resolves, without his having, at his own expense, undergone a medical examination to its satisfaction; nor
- (b) after making an election under regulation C9(5)(b) of the 1992 regulations (or any corresponding previous provision) to make payment by instalments.

(5) Where—

- (a) this regulation applies to a woman by virtue of her having made such an election as is mentioned in paragraph 2 of Schedule F1;
- (b) she has made (or is treated as having made) an election under paragraph (1) or regulation C9 of the 1992 regulations (or any corresponding previous provision);
- (c) this regulation subsequently applies to her by virtue of paragraph 2(1) of Schedule D2; and
- (d) she makes a further election under paragraph (1),

then—

- (i) any payments made under this regulation pursuant to the election referred to in subparagraph (b) shall be deemed to have been made pursuant to the further election, and
- (ii) any additional sums payable by her pursuant to the further election shall be determined accordingly by the fund's actuary.

Payments to increase widower's pension by counting membership before 1st April 1972

C14.—(1) Subject to the following provisions of this regulation, a member who—

- (a) is a married woman,
- (b) is entitled to count a period of membership before 1st April 1972, and
- (c) was not a member on 27th July 1989 or has not been a member continuously since that date,

may, by notice in writing given to the Committee, elect to make additional periodical payments in order to count all or part of her period of membership before 1st April 1972 as membership for the purposes of calculating a widower's pension in accordance with regulation F7(2)(b)(iii).

(2) A notice under paragraph (1) shall specify whether it relates to the whole or only a specified part of the woman's period of membership which is membership before 1st April 1972.

(3) A notice under paragraph (1) may not be given in respect of a period of less than one year unless—

- (a) the whole of the woman's period of membership before 1st April 1972, or
- (b) where she has previously given a notice in respect of part of that membership, the remainder of it,

amounts to less than one year.

(4) Notice under paragraph (1) may be given by a member on more than one occasion.

(5) For the purposes of paragraph (1)(c), the reference to a woman having been a member continuously includes a reference to a woman who, having ceased to be a member became or becomes a member again—

- (a) within one month of so ceasing, or
- (b) within one month of returning to work in accordance with Article 111 of the Employment Rights (Northern Ireland) Order 1996⁽¹⁸⁾ (which confers the right to return to work following pregnancy or confinement).

Amount of payments under regulation C13 and C14

C15.—(1) The amount to be paid by a member who has under regulation C13 or C14 elected to make additional periodical payments in respect of a period of membership specified in the notice of election is—

- (a) in the case of a male member, the appropriate percentage of his remuneration for the time being, multiplied by the length of that period;
 - (b) in the case of a female member who made such an election as is mentioned in paragraph 2 of Schedule F1, the appropriate percentage of her remuneration for the time being, multiplied by four times the length of the period of membership before 1st April 1972 specified in her notice of election; and
 - (c) in the case of a female member who has given notice under paragraph 1 of Schedule F1, the appropriate percentage of her remuneration for the time being, multiplied by three times the length of the period of membership specified in her notice of election which is membership before 1st April 1972.
- (2) For the purposes of this regulation “the appropriate percentage” is—
- (a) in the case of a male member, the percentage specified in the relevant Table in Part III of Schedule C2 appropriate to his age on his next birthday after the date of the election and, in the case of paragraph (1)(a), to his specified birthday; and
 - (b) in the case of a female member, the percentage specified in the relevant Table in that Part of that Schedule appropriate to her age on her next birthday after the date of the election and, in the case of the paragraph (1)(b) or (c), to her specified birthday;

and in this paragraph “specified birthday” means the birthday specified in accordance with regulation C16(1).

(3) For the purposes of this regulation the lengths of periods are to be expressed in complete years and any fraction of a year.

(4) References in paragraph (1)(c) to a period of membership before 1st April 1972 include references to a period treated for the purposes of paragraph 2(2) of Schedule D2 as being such a period.

Further provisions as to making of payments under regulations C13 and C14

C16.—(1) A member shall specify in a notice of election to make additional periodical payments under regulation C13 or C14 the birthday (“the specified birthday”) up to which additional payments are to be paid, which may be—

- (a) his 65th birthday, or
- (b) any earlier birthday which is or is after his NRD.

(2) Such additional periodical payments are to be paid, at such intervals as the Committee may determine, from the member’s next birthday after the date of the election.

No elections to make payments after 64

C17. A person may not make an election under regulation C9, C13 or C14 if he has attained the age of 64.

Incomplete payments and return of contributions

Notice to discontinue payments

C18. Payment in accordance with regulation C9(2) or C16(2) may be discontinued if the member notifies the Committee and the employing authority in writing that he wishes it to be discontinued.

Uncompleted periodical payments

C19.—(1) This regulation applies where—

- (a) a member has made an election under regulation C9(1), C13 or C14 to make additional periodical payments,
- (b) he has commenced payment,
- (c) before the presumed termination date a relevant event occurs, and
- (d) in the case of payments under regulation C9(1), any payment made to him under regulation C21 does not include the amount already paid by him under regulation C9(2).

(2) In paragraph (1) “presumed termination date” means—

- (a) in the case of an election under regulation C9(1), the member’s NRD, and
- (b) in the case of an election under regulation C13 or C14, the birthday specified under regulation C16(1).

(3) For the purposes of this regulation the relevant events are—

- (a) the discontinuance of payment under regulation C18, and
- (b) where there has been no such discontinuance of payment—
 - (i) the member’s ceasing to hold his employment, and
 - (ii) the death of the member while in local government employment.

(4) Where the relevant event is—

- (a) the death of the member, or
- (b) his ceasing to hold his employment by reason of ill-health or infirmity of mind or body,

he is to be treated as having completed payment in accordance with regulation C9(2) or, as the case may be, C15 and C16.

(5) Where—

- (a) the relevant event is the member’s ceasing to hold his employment,
- (b) condition (a) or (b) in regulation D6(2) is satisfied,
- (c) his employment ends not less than 12 months after the date of receipt of his notice of election, and
- (d) he gives notice in writing for the purpose to the Committee not later than the expiry of the period of three months beginning on the day after the last day of his employment,

then, if he pays to the fund, within the period of one month beginning on the date on which he is notified by the Committee of the amount calculated by the fund’s actuary to represent the capital value of the additional periodical payments remaining to be paid, a sum equal to that amount, he

shall be treated as having completed payment in accordance with regulation C9(2) or, as the case may be, C15 and C16.

(6) The Committee may accept a notice given under paragraph (5)(d) notwithstanding that paragraph (5)(c) is not satisfied.

(7) Subject to paragraph (9), where—

- (a) the relevant event is discontinuance of payment under regulation C18, or
- (b) the relevant event is the member's ceasing to hold his employment and neither paragraph (4)(b) nor paragraph (5) applies,

the period of membership in respect of which the election was made is to be treated as having been the appropriate proportion of the period in respect of which it was originally made.

(8) In paragraph (7) "appropriate proportion" means the proportion which the length of the period during which additional payments have been paid bears to the length of the period during which they were to have been paid (each period being expressed in complete years and any fraction of a year).

(9) Where, apart from this paragraph, paragraph (7)(b) would apply and the member, having elected to make additional payments under regulation C9(1), C13 or C14—

- (a) has within 12 months after ceasing to hold his employment again entered local government employment, without having—
 - (i) become entitled in relation to the first employment to the payment of any benefit,
 - (ii) received any payment under regulation C21 which includes the amount already paid by him under regulation C9, C13 or, as the case may be, C14 or
 - (iii) made a request for earlier payment under regulation C21(6),
- (b) has not made an election for the purposes of regulation D12(1)(c) (retention of right to preserved benefits), and
- (c) within three months after his again entering local government employment pays to his new employing authority an amount equal to any additional periodical payments that would have been payable if he had not ceased to hold the first employment,

then, the election under regulation C9(1), C13 or, as the case may be, C14 continues to have effect as if the relevant event had not occurred.

Effect of opting out of membership on certain additional payments

C20.—(1) Where a member—

- (a) is making additional periodical payments by virtue of having made an election under regulation C9(1), C13 or C14; and
- (b) gives notification in accordance with regulation B11 (leaving the Scheme);

then—

- (i) no further additional periodical payments shall be payable from the day on which he ceases to be a member; and
- (ii) the benefits to which he is entitled in relation to those payments shall be calculated in accordance with regulation C19(7) and (8) as if the payments had been discontinued under regulation C18.

(2) Paragraph (1) shall not preclude a person who has elected under regulation B11 making a further election under regulation C9(1), C13 or C14 after again becoming a member.

Return of member's contributions in certain cases

C21.—(1) If a member who is entitled to count a total period of membership of less than 2 years—

- (a) ceases to be employed by a LGPS employer and on so ceasing does not become entitled to a retirement pension (or only does so by virtue of regulation D18); or
- (b) ceases to be a member by virtue of a notification under regulation B11,

and does not, within one month and one day after so ceasing, become a member again in the employment of that or any other LGPS employer (except one by which he is concurrently employed when he so ceases), then, subject to paragraphs (4) and (5), he is entitled to receive a payment under paragraph (2).

(2) A payment under this paragraph is a payment out of the fund of a sum equal to—

- (a) the aggregate amount of the person's contributions to the fund, and
- (b) if he ceased to be employed for any reason other than—
 - (i) his voluntary resignation, or
 - (ii) his resignation or dismissal in consequence of inefficiency or an offence of a fraudulent character or misconduct,

compound interest on the amount mentioned in sub-paragraph (a), calculated, to the date on which he ceased to be employed, at the appropriate rate for the period, increased where appropriate as mentioned in regulation K19.

(3) For the purposes of paragraph (2), “the appropriate rate” means nine per cent. per annum with yearly rests on 31st March.

(4) Paragraph (1) does not apply to a person who ceases to be employed in consequence of—

- (a) an offence of a fraudulent character, or
- (b) grave misconduct,

in connection with his employment, but the employing authority may direct the payment out of the fund—

- (i) to him, or
- (ii) where sub-paragraph (a) applies, to him or to his spouse or any dependant of his,

of a sum equal to the whole or a part of the aggregate amount of his contributions to the fund.

(5) No payment shall be made under this regulation to a person—

- (a) who is for the time being entitled to be paid, or has been paid, an ill-health retirement grant under regulation D8, or under regulation E4 of the 1992 regulations or regulation 28A of the 1981(19) regulations, or
- (b) in relation to whom a transfer value from the trustees or managers of a personal pension scheme or self-employed pension arrangement has been and remains credited to the fund.

(6) A payment to a person under paragraph (1) shall be made—

- (a) at the end of the period of 12 months following the termination of his employment, or
- (b) in accordance with any written request received by the Committee for earlier or later payment, (not being earlier than one month and two days after—
 - (i) the termination of the employment, or
 - (ii) in the case of a person referred to in paragraph (1)(b), the notification given under regulation B11).

(7) The Committee shall deduct from any payment under this regulation any tax to which it may become chargeable under section 598 of the Income and Corporation Taxes Act 1988⁽²⁰⁾ (charge to tax on repayment of employee's contributions) and returned contributions may be subject to reduction under paragraph 10 of Schedule C5.

Meaning of “aggregate amount of contributions” for purposes of regulation C21

C22.—(1) In regulation C21 references to the aggregate amount of a person's contributions to the fund include references to the contributions and amounts specified in paragraph (2) in so far as they—

- (a) have not been returned to the person or, if returned, have subsequently been repaid by him,
 - (b) are attributable to a period of membership which might have counted under these regulations in relation to the employment he has ceased to hold, and
 - (c) are not attributable to any earlier period of membership in respect of which a benefit has been paid under Part D, E, F or G of these regulations or the corresponding provisions of the 1992 regulations or the 1981 regulations.
- (2) The contributions and amounts mentioned in paragraph (1) are—
- (a) any contributions or payments paid by him to the fund—
 - (i) under regulation C3, C5 or C6, or
 - (ii) under regulation C1 or C2 of the 1992 regulations, and
 - (b) any amount paid by him—
 - (i) by way of additional contributory payments or added period payments, or
 - (ii) under regulation C7 or C13, or
 - (iii) under regulation C3, C6, C7 or C8 of the 1992 regulations.

Effect of return to local government on right to a return of contributions

C23. A person's right to a payment under regulation C21 is extinguished if—

- (a) after leaving local government employment with a right to such a payment he returns to such employment without having received the payment; and
- (b) he has not given written notice to the Committee—
 - (i) before the expiry of the period of three months beginning with the date on which he returns to such employment; or
 - (ii) within such longer period as the Committee may allow, that he wishes to receive an immediate payment.

Part D

Retirement Benefits

Preliminary definitions

“Pensionable remuneration”

D1.—(1) A person’s pensionable remuneration, in relation to a local government employment, is his remuneration for so much of the relevant period as he is entitled to count as a period of membership in relation to that employment.

(2) For the purposes of this regulation, the relevant period is—

- (a) the year ending with the day on which the person ceases to be a member; or
- (b) such other period as in accordance with Schedule D1 is to be regarded as the relevant period.

(3) Paragraph (1) has effect subject to the further provisions concerning pensionable remuneration in that Schedule and in Schedule C4 (limitations on contributions and benefits).

“Standard retirement pension” and “standard retirement grant”

D2.—(1) Subject to paragraphs (2) and (3), in relation to any person—

- (a) “standard retirement pension” means a pension payable at an annual rate equal to one eightieth of his pensionable remuneration, multiplied by the length in years of his total period of membership; and
- (b) “standard retirement grant” means a lump sum of an amount equal to three eightieths of his pensionable remuneration, multiplied by the length in years of his total period of membership.

(2) In the case of a person who—

- (a) is entitled under regulation B15 or C9 or paragraph 2(a) or 4 of Schedule C5 to count an additional period as a period of membership, and
- (b) had at the appropriate time (within the meaning of regulation C10(7)) attained the age of 45 years,

then—

- (i) the standard retirement pension is increased by one two hundred and fortieth of his pensionable remuneration, multiplied by the length in years of that additional period of membership, and
- (ii) that additional period of membership is excluded from his total period of membership for the purposes of calculating the standard retirement grant.

(3) Paragraphs (1) and (2) are subject to regulations D7(2), D13, D16(5), D18(1), paragraph 3 of Schedule B1 and Schedule C4 (limitations on contributions and benefits); and paragraph (1)(b)

is subject to the provisions of Schedule D2 which relates to the reduction in retirement grants on account of contingent spouses' pensions.

“Statutory pension entitlement”

- D3.** For the purposes of these regulations, a person has a “statutory pension entitlement” if—
- (a) his total period of membership is not less than two years,
 - (b) a transfer value from the trustees or managers of a personal pension scheme or self-employed pension arrangement has been and remains credited to the fund in relation to him, or
 - (c) neither paragraph (a) nor (b) applies and he—
 - (i) has attained state pensionable age; or
 - (ii) will attain state pensionable age before the following 6th April.

References to members leaving employment to include optants-out

D4. In this Part any reference to a member ceasing to hold a local government employment (except the reference in regulation D7) includes a reference to a person who was a member in such an employment but ceased to be so by virtue of a notification under regulation B11(2) (leaving the Scheme) and other references in these regulations shall be construed accordingly.

Entitlement to immediate payment of benefits on retirement

Retirement on or after NRD

D5. Subject to the following provisions of this Part, if a member who ceases to hold a local government employment—

- (a) has a statutory pension entitlement, and
- (b) has attained normal retirement age,

he is entitled—

- (i) to a standard retirement pension, and
- (ii) to a standard retirement grant,

which are payable immediately on his ceasing to hold that employment.

Early entitlement to retirement benefits: redundancy etc.

D6.—(1) Subject to the following provisions of this Part, if a member who ceases to hold a local government employment—

- (a) has a statutory pension entitlement,
- (b) has attained the age of 50, and
- (c) satisfies one of the conditions mentioned in paragraph (2),

he is entitled—

- (i) to a standard retirement pension, and
- (ii) to a standard retirement grant,

which are payable immediately on his ceasing to hold that employment.

- (2) The conditions mentioned in paragraph (1)(c) are—

- (a) that the employing authority certifies that he has ceased to hold the local government employment—
 - (i) by reason of redundancy; or
 - (ii) in the interests of the efficient exercise of its functions; or
- (b) that he was one of the holders of a joint appointment and his appointment has been terminated because the other ceased to hold his appointment.

Early entitlement to retirement benefits: ill-health

D7.—(1) Subject to the following provisions of this Part, where a member—

- (a) ceases to hold a local government employment by reason of being permanently incapable as defined in regulation J1(5) of discharging efficiently the duties of that employment by reason of ill-health or infirmity of mind or body, and
- (b) has a statutory pension entitlement,

he is entitled—

- (i) to a standard retirement pension, and
- (ii) to a standard retirement grant,

which are payable immediately on his ceasing to hold that employment.

(2) Where the member's total period of membership is at least 5 years, he is to be treated for the purposes of this regulation as being entitled to count as a period of membership an additional period calculated in accordance with Schedule D3.

Ill-health retirement grants

D8.—(1) Where a member—

- (a) ceases to hold a local government employment by reason of being permanently incapable of discharging efficiently the duties of that employment by reason of ill-health or infirmity of mind or body,
- (b) regulation D7 does not apply to him because he does not have a statutory pension entitlement, but
- (c) his total period of membership is at least one year,

then, subject to paragraph (3), he is entitled to be paid a lump sum (“an ill-health retirement grant”).

(2) The amount of the ill-health retirement grant is the lesser of—

- (a) one twelfth of the member's pensionable remuneration, multiplied by the length in years of his total period of membership, or
- (b) three eightieths of his pensionable remuneration, multiplied by the length in years of the total period of membership he would have been entitled to count if—
 - (i) he had continued as a member of the Scheme until the age of 65, and
 - (ii) any added period payments had been completed.

(3) Paragraph (1) does not apply if—

- (a) the member ceased to hold his employment in consequence of any such offence or misconduct as are mentioned in regulation C21(4), or
- (b) apart from this regulation, the member is entitled to any payment out of the fund, other than a return of contributions, or

- (c) where the grant to which a member would be entitled under paragraph (1), calculated in accordance with paragraph (2), is no more than the net amount he would receive if a return of contributions were made to him (including an increase under regulation K19 where that regulation applies) he shall instead be entitled to such a return of contributions (so increased where appropriate).

(4) Without prejudice to any subsequent decision under regulation J3 (decisions as to benefits), the Committee shall notify a person who falls within paragraph (1) (other than one to whom paragraph (3)(a) applies), in writing and as soon as is reasonably practicable, of the amount of the ill-health retirement grant to which he would be entitled if he were and remained a person to whom this regulation applies.

Retirement at or after 60 but before NRD

D9.—(1) Subject to the following provisions of this Part, if a member who ceases to hold a local government employment after attaining the age of 60 but before his NRD satisfies the relevant conditions, he is entitled—

- (a) to a standard retirement pension (reduced in accordance with regulation D13), and
- (b) to a standard retirement grant (so reduced),

which are payable immediately on his ceasing to hold that employment.

(2) The conditions referred to in paragraph (1) are—

- (a) that the member has a statutory pension entitlement;
- (b) that he duly makes an election for his retirement benefits to be payable immediately on his ceasing local government employment.

(3) An election under this regulation shall be made by notice in writing to the Committee given within the period of three months beginning with the day on which the member ceases to hold local government employment.

No double entitlement

D10.—(1) Where (apart from this regulation) any person would be entitled to a retirement pension or to a retirement grant under two or more regulations in respect of the same period of membership—

- (a) he may elect by notice in writing, given to the Committee before the expiry of the period of three months beginning with the day on which he becomes so entitled, under which provision he is to be paid those benefits; and
- (b) if he makes no such election, the Committee may notify him in writing of the provision.

(2) Paragraph (1) is without prejudice to regulations D16, D18 and D19 and section 9(6) of the Pension Schemes (Northern Ireland) Act 1993(23).

Entitlement to deferred benefits: (“preserved benefits”)

Entitlement to deferred retirement benefits (“preserved benefits”)

D11.—(1) If a member who ceases to hold a local government employment, is not entitled under regulation D5, D6, D7 or D9 to retirement benefits which are payable immediately on his ceasing to hold that employment, has a statutory pension entitlement, then, subject to regulation D13, he becomes entitled in relation to that employment to a standard retirement pension and a standard retirement grant payable from the appropriate date; and in these regulations benefits to which a

(23) 1993 c. 49

person becomes entitled under this paragraph and which have not yet become payable are called “preserved benefits”.

(2) For the purposes of paragraph (1) “the appropriate date”, in relation to any person, is his 65th birthday or, if earlier, the earliest of the following—

- (a) his NRD;
- (b) any date on which he becomes permanently incapable, by reason of ill-health or infirmity of mind or body, of discharging efficiently the duties of the employment he has ceased to hold;
- (c) any date after he has attained the age of 50 years from which the employing authority, with the agreement of the Committee, determines on compassionate grounds that the benefits are to become payable;
- (d) in the case of a person who has attained the age of 60 years and has completed 10 years' membership provided that he was a contributory employee before 1st April 1972, that birthday; and
- (e) in the case of a person who has attained the age of 60 years, has ceased to be employed in local government employment and has duly elected to receive payment from the relevant date, that date.

(3) An election under paragraph (2)(e) shall be made by notice in writing to the Committee given within the period of three months beginning with the relevant date.

(4) In this regulation “relevant date”, in relation to any person, means—

- (a) the date on which he attains the age of 60; or
- (b) if later, the date of his ceasing to be employed in local government employment.

Further provisions about preserved benefits

D12.—(1) A person who is entitled to preserved benefits under regulation D11(1) ceases to be entitled to them—

- (a) if—
 - (i) the whole of the aggregate amount of his contributions to the fund has been returned to him (with or without interest) under regulation C21 or regulation C15 of the 1992 regulations or regulation 16 of the 1981 regulations, and
 - (ii) after receiving the return of contributions, he has no further right to count any period of membership to which a transfer value accepted under regulation K14 or regulation J8 of the 1992 regulations or regulation 69 of the 1981 regulations relates,
- (b) if rights in respect of the period of membership he was entitled to count in relation to the employment he ceased to hold have been transferred to a non-local government scheme, a personal pension scheme, a self-employed pension arrangement, a retirement annuity contract or an appropriate policy by virtue of the payment of a transfer value,
- (c) if he re-enters local government employment (unless he elects to remain entitled to those benefits), or
- (d) if the body which employed him in the employment which he ceased to hold certifies under paragraph 4 of Schedule D1 that on ceasing to hold it he suffered a material reduction in remuneration.

(2) An election by a person for the purposes of paragraph (1)(c) shall be made by giving notice in writing to the Committee—

- (a) before the expiry of the period of three months beginning with the date on which he re-enters local government employment, or

- (b) such longer period as the Committee may allow.

Adjustments to standard benefits

Reduction of pensions payable early by virtue of elections etc.

D13.—(1) This regulation applies where benefits are payable to a person—

- (a) under regulation D9; or
 (b) under regulation D11 in a case where the appropriate date is determined under paragraph (2)(e) of that regulation.

(2) Where this regulation applies, then, subject to regulation D16, the standard retirement pension and standard retirement grant, calculated in accordance with regulation D2 and Schedule D2, are reduced by the appropriate percentage for the member's pension advancement period.

(3) In paragraph (2) "the member's pension advancement period", in relation to a person, means the period remaining from the date from which the benefits became payable to his NRD.

(4) In paragraph (2) "the appropriate percentage" means the percentage shown in the appropriate column in the following Table.

Table

<i>Pension advancement period (years)</i>	<i>Percentage Reduction</i>		<i>Retirement grant</i>
	<i>Retirement pension</i>		
	<i>Male</i>	<i>Female</i>	<i>Both sexes</i>
0	0	0	0
1	8	7	2
2	15	13	5
3	22	18	7
4	28	23	9

(5) Where the member's pension advancement period is not an exact number of years, the necessary interpolations shall be made in the Table.

Surrender of part of retirement pension in favour of spouse or dependant

D14.—(1) Subject to the following provisions of this regulation and to regulation D16, a person who—

- (a) has become entitled to receive payments in respect of a retirement pension, or
 (b) holds local government employment and has attained normal retirement age,

may surrender, as from the relevant date, in favour of his spouse or any dependant of his ("the beneficiary"), a part of the retirement pension which is or may become payable to him, and a person who has surrendered part of a retirement pension may surrender further parts of it.

(2) The part of the retirement pension surrendered on any occasion—

- (a) shall be an exact number of pounds, and
 (b) shall secure for the beneficiary a pension of at least £97·50 per annum.

- (3) The surrendered part (together with any parts previously surrendered) shall not exceed—
- (a) the amount which would result in the reduction of the retirement pension to less than the rate of the pension which would become payable to the beneficiary, or
 - (b) one third of the retirement pension.
- (4) Where a person who has made a surrender under this regulation dies, an annual pension at a rate which is (according to tables to be prepared from time to time by the Government Actuary) actuarially equivalent at the relevant date to the value of the surrendered part of the retirement pension becomes payable to the beneficiary.
- (5) For the purposes of this regulation “the relevant date” means—
- (a) the date of becoming entitled to receive payments in respect of the retirement pension; or
 - (b) in the case of a person who dies while still in local government employment, the day immediately before the date of his death.
- (6) Where the person surrendering holds local government employment and has attained normal retirement age, references in paragraphs (2) and (3) to the retirement pension are references to the retirement pension which would become payable if he were to cease to hold his employment on the day on which the surrender takes effect.
- (7) Schedule D4 shall have effect for the purpose of making further provision as respects the procedure for surrenders under this regulation.

Adjustments to retirement pensions and grants for certain re-employed pensioners

D15. Schedule D5 shall have effect for the purpose of making provision as to the retirement benefits in respect of certain pensioners who are re-employed by LGPS employers; and the provisions of this Part have effect subject to Part I of that Schedule (reduction of retirement pensions), Part II of that Schedule (combined benefits) and Part III of that Schedule (separate benefits).

Overriding provisions (contracting-out and Finance Act requirements, etc.)

Guaranteed minimum pensions for members in contracted-out employment, etc.

D16.—(1) Where—

- (a) the employment of a member in any local government employment is contracted-out employment; and
- (b) the member has a guaranteed minimum pension under section 10 of the Pension Schemes (Northern Ireland) Act 1993 in relation to benefits under these regulations,

then paragraphs (2) to (4) apply as respects the member’s employment.

(2) The member who ceases to hold his local government employment is from the date on which he attains state pensionable age entitled to a pension at a weekly rate equal to that guaranteed minimum (unless on ceasing to hold his local government employment he is entitled to a retirement pension at a higher rate).

(3) If the member—

- (a) attains state pensionable age while in local government employment;
- (b) continues in the same employment for a further period of 5 years; and
- (c) does not then cease to hold it,

then he is entitled from the end of that period to so much of his retirement pension as equals that guaranteed minimum (unless he consents to a postponement of the entitlement).

(4) The guaranteed minimum referred to in paragraphs (2) and (3) shall, so far as it is attributable to earnings factors for the tax year 1988-89 or for subsequent tax years, be increased in accordance with the requirements of section 105 of the Pension Schemes (Northern Ireland) Act 1993.

(5) A person's retirement pension is not to be reduced under regulation D13 to less than the aggregate of—

- (a) any minimum rate of equivalent pension benefits applicable under the Insurance Act, and
- (b) the annual rate obtained by multiplying one eightieth of the person's pensionable remuneration by the length in years of the whole period of the person's membership in contracted-out employment during the period beginning with the relevant date and ending with 30th April 1995.

(6) In paragraph (5) "the relevant date" means—

- (a) in the case of a man, 17th May 1990; and
- (b) in the case of a woman, 6th April 1978.

(7) Where—

- (a) if these regulations had come into force on 17th May 1990, a man would have been entitled to make an election under regulation D9(3), and
- (b) he gives notice of such election within six months of the commencement date,

the election may be expressed to have the effect as if these regulations had commenced on 17th May 1990 and the notice had been given on the first day on which he would in that case have been entitled to give notice of the election.

(8) Where a person's local government employment is or was contracted-out employment, a surrender under regulation D14 (together with any previous surrenders) shall not result—

- (a) in the annual rate of the retirement pension being less than one eightieth of the pensionable remuneration, multiplied by the length in years of the whole period of his membership in contracted-out employment after 5th April 1978, or
- (b) (disregarding the effect of the preceding paragraphs) in the weekly rate of the retirement pension being less than his guaranteed minimum, if any.

(9) Where a person making a surrender under regulation D14—

- (a) is in local government employment,
- (b) has attained normal retirement age, and
- (c) has a statutory pension entitlement,

references in paragraph (8) to the retirement pension are references to the retirement pension which would become payable if he were to cease to hold his employment on the day on which the surrender takes effect.

(10) Where this regulation applies it overrides any provision in these regulations to the extent to which it conflicts with it, except—

- (a) regulation D15 and Part I of Schedule D5 (reduction of retirement pension in the case of certain re-employed pensioners);
- (b) regulation H4 (forfeiture of rights); and
- (c) regulation H5 (commutation of small pensions).

Revaluation of guaranteed minimum in certain cases

D17.—(1) This regulation applies where—

- (a) a person has ceased to be a member; and

- (b) the guaranteed minimum in relation to his pension is appropriately secured (within the meaning of section 15 of the Pension Schemes (Northern Ireland) Act 1993).
- (2) The earnings factors of such a person shall be determined for the purposes of section 10(2) of that Act—
- (a) by reference to the last order under article 23 of the Social Security Pensions (Northern Ireland) Order 1975⁽²⁴⁾ or section 130 of the Social Security Administration (Northern Ireland) Act 1992⁽²⁵⁾ to come into force before the end of the tax year in which he ceased to be a member, and
- (b) without reference to the last such order to come into force before the end of the final relevant year.
- (3) In this regulation “final relevant year” has the meaning given in section 12(5) of the Pension Schemes (Northern Ireland) Act 1993.

Equivalent pension benefits

D18.—(1) If when a member ceased to hold a local government employment—

- (a) he was not entitled in relation to that employment to a retirement pension under regulation D5, D6, D7, D9 or D11, and he receives a return of contributions;
- (b) the whole or some part of his period of membership was in service in a non-participating employment or in service which relates to employment with a non-local government employer in a non-participating employment;

(2) Subject to regulations G9 and G10, the annual amount of a children's long-term pension is the appropriate fraction (within the meaning of regulation G3(3)) of the deceased person's retirement pension.

(3) Subject to regulation G9, for the purposes of paragraph (2) the retirement pension of a person who is entitled at the time of his death to receive payments in respect of a retirement pension (or would have been so entitled apart from regulation H6 or Part I of Schedule D5) shall be taken to be the retirement pension that would have been payable on the assumption that no payment under regulation H6 had been made and on the relevant assumptions (within the meaning of regulation G3(5)).

(4) In a case where a children's short-term pension is payable under regulation G7, the children's long-term pension does not become payable until the expiry of the period in respect of which that pension is payable under that regulation (or would be so payable if it were not for payment being suspended under regulation G8(2)).

Pensioner's children's short-term pension

G7.—(1) Subject to regulation G8(2), where a person who—

- (a) was entitled to receive payments in respect of a retirement pension (other than a pension sole entitlement to which is under regulation D16 or a pension under regulation D18), or
- (b) would have been so entitled but for a payment under regulation H6 (commutation in exceptional circumstances of ill-health) or the operation of Part I of Schedule D5 (re-employed pensioners),

dies leaving one or more eligible children, they are entitled to or to the benefit of a children's short-term pension for 6 months after the death.

(2) Subject to regulation G8(1), the annual rate of a children's short-term pension is the rate at which a surviving spouse's short-term pension would have been payable by virtue of regulation F4 (but, in a case where there is a widower, disregarding regulation F7(2)).

General provisions relating to children's pensions

Limitations on entitlement to children's short-term pensions

G8.—(1) Where—

- (a) a widow's short-term pension is calculated in accordance with regulation F6(1) or a widower's short-term pension is payable by virtue of regulation F1(1) or F4(1), and
- (b) the child who is entitled to or to the benefit of a children's short-term pension is in the care of the widow or widower,

the rate of the child's short-term pension is reduced by the rate of the widow's or widower's pension.

(2) While—

- (a) a widow's short-term pension is payable under regulation F1(1) or F4(1);
- (b) a widower's short-term pension is payable under either of those regulations at a rate not less than that of the children's short-term pension; or
- (c) a widower's short-term pension is payable under regulation F1(1) in circumstances where no long-term pension is payable under regulation F2(1),

a children's short-term pension is not payable unless the child is not in the care of the widow or widower, and then for only three months after the death (or until he ceases to be a child, if sooner).

(3) Where—

- (a) (apart from paragraph (2), or this paragraph, or paragraph (4)) a children's short-term pension would be payable to or for the benefit of a child in the care of a parent to whom a surviving spouse's short-term pension would be payable; and
- (b) if a children's long-term pension and a surviving spouse's long-term pension were payable instead of those short-term pensions, that would result in a greater aggregate pension (having regard to paragraph (2)),

those long-term pensions shall be payable instead of those short-term pensions.

(4) Where—

- (a) apart from paragraph (3) and this paragraph, a children's short-term pension would be payable to or for the benefit of a child who is not in the care of a parent to whom a surviving spouse's short-term pension is payable, and
- (b) a children's long-term pension would be greater,

the long-term pension shall be payable instead of the short-term pension.

Long-term pensions: increase of period of membership in certain cases

G9. Unless the retirement pension determined under regulation G3(4), G5(3) or G6(3) would be greater, the retirement pension of a deceased person shall be taken to be that to which he would have been entitled if he were entitled to count the lesser of—

- (a) 10 years of membership; and
- (b) the period of membership which he would have been entitled to count if he had continued to be a member until his 65th birthday.

Children over 17 in paid training

G10.—(1) If a child in respect of whom a children's long-term pension is payable has attained the age of 17 years and is receiving remuneration in respect of full-time training for a trade, profession or vocation at an annual rate in excess of the indexed training rate, then—

- (a) the annual rate of the pension is to be reduced by the amount of the excess, or
- (b) if it results in a smaller reduction, the child is to be disregarded for the purpose of calculating the pension.

(2) In paragraph (1) "the indexed training rate" means the annual rate at which an official pension (within the meaning of the Pensions (Increase) Act (Northern Ireland) 1971(29)) would for the time being be payable if it had begun on 1st April 1994 and had then been payable at an annual rate of £1,450.

Discretions as to payment of children's pensions

G11.—(1) The Committee may apportion a children's pension among the eligible children in respect of whom it is for the time being payable in such shares as it thinks fit.

(2) The Committee may pay a children's pension or any part of it to a person other than an eligible child, to be applied for the benefit of any eligible child or eligible children in accordance with any directions the Committee may give.

Adjustments to children's pensions for certain re-employed pensioners etc.

G12. The provisions of this Part have effect subject to Part IV of Schedule D5 (re-employed pensioners) and to paragraph 3 of Schedule F1 (women dying before 1st April 1972).

Part H

General Provisions Concerning Benefits

Interest on late payment of certain benefits

H1.—(1) Where all or part of—

- (a) a pension payable under Part D, F or G (other than a pension payable to a surviving spouse under regulation F1 in a case where the surviving spouse is not entitled to a pension under regulation F2),

- (c) an ill-health retirement grant payable under regulation D8,
- (d) a death grant,

is not paid within the relevant period after the due date, the Committee shall pay the person to whom the return of contributions, pension or grant is payable interest on the amount remaining unpaid, calculated at one per cent. above base rate on a day to day basis from the due date to the date of payment, and compounded with three-monthly rests.

(2) For the purposes of paragraph (1) the due date is—

- (a) in the case of a retirement pension which becomes payable by virtue of an election under regulation D9(2)(b) or D11(2)(d), one month after the date on which the notice of election is duly given;
- (b) in the case of part of a pension which becomes payable by virtue of payments or contributions (other than an increase in contributions made following a decision under regulation J1, J7, J9 or J10) made after the date on which the remainder of the pension became payable, one month after those payments or contributions were paid;
- (c) in the case of a pension or part of a pension which becomes payable by virtue of contributions made following such a decision, the date on which that pension or part of a pension would have become payable had those contributions been made on the first date which would otherwise have applied;
- (d) in the case of any other pension or part of a pension, the date on which it becomes payable;
- (e) in the case of a retirement grant or part of a retirement grant (other than one to which paragraph (3) applies), the date on which that grant or part becomes payable;
- (f) in the case of an ill-health retirement grant, the day after the person who is entitled to the grant ceased to hold his employment;
- (g) in the case of a death grant, the date on which the member dies;
- (h) in the case of a payment under regulation H6, the day after the person to whom the payment is made would otherwise become entitled to payment of his pension;

- (i) in the case of a return of contributions under regulation 16 of the 1981 regulations, regulation C15 of the 1992 regulations or regulation C20, the date when the return is due under the regulation in question; and
 - (j) in the case of a return of contributions which have been made in error, one month after the date on which the contributions were made.
- (3) Where—
- (a) a retirement grant becomes payable by virtue of an election under regulation D9(2)(b) or D11(2)(d) made by a notice given on or after the date on which the grant becomes payable, or
 - (b) a part of a retirement grant becomes payable by virtue of payments or contributions made after the date on which the remainder of the grant became payable;

then, the due date is—

- (i) in the case mentioned in paragraph (a), one month after the notice was given, and
 - (ii) in the case mentioned in paragraph (b)—
- (4) For the purposes of paragraph (1) “the relevant period” means—
- (a) in the case of a pension within paragraph (a) or a return of contributions within paragraph (g) of that paragraph, one year,
 - (b) in the case of a grant within paragraph (b), (c) or (d) of that paragraph or a payment within paragraph (e) of that paragraph, one month.
 - (c) in the case of a return of contributions within paragraph (f), such period which, when added to the period beginning with the date when the person ceased to be a member of the Scheme and ending with the due date, equals twelve months.

National Insurance

H2. Where, but for the revocation of the 1981 regulations, the amount of a benefit would have fallen to be reduced under Part V of those regulations, the amount shall be reduced as if that Part had not been revoked.

Benefits not assignable

- H3.** Every benefit to which a person is entitled under these regulations—
- (a) is payable to or in trust for him, and
 - (b) is not assignable or chargeable with that or any other person’s debts or other liabilities.

Forfeiture of pension rights after conviction of employment-related offences

- H4.—**(1) If—
- (a) a person has been convicted of an offence in connection with an employment as respects which he was a member;
 - (b) he has (whether before or after the conviction) ceased to hold that employment in consequence of that offence;
 - (c) his employing body, where it has suffered a financial loss as a direct result of the offence, has taken reasonable steps to recover such loss (including the exercise of its powers under regulations L8 and L9); and
 - (d) on an application made within three months after the conviction by the body which was his employing authority in that employment, a Minister of the Crown has certified that the offence—

- (i) was gravely injurious to the State, or
- (ii) is liable to lead to serious loss of confidence in the public service,

then the Committee may direct that all or any of the rights enjoyed by or in respect of him under these regulations as respects his previous membership shall, subject to paragraph (2), be forfeited.

(2) No direction may be given under paragraph (1) which would deprive a convicted person of his guaranteed minimum pension or would, in the event of his leaving a surviving spouse, deprive that spouse of any widow's or widower's guaranteed minimum pension, unless the convicted person ceased to hold his employment in consequence of—

- (a) an offence of treason, or
- (b) one or more offences under the Official Secrets Acts 1911 to 1989⁽³⁰⁾ for which he has been sentenced on the same occasion to a term of imprisonment of, or to two or more consecutive terms amounting in the aggregate to, at least 10 years.

(3) If—

- (a) a person has ceased to hold an employment as respects which he was a member in consequence of an offence in connection with his employment, and
- (b) the body which was his employing authority has neither notified a decision under Part J on any question as to entitlement to a benefit nor given any direction under paragraph (1),

the Committee shall, if so directed by that body, make interim payments of such amounts as may be specified in the direction to any person so specified who appears to the body to be a person who would be entitled to receive payment of a benefit under these regulations if no direction under paragraph (1) were given.

(4) Directions under paragraph (3) shall not require any person to be paid more than it appears to the body giving the direction that he would for the time being be entitled to have been paid on the assumption that no direction under paragraph (1) will be given, but such directions do not constitute decisions under Part J as to any person's entitlement to a benefit.

(5) Payments made to a person in accordance with directions under paragraph (3) shall be deemed to have been payments in respect of a benefit to which he was entitled, notwithstanding any direction given under paragraph (1) or any decision under Part J as to entitlement to the contrary.

(6) A body applying for a certificate under paragraph (1)(d) in respect of a convicted person shall at the same time send copies of the application to him and to the Committee.

Commutation: small pensions

H5.—(1) Where the annual rate—

- (a) of a retirement pension (or pensions) to which any person has become entitled as a member or former member, or
- (b) of a long-term pension to which any surviving spouse has become entitled, or
- (c) of a long-term pension payable to or in respect of an eligible child or children,

amounts (or amount in aggregate) to not more than the relevant amount, the Committee may discharge its liability in respect of that pension (or those pensions) by payment to the member or former member or, in the case of a surviving spouse's pension, the spouse or, in the case of a child's pension, any person who appears to it to be appropriate, of a lump sum of such amount as represents the capital value of the relevant pension (or pensions), calculated in accordance with tables prepared by the Government Actuary.

(30) 1911 c. 28; 1920 c. 75; 1939 c. 121; 1989 c. 6

(2) For the purposes of this regulation, “the relevant amount” is—

- (a) in the case of a retirement pension, £195;
- (b) in the case of a surviving spouse’s long-term pension, £260;
- (c) in the case of a children’s long-term pension, £260;

but, for the purposes of determining whether such pension or pensions exceed the relevant amount, the pension—

- (i) shall be taken to include any increase payable under the Pensions (Increase) Act (Northern Ireland) 1971 in respect of it, and
- (ii) shall be aggregated with any other such pension to which the member or, in the case of a surviving spouse’s pension, that spouse or, in the case of a children’s pension, any child or other person, has become entitled under the Scheme in respect of the member in question.

(3) This regulation only applies to a retirement pension where the member who has become entitled to the pension has attained state pensionable age, and a member shall not be treated as having become entitled to a retirement pension under regulation D11 until the date (if any) on which he becomes entitled to receive payments in respect of that pension.

(4) Where a payment is made to a person under paragraph (1) in respect of any retirement pension or pensions—

- (a) it shall include a payment of an amount representing the capital value (calculated as there mentioned) of any surviving spouse’s long-term pension which, if the person died leaving a surviving spouse, would be payable to that spouse; and
- (b) the liability in respect of any such surviving spouse’s long-term pension or pensions and in respect of any children’s long-term pension which, if the person died leaving an eligible child or eligible children, would be payable to or for the benefit of that child or those children is also discharged by the payment.

Commutation : exceptional circumstances of ill-health

H6.—(1) Where at the time a retirement pension first becomes payable to a member or former member under Part D the Committee is satisfied, having considered the advice of a registered medical practitioner—

- (a) that the member or former member is exceptionally ill, and
- (b) that he has a life expectancy of less than one year,

it may discharge its liability in respect of—

- (i) so much of that pension as exceeds his guaranteed minimum, and
- (ii) any lump sum death grant which would otherwise be payable at his death under regulation E3 or E4,

by payment to him of a lump sum of an amount equal to five times the amount by which the annual rate of the retirement pension which would otherwise be payable to him exceeds the amount of his guaranteed minimum.

(2) The Committee shall deduct from any payment under this regulation any tax to which it may become chargeable under section 599 of the Income and Corporation Taxes Act 1988⁽³¹⁾ (charge to tax: commutation of entire pension in special circumstances).

Payments due in respect of deceased persons

H7.—(1) Where a person dies and the total of—

(a) any sums that were due to him under these regulations, and
 (b) any other sums payable under these regulations to his personal representatives,
 (“the amount due”) does not exceed the amount specified in any order for the time being in force under section 6 of the Administration of Estates (Small Payments) Act (Northern Ireland) 1967⁽³²⁾ and applying in relation to his death, then the Committee may, without requiring the production of probate or letters of administration of his estate, pay the whole or any part of the amount due out of the fund—

- (i) to the personal representatives, or
- (ii) to the person, or to or among any one or more of any persons, appearing to the Committee to be beneficially entitled to the estate.

⁽³⁶⁾ S.I. 1995/3213 (N.I. 22)

⁽³⁷⁾ 1993 c. 49

(a) ceasing to be employed in local government employment, or
(b) a notification under regulation B11 (leaving the Scheme),
and the conditions in paragraph (2) are satisfied, then the Committee shall pay a transfer value in respect of him to be used in accordance with section 91 of the Pension Schemes (Northern Ireland) Act 1993 (ways of taking right to cash equivalent) in one or more of the ways set out in sub-section (2) of that section, at his option.

(2) The conditions are that—

- (a) he ceased to be a member as described in paragraph (1)—
- (i) where the transfer value is to be paid to an occupational pension scheme, before his NRD, or
 - (ii) otherwise, at least one year before his NRD;
- (b) he is a person who—
- (i) has a statutory pension entitlement,
 - (ii) after ceasing to be a member as described in paragraph (1), has taken up non-local government employment in which he participates in an occupational pension scheme, or
 - (iii) after so ceasing, entered into a contract for a personal pension scheme or a self-employed pension arrangement or an appropriate policy;
- (c) he has duly made an application in writing to the Committee for a transfer value to be paid and has not subsequently withdrawn it; and
- (d) if he ceased to be employed in his local government employment before 31st March 1972, the Committee has consented to the payment of the transfer value.

(3) For the purposes of paragraph (2)(c) an application is only duly made if—

- (a) in the case of a request for the transfer value to be paid to an occupational pension scheme, it is made before the applicant's NRD;
- (b) in any other case, it is made—
- (i) at least one year before the applicant's NRD, or
 - (ii) before the expiry of the period of six months beginning with the date on which he ceased to be a member,

whichever is the later; and

- (c) in the case of a person within paragraph (2)(b)(ii) or (iii), it is made within 12 months after the applicant took up the non-local government employment or, as the case may be, entered the contract (or such longer period as the Committee may in any particular case allow).

(4) A person who has made an application under paragraph (2)(c) may withdraw it by giving notice in writing to the Committee, but such a notice is of no effect if, before receiving it, the Committee has entered into an agreement with a third party to use the whole or part of that person's transfer value in one or more of the ways specified in section 91(2) of the Pension Schemes (Northern Ireland) Act 1993.

(5) A person who withdraws an application may make another.

(6) Where a person is entitled to separate preserved benefits by virtue of regulation D12(1)(c)—

K3.—(1) Where an application is duly made to the Committee under regulation K2(2)(c) in respect of any person, it shall pay a transfer value not later than—

 - (iii) he made his application under regulation K2(2)(c) before the expiry of the period of six months beginning with the date on which he ceased to be a member,

his NRD.

(2) Where—

- (a) proceedings before a court have been commenced against a person at any time before the expiry of the period of six months beginning with the date on which he ceased to be a member,
- (b) those proceedings (including any proceedings on appeal) have not been concluded at least three months before the date by which the Committee is required to pay the transfer value under paragraph (1), and
- (c) it appears to the Committee at that date that the proceedings may lead to all or any part of the benefits payable under these regulations to or in respect of that person being forfeited under regulation H4,

then the Committee need not pay a transfer value in relation to that person until the expiry of the period of three months beginning with the date on which those proceedings are concluded.

Cases where right to transfer value excluded

and has received a return of contributions in relation to that employment, a transfer value may only be paid in relation to membership in respect of which he is entitled to preserved benefits.

Amount of transfer value under regulation K2

K5.—(1) The amount of any transfer value payable under regulation K2 shall be calculated in accordance with the following provisions.

(2) Subject to the provisions of this Part, a transfer value to be paid in accordance with the provisions of regulation K2 in respect of a person shall be an amount equal to the capitalised value—

- (a) of the rights which have accrued in respect of him under these regulations at the material date, and
- (b) of any associated rights under the Pensions (Increase) Act (Northern Ireland) 1971⁽³⁸⁾ and the Pensions Increase Order (Northern Ireland) 1974⁽³⁹⁾,

less a sum in respect of any state scheme premium which is payable or has been paid and not recovered in respect of a period of membership taken into account in the valuation of those rights.

(3) Subject to regulation K9, where the transfer value is, without reasonable cause or excuse, not paid before the expiry of the period of six months beginning with the material date, the transfer value mentioned in paragraph (2) shall be increased by—

- (a) interest, calculated on a daily basis over the period from the material date to the date on which the transfer value is paid at the rate set out in regulation 10(2)(a) of the Occupational Pension Schemes (Transfer Values) Regulations (Northern Ireland) 1996⁽⁴⁰⁾, or
- (b) the amount by which the transfer value falls short of what it would have been if the material date had been the date on which the transfer value was paid,

whichever is the greater.

(4) The reference in paragraph (2)(a) to rights which have accrued at the material date is a reference—

- (a) in the case of such a person as is described in regulation K2(6), to those rights in respect of which his application under regulation K2(2)(c) was made; or
- (b) if the person does not have a statutory pension entitlement by virtue of satisfying paragraph (a) of regulation D3, to the rights which would have accrued under regulation D11,

and for the purpose of determining the accrued rights in respect of a widow's or widower's pension of a person who was unmarried on ceasing to be a member—

- (i) in the case of a man, if any part of his membership can be counted by virtue of regulation K15(1)(a) or regulation 70(1)(a) of the 1981 regulations; and
- (ii) in the case of a woman, if any part of her membership is treated as membership after 31st March 1972 by virtue of regulation K15(1)(a) and (2)(b),

all the person's membership shall be taken into account.

(5) In paragraph (2) "capitalised value" means the capitalised value at the material date as determined by the Committee, in such manner as may be approved by the Government Actuary, having regard to investment conditions and the contingencies on which benefits are, or are to be, payable under these regulations.

(6) In this regulation "the material date" means—

- (a) the date on which the person ceased to be employed in local government employment or to be a member as described in regulation K2(1), or

(5) For the purposes of paragraphs (2) to (4), where a person ceases to be employed in local government employment but enters again into local government employment, then if—

- (a) the interval between those two employments does not exceed one month; or

(b) the second of the employments results from the exercise of a right to return to work under Article 111 of the Employment Rights (Northern Ireland) Order 1996(41) (right to return to work following pregnancy or confinement),
they shall be treated as a single employment unless the employee elected under regulation D12(1)(c).

(6) Where—

(a) under regulation H4, any corresponding provision of earlier legislation or a local Act scheme, the employing authority directs that all or any of the benefits payable under these regulations in respect of a person shall be forfeited, and

 - (b) due allowance shall be given for the expected increase in the pensionable remuneration of a local government employee between—

- (a) dies when still a member, or

(4) Where this paragraph applies in relation to a person—

- (a) the period mentioned in regulation K15(1)(a) shall be equal to the period which the person would have been entitled to count as his period of membership if he had been a member of the Scheme throughout the relevant period or such shorter period as the Committee may approve; and
- (b) the person shall be entitled to count the whole of the relevant period as a period to which Part II of Schedule B1 applies (total period of membership to include former and related membership for some purposes of entitlement etc.).

(5) In the case of a member to whom this regulation applies who has been credited with an additional period of membership calculated as specified in regulation K16 (calculation of period of membership allowed under regulation K15(1)(a): non club schemes), the Committee may adjust the amount of the period of membership or period of total membership referred to in paragraph (4)(a) and (b) on account of the transfer value payment by reference to which that additional period of membership was credited.

(6) Where a transfer payment has been accepted in relation to a woman to whom this regulation applies and in respect of whom a transfer value had been paid previously by the Committee to a personal pension scheme or a personal pension arrangement any part of which transfer value was attributable to membership before 1st April 1972, then the period of membership which may be counted under regulation K15(1) shall be apportioned as membership in the same proportions as it would have been had the woman become or remained a member of the Scheme throughout the relevant period.

 - (d) is paid following an application made to the Committee before the expiry of the period of twelve months beginning with the date on which the person becomes a member,
- regulation K16 does not apply and the period mentioned in regulation K15(1)(a) shall be equal to the period which, if used to calculate a transfer value to be paid to a club scheme, would produce an amount equal to the transfer value received by the Committee.

(3) In making the calculation referred to in paragraph (2), regard shall be had—

- (a) to the person's age,
- (b) to the rate of remuneration used by the trustees or managers of the scheme making the payment in determining its amount,

 - (c) no previous increase has been made under this regulation in relation to that service,
- the sum due to him under regulation C21(1) shall be increased by an amount equal to the return of contributions (including any interest), which would have been paid to him under his non-local government scheme in respect of that service in the circumstances specified in sub-paragraph (b), if it had been paid when the transfer value was received by the Committee.

(2) Where compound interest is payable on the contributions due to be so returned, compound interest calculated at the same rate and in the same manner shall also be payable on the amount of the increase under paragraph (1) for the period beginning with the date on which the transfer value was received by the Committee and ending with the date on which he ceased to be employed in the employment in which he was a member.

(3) Nothing in paragraphs (1) and (2) confers any entitlement to an increase on account of contributions which were returned to, and were not subsequently repaid by, the person who paid them.

(4) Where—

- (a) a sum due under regulation C21(1) is increased under paragraph (1) by an amount equal to the whole of the person's contributions in connection with the service to which the transfer value relates, and
- (b) that is the only service to which the transfer value relates,

his right to count a period of membership under regulation K15(1)(a) on account of the transfer value shall be extinguished when the increased payment is made.

(5) Where—

- (a) a sum due under regulation C21(1) is increased under paragraph (1), and
- (b) paragraph (4) does not apply,

then, when the increased payment is made, the period of membership the person is entitled to count under regulation K15(1)(a) on account of the transfer value is reduced to the appropriate fraction of the period of membership which he was entitled so to count before the payment was made.

(6) In paragraph (5) “the appropriate fraction” means the fraction of which—

- (a) the numerator is the period he is entitled to count under regulation K15(1)(b) (“the K15(1)(b) period”) reduced by the period of service on account of which the increase under paragraph (1) is made, and
- (b) the denominator is the K15(1)(b) period.

(7) For the purpose of calculating the reduction under paragraph (5)—

- (a) the period of service mentioned in paragraph (6)(a) shall count at its actual length; and
- (b) all periods are to be expressed in years and fractions of a year.

Provision of information, charging and prescribed persons

K20.—(1) For the purposes of Article 164(1) of the Pensions Order (prescribed circumstances in which information may be provided) (“the prescribed circumstances”) the prescribed circumstances are that the individual to whom the information relates, or, where he has died, his personal representatives, has requested or consented in writing to the provision of the information.

(2) For the purposes of Article 164(1) of the Pensions Order (persons to whom information may be provided and the imposition of reasonable fees in respect of expenses incurred in providing that information) the prescribed persons are those persons described in paragraph 1 of Schedule K2.

(3) For the purposes of Article 164(2) of the Pensions Order (persons on whom fees may be imposed in respect of administrative expenses incurred in connection with admission, readmission or payment) the prescribed persons are the persons referred to in paragraph 2 of Schedule K2.

(4) For the purposes of Article 164(4) of the Pensions Order (person prescribed in place of the Department in the case of an occupational pension scheme under Article 9 of the Order of 1972) the Committee is a prescribed person.

(5) Where—

- (a) information is requested by a prescribed person in the prescribed circumstances in relation to an individual to whom regulation K17 applies for the purpose of establishing what payment would need to be made to the Scheme in respect of the individual to restore the position to what it would have been if the individual had been an active member of the Scheme throughout the period in question (“the restitution payment”), or
- (b) an individual to whom regulation K17 applies, applies to become a member of the Scheme or applies to have a restitution payment accepted having become a member of the Scheme after the period in question

the Committee shall calculate the restitution payment in accordance with the provisions of paragraphs 3 to 5 of Schedule K2.

Transfers of certain members who are eligible to join approved non-local government schemes

Certain members who become subject to other pension schemes in the same employment

K21.—(1) This regulation applies to a person if—

- (a) he is a member by virtue of being an employee to whom an admission agreement applies;
- (b) the body employing him in that employment (“the relevant employment”) can make other provision for his superannuation under an approved non-local government scheme;
- (c) he gives written notice to that body (and to the Committee, if different) that he wishes this regulation to apply to him and it consents to its doing so.

(2) When a person to whom this regulation applies becomes subject in the relevant employment to an approved non-local government scheme (“the new scheme”), he shall be treated for the purposes of these regulations (except regulations C23 (return of contributions) and K2 to K13) as having ceased to hold the relevant employment.

(3) Unless a person to whom this regulation applies has given notice under regulation K22(3)(b), he may, on the actual termination of the relevant employment (but not before), request the payment of a transfer value under regulation K2.

(4) If a transfer value is requested as mentioned in paragraph (3)—

- (a) regulations K2 to K13 apply as if the person had continued to be employed in his local government employment until the date of the actual termination of the relevant employment, and
- (b) regulations K5, K7 and K8 apply as if his local government employment had ended on the day before he became subject to the new scheme.

Requests for transfer payments: regulation K21 employees and employees of ineligible employers

K22.—(1) This paragraph applies—

- (a) to a person who ceases to be a member because—
 - (i) the undertaking in which he is employed is transferred to a body which is not a LGPS employer nor a body which has entered into an admission agreement; or
 - (ii) the body by which he is employed ceases to be a LGPS employer or a body which is party to an admission agreement,
 and in respect of which the body employing him after the transfer date can make other provision under an approved non-local government scheme; and
- (b) to a person to whom regulation K21 applies;

and in this regulation “the transfer date” means—

- (i) in the case of a person within paragraph (a)(i), the date of the undertaking,
- (ii) in the case of a person within paragraph (a)(ii), the date his employer ceases to be such an employer as there mentioned, and
- (iii) in the case of a person within paragraph (b), the date on which he becomes subject to an approved non-local government scheme.

(2) A person within paragraph (1)(a) shall be treated for the purposes of these regulations as having ceased to hold his employment on the transfer date.

(3) Where—

- (a) a person to whom paragraph (1) applies has not attained state pensionable age on the transfer date; and
- (b) before that date or, with the consent of his employing authority, the Committee and the scheme managers of the transferee scheme, before the expiry of the period of twelve months or such longer period as is agreed by those persons beginning with that date—
 - (i) he gives written notice to the Committee (and to his employing authority) that he wishes to transfer his pension rights under these regulations to the transferee scheme, and
 - (ii) the scheme managers of the transferee scheme, the Committee (and his employing authority) have each consented,

then, subject to paragraph (6), the Committee shall set aside the appropriate part of the fund (“the transfer payment”), whether in cash or in assets or both, and pay or transfer it to the scheme managers of the transferee scheme for the benefit of the relevant beneficiaries.

(4) For the purposes of paragraph (3), the appropriate part of the fund is the amount determined by the Scheme’s actuary (on the basis of actuarial assumptions specified by him) to be equal to the value at the transfer date of the actual and potential liabilities of the fund which have then accrued in respect of the relevant beneficiaries, after making such adjustments as he thinks fit as respects—

- (a) any period between the transfer date and the date of actual payment of the transfer value; and
- (b) such other matters as he thinks fit;

and in paragraph (3) and this paragraph “relevant beneficiaries” means the member or members in respect of whom the transfer payment is made and those persons who under these regulations are or may become entitled to benefit through him or them.

(5) The employing authority shall bear the costs of determining the appropriate part of the fund and apportioning the fund or, if there is more than one employing authority involved, each shall bear such part of the costs as the Scheme’s actuary determines.

(6) Where a transfer payment in respect of a person is made under paragraph (3)—

- (a) if the transferee scheme is contracted-out and the scheme managers undertake to accept liability for that person’s guaranteed minimum pension, no deduction shall be made for that pension from the transfer payment;
- (b) otherwise, there shall be deducted from it the amount of any contributions equivalent premium payable pursuant to section 51(2) of the Pension Schemes (Northern Ireland) Act 1993,

and such amount shall be used either in paying such a premium or, if the Committee thinks fit, in preserving the liability for the guaranteed minimum in the fund; and

- (c) the Committee—
 - (i) shall certify to the scheme managers of the transferee scheme the amount included in the transfer payment which represents the person’s contributions and interest on them, and
 - (ii) may require them to undertake to treat only those amounts as employee’s contributions in the transferee scheme.

(7) The Committee—

- (a) shall provide the person transferring his pension rights with sufficient information in writing to check that the pension rights he will acquire under the new scheme are at least equivalent to those which he would have obtained if a transfer value had been paid to the scheme managers of the transferee scheme under regulation K2; and

(b) shall not consent under paragraph (3)(b)(ii) unless it is satisfied of that fact.

(8) Where a transfer payment is to be or has been made under this regulation, no other payment or transfer of assets shall be made out of the fund on account of service or employment to which the transfer payment under this regulation relates.

(9) Paragraph (8) applies notwithstanding anything in the former regulations and these regulations.

(10) In this regulation “undertaking” has the same meaning as in the Transfer of Undertakings (Protection of Employment) Regulations 1981(44).

Part L

Pension Fund and Payments by Employers

The pension fund

Continuation of existing superannuation fund

L1. The superannuation fund maintained immediately before the commencement date under the 1992 regulations shall continue to be maintained for the purposes of these regulations by the Committee.

Accounts audit and annual report

Accounts audit and annual report

L2.—(1) The Committee shall keep accounts of all income and expenditure of the fund.

(2) The Secretary of the Committee shall make up the accounts of the income and expenditure of the Committee to the end of each financial year and shall forward three copies of a statement of such accounts duly signed and dated by him to the Department not later than 30th June after the expiration of the financial year to which the accounts relate.

(3) The accounts kept by the Committee shall be audited annually by a local government auditor who shall report on the accounts audited and shall send his report, together with two audited copies of the statement of such accounts duly signed by him, to the Department within 14 days after completion of the audit.

(4) The Department on receipt of the auditor’s report and the audited copies of the statement of accounts shall send a copy of such report and statement of accounts to the Secretary of the Committee who shall—

(a) lay such copy of the report and statement of accounts before the next meeting of the Committee; and

(b) forward a copy of such report and statement of accounts as aforesaid to each employing authority.

(5) The local government auditor may require—

(a) the production before him of all books and documents of the Committee which he thinks necessary for the purpose of the audit;

(44) S.I. 1981/1794; regulation 2(1) was partially repealed by the Trade Union Reform and Employment Rights Act 1993 (c. 19), sections 33(1), (2), 51, Schedule 10

- (b) any person holding or accountable for any such book or document to appear before him at the audit or any adjournment thereof; and
- (c) any such person to make and sign a declaration as to the correctness of the book or document.

(6) The Committee shall annually at such time as the Department may direct make to it a report of its proceedings during the preceding year, and the Department shall lay a copy of such report before the Assembly.

Valuations and rates of contributions and adjustments

Valuations of fund

L3.—(1) The Committee—

- (a) shall obtain an actuarial valuation of the assets and liabilities of the fund as at 31st March in the year 2001 and in every third year afterwards, together with a report by the actuary; and
- (b) shall for that purpose provide the actuary with the consolidated revenue account of the fund and such other information as he may require.

(2) Unless the Department allows an extended period, the valuation and report are to be obtained within 12 months from the date as at which the valuation is made.

(3) Immediately the Committee receives any such valuation and report it shall—

- (a) send copies of them—
 - (i) to the Department,
 - (ii) to each body whose employees contribute to the fund, and
 - (iii) to any other body which is or may become liable to make payments to the fund in respect of pensions; and
- (b) send to the Department—
 - (i) a copy of the consolidated revenue account with which the actuary was provided, and
 - (ii) a summary of the assets of the fund at the date as at which the valuation was made (unless such summary is contained in the report).

(4) Where an admission agreement ceases to have effect, the Committee shall obtain an actuarial valuation as at the date of the cessation of the agreement of the liabilities of the employing body as respects the fund and shall send copies of it to that body and to the Department.

Actuary's certificates

L4.—(1) The Committee shall, as soon as is reasonably practicable after obtaining a valuation from an actuary under regulation L3(1) or (4), obtain from him a certificate specifying—

- (a) the common rate of employer's contribution, and
- (b) any individual adjustments,

for each year of the period of three years beginning with 1st April in the following year.

(2) For the purposes of paragraph (1), the common rate of employer's contribution is the percentage of the remuneration of its employees who are members which should in the actuary's opinion be paid to the fund by all bodies whose employees contribute to it so as to ensure its solvency, having regard—

- (a) to the existing and prospective liabilities of the fund arising from circumstances common to all those bodies, and

(b) to the desirability of maintaining as nearly constant a rate as possible.

(3) An individual adjustment is any percentage or amount by which in the actuary's opinion contributions at the common rate should in the case of a particular body be increased or reduced, having regard to existing or prospective liabilities of, or of benefits accruing to, the fund arising from circumstances peculiar to that body.

(4) Immediately the Committee receives a certificate under this regulation it shall send a copy of it—

- (a) to the Department,
- (b) to each body whose employees contribute to the fund, and
- (c) to any other body which is or may become liable to make payments to the fund in respect of pensions.

Employers' liability to make payments

Employer's contributions

L5.—(1) An employing authority shall contribute to the fund in each year of any period of three years for which a certificate is required under regulation L4(1), a sum equal to the presumed contribution for that year, increased or, as the case may be, reduced in accordance with any individual adjustment specified for the year in respect of the body under regulation L4(1)(b).

(2) The employing authority shall, during each year of every such period as is mentioned in paragraph (1), pay to the fund at the end of each of the intervals determined under regulation L7, on account of the sum required by paragraph (1) to be paid in that year, a sum equal to the presumed contribution for that interval, increased or, as the case may be, reduced by—

- (a) any percentage, or
- (b) a part, proportionate to the length of the interval, of any amount expressed in money terms,

that has been specified as an individual adjustment for the year in respect of the body under regulation L4(1)(b).

(3) For the purposes of paragraphs (1) and (2), the presumed contribution for any period for an employer is a sum equal to the common percentage for the year in question of the remuneration on which contributions have during that period been paid to the fund under regulation C3, C5 or C6 by its employees who are members; and in this paragraph "the common percentage" means the common rate of employer's contribution specified under regulation L4, expressed as a percentage.

(4) Where a standard retirement pension and standard retirement grant are payable under regulation D6, the employing authority shall pay to the Committee such an amount as may be actuarially determined which represents the cost to the Committee of paying such pension and grant before the member has attained normal retirement age.

(5) If all or part of any sum due under paragraph (2) or (4) remains unpaid at the end of the period of 10 days after the date on which it becomes due, the Committee may require the employing authority to pay interest on the amount remaining unpaid, calculated at one per cent. above base rate on a day to day basis from the due date of payment to the date of payment, and compounded with three-monthly rests.

Employer's further payments

L6.—(1) Where immediately before the commencement date any payments remained to be made by an employee and his employer under regulation 43 (added years) of the 1981 regulations his employing authority shall, so long as he remains in its employment, pay to the fund—

- (a) contributions equal to the amounts payable by the employee in respect of his obligations under that regulation by virtue of Schedule C5 or Schedule M2, and
- (b) any payments equal to those payments determined under regulation 43(6) of the 1981 regulations,
- (c) where the amounts payable by the employee—
 - (i) were reduced under proviso (ii) to regulation 43(3) of the 1981 regulations or the corresponding proviso of the former regulations, or
 - (ii) were or are reduced by virtue of the payment of a lump sum under regulation 43(4) of 1981 regulations or Schedule 7 to the 1992 regulations or paragraph 4 of Schedule C4 to these regulations,

contributions equal to the amounts that would have been payable by the employee but for the reduction.

(2) Where—

- (a) on the employee's ceasing to hold his employment the employing authority agrees to pay a sum under paragraph 4A(5)(45) of Schedule 10 to the 1981 regulations (as deemed by virtue of paragraph 9 of Schedule C5 to have continued to have effect); and
- (b) the employee pays the required amount for the purposes of that paragraph,

the employing authority shall pay the agreed sum to the fund before the end of the period of one month beginning on the date of the employee's payment.

(3) If all or part of the agreed sum remains unpaid at the end of that period, the Committee may require the employing authority to pay interest on the amount remaining unpaid, calculated at one per cent. above base rate on a day to day basis from the day after the end of the period to the date of payment, and compounded with three-monthly rests.

(4) Any extra charge on the fund resulting from a resolution under regulation D7 (increase of reckonable service) of the 1992 regulations or regulation B15 of these regulations (increase of membership) shall be repaid to the fund by the employing authority concerned.

Payments by employing authorities to the Committee

L7.—(1) Every employing authority other than the Committee shall pay to the Committee, at such intervals of not more than 12 months as the Committee may determine (but in the case of the amounts mentioned in sub-paragraph (a) not later than the time required under Article 49(8) of the Pensions Order—

- (a) all amounts from time to time deducted from the remuneration of its members under these regulations;
- (b) any amount received by it under regulation C7, by deduction from remuneration or otherwise, during the interval; and
- (c) any extra charge payable under regulation L6(1) to (3), the amount of which has been notified to it by the Committee during the interval.

(2) Subject to paragraph (3), every payment under paragraph (1)(a) is to be accompanied by a statement showing—

- (a) the name and remuneration of each of the members in relation to whom the payment is made;

(45) Paragraph 4A(5) was inserted by regulation 13 of the Local Government (Superannuation) (Amendment) Regulations (Northern Ireland) 1986 (S.R. 1986 No. 294)

- (b) which of those members are paying additional voluntary contributions under regulation C24 or continuing to pay instalments under regulation C7 of the 1992 regulations (as continued in effect by paragraph 1 of Schedule C5);
- (c) the amounts comprised in the payment which represent deductions from the remuneration of each of those members and the periods in respect of which the deductions were made;
- (d) which of those amounts are amounts representing deductions in respect of such contributions or instalments as are mentioned in paragraph (b);
- (e) the amount of the remuneration of those members from or in respect of whom deductions have not been made; and
- (f) the names of any members from whose remuneration no deductions have been made.

(3) The Committee may direct that, instead of complying with paragraph (2), the employing authorities making payments to it under paragraph (1)(a) are to provide it with the information mentioned in paragraph (2) in such form, and at such intervals of not more than 12 months, as may be specified in the direction.

(4) If all or part of any sum due under this regulation remains unpaid at the end of the period of 10 days after the date on which it becomes due, the Committee may require the employing authority concerned to pay interest, calculated and compounded as mentioned in regulation L5(5).

(5) Payments made in pursuance of paragraph (1) shall be carried to the fund.

Transfers, recovery and retention from the fund in misconduct cases

Transfer of sums from the fund to compensate for former member's misconduct

L8.—(1) This regulation applies where—

- (a) a person (“the former employee”) has ceased to hold an employment in which he was a member in consequence of—
 - (i) an offence of a fraudulent character, or
 - (ii) grave misconduct,
 in connection with that employment;
- (b) the body which was his employing authority in that employment (“the former employing authority”) has suffered direct financial loss by reason of the offence or misconduct, and
- (c) the former employee—
 - (i) became entitled to benefits under Part D and a direction has been given under regulation H4(1), or
 - (ii) he did not become so entitled and his total period of membership is less than two years.

(2) Where this regulation applies and the former employing authority is the Committee, it may retain an appropriate amount in the fund.

(3) Where this regulation applies and the former employing authority is not the Committee, the Committee shall, subject to paragraph (5), pay the former employing authority an appropriate amount out of the fund if requested to do so.

(4) For the purposes of paragraphs (2) and (3), an appropriate amount is an amount which does not exceed—

- (a) the amount of the direct financial loss, or
- (b) the amount of any contributions which could have, but have not, been returned to the former employee, or paid to his spouse or a dependant, under regulation C21(4).

(5) Where a payment in lieu of contributions is due or has been made in respect of the former employee, the Committee may reduce a payment under paragraph (3) by half the amount of the payment in lieu of contributions.

(6) If, after making a payment under paragraph (3), the Committee is required to pay a transfer value in respect of the former employee, the former employing authority shall repay the Committee the amount of that payment if requested to do so.

Recovery or retention where former member has misconduct obligation

L9.—(1) This regulation applies where a person (“the former employee”)—

- (a) has ceased to hold an employment, in respect of which he was or had at some time been a member, in consequence of a criminal, negligent or fraudulent act or omission on his part in connection with that employment;
- (b) has incurred some monetary obligation, arising out of that act or omission, to the body which was his employing authority in that employment (“the former employing authority”); and
- (c) is entitled to benefits under Part D.

(2) Where this regulation applies the former employing authority may recover or retain out of the fund the amount of the monetary obligation, or if less, the actuarial value, at the time of the recovery or retention, of all rights enjoyed by or in respect of the former employee under these regulations with respect to his previous membership (other than rights enjoyed by virtue of the receipt of a transfer value from the scheme managers of a non-local government scheme or the trustees or managers of a personal pension scheme, a self-employed pension arrangement, a retirement annuity contract or an appropriate policy).

(3) The power under paragraph (2) may not be so exercised as to deprive a person of his guaranteed minimum pension or, in the event of his leaving a surviving spouse, deprive that spouse of any widow’s or widower’s guaranteed minimum pension, unless the person ceased to hold his employment in consequence of—

- (a) an offence of treason, or
- (b) one or more offences under the Official Secrets Acts 1911 to 1989⁽⁴⁶⁾ for which he has been sentenced on the same occasion to a term of imprisonment of, or to two or more consecutive terms amounting in the aggregate to, at least 10 years.

(4) The former employing authority shall give the former employee—

- (a) not less than three months’ notice of the amount to be recovered or retained under paragraph (2); and
- (b) a certificate provided by the Committee showing the amount so recovered or retained, the manner in which it is calculated, and the effect of the recovery or retention on his benefits or prospective benefits.

(5) If there is any dispute as to the amount of the monetary obligation mentioned in paragraph (1) (b), the former employing authority may not recover or retain any amount under paragraph (2) until the obligation has become enforceable under an order of a competent court or the award of an arbitrator.

(2) Any payment which the Committee is required to make as a result of a person's taking a right to a cash equivalent under Chapter IV of that Part shall be made out of the fund.

Pension increases under the Pensions (Increase) Act (Northern Ireland) 1971 and the Pensions Increase (Northern Ireland) Order 1974

L12.—(1) Where a LGPS employer pays a contributions equivalent premium under section 51 of the Pension Schemes (Northern Ireland) Act 1993 in respect of any member, it is entitled to recover, or if it is the Committee to retain, out of the fund a sum not exceeding the amount of that premium, less the amount (if any) which it could recover or retain under section 57 of that Act in respect of the premium.

(2) Where a contributions equivalent premium is refunded under regulation 23(3)(c) of the Occupational Pension Schemes (Contracting-out) Regulations (Northern Ireland) 1985⁽⁵⁰⁾, the Committee shall credit to the fund a sum equal to the amount of the premium.

Part M

Miscellaneous and General Provisions

Modification in special cases

Modifications of regulations in special cases

M1. Schedule M1 has effect for the purposes of modifying these regulations in their application in the cases there mentioned.

Information and records

Information to be supplied by certain employees

M2.—(1) Subject to paragraph (4)—

- (a) within 3 months after a person becomes a member of the Scheme, and
- (b) within 6 months after any change which is material for the purposes of these regulations occurs in or in relation to a person's employment under a LGPS employer in relation to which he is a member of the Scheme,

the LGPS employer shall request the person in writing to provide it with the documents specified in paragraph (2).

(2) The documents mentioned in paragraph (1) are—

- (a) a statement in writing of all the person's previous periods of employment whether by a LGPS employer or by any other employer; and
- (b) copies of all notifications previously given to him under these regulations, or the former regulations.

(3) A request under paragraph (1) shall include a conspicuous statement—

- (a) directing the member's attention to the importance of his providing full and accurate information, and
- (b) warning him that any omission or inaccuracy may prejudice the ascertainment of his rights under these regulations.

(4) Paragraph (1) does not apply if the LGPS employer is satisfied that it, or the Committee, already has a complete and accurate record of any previous service or employment which is material for the purposes of these regulations.

Records to be kept by employing authorities and the Committee

M3.—(1) A LGPS employer is to keep, in such form as it thinks fit, a record of—

- (a) the name of, and
- (b) all its decisions under regulation J2(1) in relation to,

each of its employees who is a member, or a prospective member.

(2) The Committee is to keep, in such form as it thinks fit, a record of—

- (a) the name of, and
- (b) all its decisions under regulation J2(2) in relation to,

every member.

(3) In this Part, “prospective member” has the same meaning as in regulation J11.

Transmission of documents and information

M4.—(1) A LGPS employer other than the Committee is to send to the Committee, as soon as is reasonably practicable—

- (a) copies of all documents provided under regulation M2,
- (b) copies of all notifications of decisions made under regulation J2(1), and
- (c) such other documents and information as the Committee may reasonably require for the purpose of discharging its functions under these regulations.

(2) A LGPS employer other than the Committee—

- (a) on receiving from a member or former member notice of his intended retirement, or
- (b) on giving an employee who is a member or former member notice to terminate his employment in circumstances in which he may become entitled to a return of contributions or to a benefit payable out of the fund, or
- (c) on becoming aware of any other circumstances which may necessitate any payment out of the fund,

shall, as soon as is reasonably practicable—

- (i) inform the Committee of the notice or, as the case may be, other circumstances,
- (ii) send it particulars of the member’s or former member’s remuneration during the period that is relevant to a decision on the amount of the benefit that may become payable to or in respect of him, and
- (iii) send it a copy of any relevant medical or death certificate and of any certificate issued by the body under paragraph 4 of Schedule D1 (reduction in remuneration).

(3) When the Committee notifies a person who is not in its employment of a decision under regulation J2(2), it shall send a copy of the notification to the body, if any, which is the employing authority in relation to that person.

Supplementary provisions

Right to opt out

M5.—(1) Where—

- (a) apart from this regulation, any provision of these regulations, which re-enacts with any modification any provision revoked by these regulations, would place any person to whom a relevant benefit is or may become payable in a worse position in relation to that benefit than that he would have been in if that modification had not been made, and
- (b) that person so elects, by notice in writing given to the Committee within the period of six months beginning with the commencement date,

then, subject to paragraph (3), these regulations shall have effect, in relation to him and to that benefit, as if these regulations had re-enacted the revoked provision without modification.

(2) In this regulation—

“relevant benefit” means a benefit payable to, or in respect of, a person who before the commencement date—

- (a) ceased to hold an employment in respect of which he was a member (whether or not he has subsequently become a member again); or

- (b) died while in such employment; and
- “benefit” includes a return of contributions and any pension payable to a widow, widower or any dependant by virtue of a surrender.
- (3) If an election under paragraph (1) is made in relation to a benefit in respect of a person who is a member, or subsequently becomes a member again—
- (a) the election shall have effect in relation to the benefit only to the extent that it accrues or has accrued by virtue—

SCHEDULE C1

Regulation C1

Further provisions concerning meaning of “remuneration”

Part-timers

1. For the purpose of calculating a member’s standard contributions under regulation C3, the remuneration of a part-time employee for any period (other than a period during which he was absent from duty by reason of illness or injury with reduced or no remuneration) is to be taken to be the remuneration he would have received if during that period he had worked no more and no less than the contractual hours.

Statutory payments during absence

2. Subject to paragraph 3(b), for the purpose of calculating a member’s standard contributions under regulation C3, any reduction in remuneration by reason of the actual or assumed enjoyment by the employee during any period of absence from duty of any statutory entitlement shall be disregarded.

3. For the purposes of regulation C6—

- (a) a woman's remuneration includes any statutory maternity pay payable to her under the Social Security Contributions and Benefits (Northern Ireland) Act 1992⁽⁸³⁾, and
- (b) in calculating the contributions which an employee would have been required to make under regulation C3,

regard shall be had to any reduction in her remuneration during a period of maternity absence by reason of the actual or assumed enjoyment of such statutory maternity pay.

4. In regulation C7 "remuneration" does not include any guarantee payment under the Employment Rights (Northern Ireland) Order 1996.

5. For the purpose of calculating the amount of any benefit payable under these regulations to a person to whom regulation C8 applies, his remuneration in respect of any period of his relevant service (as defined in that regulation) shall be deemed to be the amount by reference to which the calculation would have been made if he had continued to be employed in his former employment.

Additional periodical payments: "remuneration for the time being"

6.—(1) Subject to sub-paragraph (2), for the purposes of regulations C11(1) and C15(1), in relation to any additional periodical payment falling to be paid by a member, his remuneration for the time being is the remuneration received by him for the interval at the end of which the payment falls to be paid.

(2) For the purposes of sub-paragraph (1)—

- (a) a member is to be taken to have received for any period for which, while a contract of employment subsisted, he was absent from duty with reduced or no remuneration (otherwise than by reason of illness or injury) the remuneration that he would have received but for his absence from duty, and
- (b) any reduction in remuneration by reason of the actual or assumed enjoyment by the member during any period of absence from duty (other than a period of maternity absence), of any statutory entitlement shall be disregarded.

Power to agree notional remuneration

7.—(1) A LGPS employer may from time to time enter with the bodies or persons representative of any class or description of its employees into an agreement specifying the method by which there shall be determined—

- (a) an amount representing the whole of the remuneration, in respect of the period during which the agreement remains in force, of a member of that class or, as the case may be, an employee of that description, or
- (b) such part of his remuneration in respect of that period as is so specified.

(2) Where such an agreement is in force, then the whole or, as the case may be, the specified part of the remuneration of an employee who is a member of the class or, as the case may be, is of the description specified, shall, in respect of the period during which that agreement remains in force and the employee remains in employment with the LGPS employer in question as an employee of that class or description, be deemed for the purposes of these regulations to be the amount determined in accordance with the method specified.

(3) Where a LGPS employer enters into an agreement under sub-paragraph (1), it shall notify in writing all its employees who are members of a class or, as the case may be, an employee of a description, to which the agreement relates, including in the notification a conspicuous statement

⁽⁸³⁾ 1992 c. 7 (N.I.)

directing the attention of the employee to the place where he may obtain information about details of the agreement.

- (4) The notification required by sub-paragraph (3) shall be sent to an employee—
 - (a) if he is in the employment of the LGPS employer on the date the agreement was made, as soon as is reasonably practicable after that date; and

SCHEDULE C3

Regulation C24

Additional voluntary contributions**Making and variation of elections**

- 1.—(1) An election by a member to pay contributions under regulation C24 shall specify—
 - (a) the amount of the additional contributions which he wishes to pay (expressed either as a percentage of his remuneration or as a sum payable at the times mentioned in paragraph 4); and
 - (b) the proportion (if any) of the contributions which he wishes to be used to provide benefits payable in the event of death.
- (2) A member who has made an election under regulation C24 may at any time elect—
 - (a) to vary the amount of his contributions or the proportion of them that he is to continue to pay which are to be used to provide benefits payable on death; or
 - (b) to discontinue those contributions.
- (3) An election by a member under regulation C24 or this paragraph shall be made by notice given in writing to the member's employing authority.

Payment and amount of AVCs

2.—(1) The Committee may require, before any contributions are first made pursuant to the election, that the amount of the contributions payable under regulation C24 in any tax year shall be not less than the amount specified in regulation 2(8) of the Pension Schemes (Voluntary Contributions Requirements and Voluntary and Compulsory Membership) Regulations (Northern Ireland) 1987(84).

(2) The amount of the contributions payable in any tax year is limited in accordance with paragraph 5 of Schedule C4.

3. No contributions shall be payable under regulation C24 with respect to any period—
- (a) during which the person contributing is not a member, or
 - (b) subject to paragraph 4, after the time when he ceases to be employed by the employing authority to which notice was given under paragraph 1.
4. Contributions under regulation C24 shall normally be payable on the member's usual pay day.

Functions of employing authorities and the Committee

5.—(1) As soon as an employing authority receives a notice under paragraph 1 it shall forward it to the Committee.

(2) The Committee shall give effect to a notice under paragraph 1 as soon as reasonably practicable, and in any event—

- (a) in the case of a notice under paragraph 1(1), so that the member may begin to pay his contributions under paragraph 4 before the expiry of the period of six months beginning with the date on which he gives notice, and
- (b) in the case of a notice under paragraph 1(2), so that the member may pay his contribution at the varied amount or in the varied proportions, or, as the case may be, cease to pay his contributions, before the expiry of the period of three months beginning with that date.

6.—(1) Where a notice under paragraph 1 specifies that all or part of the contributions are to be used to provide benefits payable in the event of death, the Committee shall make arrangements for the provision of those benefits under a pension policy.

(2) The pension policy shall provide that the Committee is to make payments to the insurance company with which the policy is entered into of the same amounts as the contributions to be used as mentioned in sub-paragraph (1) within one month of the day on which they are payable by the member under paragraph 4.

- (3) The policy shall—
- (a) be subject to the conditions mentioned in paragraphs 2 and 3 of this Schedule;
 - (b) allow the member to vary his election under paragraph 1(2);
 - (c) make provision for the arrangements mentioned in paragraphs 10 to 14 and 21 in the event of a change of employment by the member or, as the case may be, potential overpayment.
- (4) Where—
- (a) a person to whom regulation C8 applies was before the commencement of his relevant service (as defined in that regulation) paying contributions to be used to provide benefits payable in the event of death, and
 - (b) he has not elected to discontinue those contributions,

the Committee shall continue to make the appropriate payments in respect of him during the period of his relevant service in accordance with the arrangements made under this paragraph.

7.—(1) The Committee shall invest with a relevant body any contributions which are not to be used to provide benefits payable in the event of death.

(2) Subject to sub-paragraph (3) and paragraphs 10 to 16, on the member ceasing to be a member of the Scheme the Committee shall as soon as reasonably practicable apply the accumulated value of the contributions invested as mentioned in sub-paragraph (1) to the provision of additional pension benefits under a pension policy.

(3) If the member dies before such a policy is entered into, the accumulated value shall be payable to his personal representatives.

(4) The contributions invested in accordance with sub-paragraph (1) shall not be used to provide benefits in the form of a lump sum unless—

- (a) the aggregate of the pension benefits provided under Parts D to G and the additional pension benefits provided by the pension policy mentioned in sub-paragraph (2) do not exceed the annual rate or amount referred to in regulation H5; and
- (b) the pension benefits provided under those Parts are being compounded in accordance with that regulation.

8. The benefits under a pension policy entered into under paragraph 6 or 7 shall be money purchase benefits the value of which is reasonable having regard to the amount of the contributions paid.

9. The Committee—

- (a) shall consult the member before entering into a pension policy under paragraph 6 or 7; and
- (b) shall give effect, so far as is practicable and subject to paragraph 8, to his wishes with respect to the benefits to be provided under it.

Changes of employment in which membership is continued

10.—(1) If a member—

- (a) ceases to be employed by the employing authority to which notice was given under paragraph 1(1);
- (b) was making payments of additional contributions up to the date of cessation, and
- (c) before the expiry of the period of one month and one day beginning with that date enters a new employment in which he is also a member;

he may elect that his election to pay contributions under regulation C24 should continue to have effect.

(2) An election under sub-paragraph (1) shall be made by notice given in writing to the member's new employing authority before the expiry of the period of one month beginning with the date on which the new employment begins.

11. As soon as the new employing authority receives a notice of election under paragraph 10 it shall forward it to the Committee.

12.—(1) Subject to sub-paragraph (2), the member shall, with effect from the next pay day after the day on which notice was given under paragraph 10, make payments of contributions under regulation C24 in his new employment under his notice under paragraph 1(1) (as it has effect for the time being).

(2) No payment of contributions under regulation C24 shall be made with respect to the period (if any) between the two employments mentioned in paragraph 10.

13. The Committee shall in respect of contributions made under regulation C24 by the member in his new employment—

- (a) apply any continuing contributions, which are specified to be used to provide benefits payable in the event of death, towards the pension policy mentioned in paragraph 6; and
- (b) continue to invest all contributions paid by him and not specified to be so used in the manner mentioned in paragraph 7.

14. Paragraphs 7(2) and 10 to 16 shall have effect in relation to a cessation of the new employment as if the new employment were the one in relation to which notice was given under paragraph 1(1).

Cessation of membership or employment

15.—(1) Where a person who has given notice under paragraph 1(1) of an election under regulation C24 to his employing authority—

- (a) has ceased to be employed by that authority; or
- (b) has ceased to be a member without ceasing to be so employed,

he may elect to have the accumulated value of the invested additional contributions mentioned in paragraph 7(2), used—

- (i) in the case mentioned in paragraph (a), in one or more of the ways mentioned in sub-paragraph (2); and
- (ii) in the case mentioned in paragraph (b) in one or both of the ways mentioned in paragraphs (b) and (e) of that sub-paragraph.

(2) The ways referred to in sub-paragraph (1) are—

- (a) to subscribe to an occupational pension scheme;
- (b) to subscribe to a personal pension scheme;
- (c) to subscribe to a self-employed pension arrangement;
- (d) to purchase an appropriate policy from one or more insurance companies; or
- (e) to subscribe to an additional voluntary contributions scheme.

16. Where a person receives a refund under regulation C21 as a consequence of ceasing—

- (a) to be employed by an employing authority; or
- (b) to be a member,

he must receive immediate payment of the accumulated value of the invested additional contributions mentioned in paragraph 7(2).

17. Paragraph 3 shall not preclude a member who has again become employed by a LGPS employer (and has not elected under paragraph 10) making a fresh election under regulation C24 by notice under paragraph 1 in relation to his new employment.

Separate treatment of AVCs from other contributions

18. Regulations C21 and C23 (return of contributions) and paragraphs 3 and 4 of Schedule C4 (limitations on contributions) do not apply to contributions payable under (or interest on late payments which relate to contributions under) regulation C24.

19. The making of contributions under regulations C24, and any rights or liabilities arising under a pension policy entered into under paragraphs 6 or 7, shall be left out of account in calculating

the amount of a transfer value payable under Part K; and regulations H4 (forfeiture etc.) and L9 (recovery or retention) and Part J (decisions and appeals) do not apply in relation to benefits under such a policy.

Inward transfer of AVC rights

20.—(1) A member may, when giving a notice under regulation K14(1), also give written notice to the Committee that he wishes it to accept a transfer value relating to some or all of the rights to benefits arising out of an additional voluntary contributions provision or an additional voluntary contributions scheme to be used to provide money purchase benefits as specified in paragraphs 6, 7 and 8.

(2) Where such a notice is given the transfer value shall be accepted and so used by the Committee, and paragraphs 6 to 9, 18 and 19 shall apply in relation to the transfer value as they apply to contributions, except that for references to a notice under paragraph 1(1) or (2) there shall be substituted a reference to the notice under sub-paragraph (1).

Over-provision: calculation and return of surplus funds

21.—(1) The Committee shall comply—

- (a) with the requirements of regulation 5 of the Retirement Benefits Schemes (Restriction on Discretion to Approve) (Additional Voluntary Contributions) Regulations 1993⁽⁸⁵⁾, and
- (b) if the Scheme is the leading scheme in relation to a member, with the requirements of regulation 6 of those regulations, so far as they concern main schemes.

(2) Where any surplus funds fall to be repaid in accordance with regulation 6 of those regulations, the Committee shall make the repayment to the member (or, if he has died, to his personal representatives)—

- (a) where the over-provision relates to the benefit payable in the event of death, out of the accumulated value of the payments made by the Committee with respect to the pension policy under paragraph 6, and
- (b) where any other benefit is abated, out of the accumulated value of the additional contributions mentioned in paragraph 7(2).

(3) In this paragraph—

- “leading scheme” and “main schemes” have the meanings given in regulation 2 of those regulations; and
- “surplus funds” has the meaning given in regulation 6 of those regulations.

Restrictions on membership period used for calculating amounts of benefits

8.—(1) Subject to paragraph 10 for the purpose of calculating the amount of any benefit under Part D—

 - (i) in the case of a Class A member, exceeds 40 years; and
 - (ii) in the case of a Class B member or a Class C member, is membership before he attains the age of 60 years and exceeds 40 years, and

exceeds—

- (i) in the case of a Class A member, 40 years, or

1.—(1) Without prejudice to Schedule M2 to these regulations, where immediately before the commencement date any payments remained to be made (or were deemed to be due) under a provision of the 1992 regulations which is re-enacted in these regulations, they shall be deemed to be payments due under the corresponding provision of these regulations.

(2) Without prejudice to the generality of sub-paragraph (1), any payments remaining to be made under a provision of the 1992 regulations specified in column (1) of the Table below (including any payments treated as being made under any such provision by virtue of regulation C10(1) of those regulations), shall be deemed to be payments due under the provision of these regulations specified in column (2).

Table

<i>Column (1)</i> <i>1992 regulations</i>	<i>Column (2)</i> <i>These regulations</i>
Regulation C2	Regulation C5
Regulation C3	Regulation C7
Regulation C5	Regulation C9
Regulation C9	Regulation C13
Regulation C11	Regulation C24

(3) Subject to any contrary provision made by these regulations and, in particular, the following provisions of this Schedule, where—

- (a) immediately before 1st March 1993 any payments remained to be made under regulation C10 of the 1992 regulations, or
- (b) immediately before the commencement date any payments remained to be made under a provision of the 1992 regulations specified in paragraph (4) (including any payments treated as being made under any such provision by virtue of regulation C10(1) of those regulations),

then, notwithstanding the revocations made by these regulations—

- (i) those payments remain payable;
- (ii) in so far as any provisions which immediately before the commencement date have effect in relation to those payments are not re-enacted in these regulations, they shall be deemed to have continued in effect in relation to those payments (with such modifications as may be appropriate); and
- (iii) where any such provisions are so re-enacted, the corresponding provision of these regulations shall continue to have effect in relation to them.

(4) The payments mentioned in paragraph (3)(b) are payments under the following provisions of the 1992 regulations—

- (a) regulation C6 (additional payments by certain pensionable employees in respect of previous service);
- (b) regulation C7 (additional payments in respect of previous part-time service);

- (c) regulation C9 (payments to avoid reduction of retiring allowance or death grant, where election to make payment by lump sum or instalments).

(5) The following provisions of this Schedule are without prejudice to the generality of this paragraph.

Counting of extra membership periods on completion of payments begun under earlier provisions

2. Without prejudice to paragraph 7 of Schedule M2—

- (a) where paragraph 1(1) applies, on the making or, as the case may be, the completion or discontinuance of any payments deemed to be due under regulation C9, a member is entitled to count additional membership in accordance with regulation C9(1);
- (b) on the making or as the case may be the completion or discontinuance of any such payments as are mentioned in paragraph 1(4) or paragraph 1(5) (“the relevant event”) a member is entitled to count additional membership to the same extent as if the relevant event had occurred—
 - (i) in the case of the payments mentioned in paragraph 1(4), before 1st March 1993; and
 - (ii) in the case of the payments mentioned in paragraph 1(5), before the commencement date.

Part-timers buying additional periods

3.—(1) Notwithstanding any other provision in these regulations where immediately before the commencement date paragraph 6 of Schedule 9 to the 1981 regulations (amount payable by a part-time employee purchasing additional periods of reckonable service to be calculated by reference to remuneration in a single comparable whole-time employment) is deemed to have applied in accordance with sub-paragraph (3) as respects the amount to be paid by an employee, then, subject to regulation C12(5)—

- (a) the period which he is entitled to count as a period of membership, and
- (b) the payments to be made by him,

shall continue to be calculated in the same manner as was applicable immediately before the commencement date.

(2) Where—

- (a) immediately before the commencement date a pensionable employee in whole-time employment was making payments under regulation C5 of the 1992 regulations in order to reckon an additional period as reckonable service, and
- (b) on that date that employment ceases to be whole-time and becomes part-time employment by virtue only of the amendment of any definitions by these regulations,

then—

- (i) nothing in these regulations shall affect the period which he is entitled to count as a period of membership by virtue of his having made payments before the commencement date calculated in accordance with the 1992 regulations, and
- (ii) without prejudice to any variation of the election which may be agreed between him and his employing authority or to any relevant change in his circumstances after that date—
 - (I) payments made by him on or after that date shall be made by reference to his actual remuneration for the time being, but

(II) the period of membership which he is entitled to count by virtue of them shall continue to be calculated on the same basis as if his employment were a whole-time employment.

(3) Paragraph 6 of Schedule 9 to the 1981 regulations is deemed to have applied from the 1st March 1993 to immediately before the commencement date.

Additional payments by certain members in respect of previous service

4. Without prejudice to the previous provisions of this Schedule the revocation of regulation C6 of the 1992 regulations (additional payments by certain members in respect of previous service) shall not affect its operation as respects anything which immediately before the commencement date remains to be done under that regulation, and payments made under that regulation are to be treated for the purposes of these regulations as if they consisted of contributions made under regulation C3 in respect of employment in relation to which the person was a member.

5.—(1) Without prejudice to the previous provisions of this Schedule, a person who has made, or whose widow or widower has made, one or more payments under regulation C7(15) or (19) of the 1992 regulations is entitled to count as a period of membership in whole-time service an additional period of an amount equal to the appropriate proportion of the additional period specified in the notice of election under regulation C7(5) of the 1992 regulations.

(2) In sub-paragraph (1) the “appropriate proportion” means the proportion which the person’s contractual hours of employment as at the relevant date (within the meaning of paragraph 2 of Schedule 10 to the 1992 regulations) bears to the contractual hours of a comparable whole-time employment as at that date.

(3) Where a person has become entitled under sub-paragraphs (1) and (2) to count an additional period as a period of membership in whole-time service by virtue of a lump sum payment having been made in accordance with regulation C7(19) of the 1992 regulations—

- (a) the additional period shall be treated as having been able to be counted at the time when the person ceased to be a member; and
- (b) the person shall be entitled to receive, within one month after making the lump sum payment, a sum equal to the additional amount he would have received if any benefits already paid to him had been calculated by reference to the increased period of membership.

(4) Regulation C17 (notice to discontinue contributions) applies to payments under regulation C7(15) of the 1992 regulations as it applies to the payments there mentioned, and a person who so discontinues such payment shall be entitled to count under sub-paragraphs (1) and (2) as membership in whole-time service an additional period equal to the appropriate proportion of the length of the period of membership in whole-time service which he would have been entitled to count under that paragraph if payment had been completed.

(5) Where a person began to make payments under regulation C7(15) of the 1992 regulations but ceases to be a member before he has completed payment of the sum payable by him under regulation C8(9) of those regulations—

- (a) if he so ceases on his death or on ceasing to hold his employment by reason of permanent ill-health or infirmity of mind or body, he shall be treated as having completed payment of that sum;
- (b) except where paragraph (c) applies, if he so ceases for any other reason he shall be entitled to count under sub-paragraphs (1) and (2) as membership in whole-time service an additional period equal to the appropriate proportion of the period of membership in whole-time service which he would have been entitled so to count if payment had been completed; and

(c) if he so ceases by reason of his ceasing to be employed by a LGPS employer and within one month after the date on which he so ceases he pays the Committee a capital sum equal to the total of the instalments remaining unpaid, he shall then be treated as having completed payment.

(6) In sub-paragraphs (4) and (5) “appropriate proportion” means the proportion which the aggregate of the total amount paid by way of instalments under paragraph (15) of regulation C7 of the 1992 regulations and this paragraph and the amount paid or payable by the employing authority under paragraph (13) or, as the case may be, paragraph (14) of that regulation and under this paragraph bears to the total sum payable by him and his employing authority under those provisions.

Incomplete payments under provisions saved by this Schedule

6. Regulation C20 (effect of opting out of membership on certain additional payments) applies where a person is by virtue of this Schedule continuing to make additional periodical payments in pursuance of the 1992 regulations or the 1981 regulations as it applies where he has elected to make payments under regulation C9, C13 or C14.

7. Regulation C19(7) shall apply to a person who has given notice under paragraph (2) of regulation C8 of the 1992 regulations (discontinuance of payments under regulation C5 of those regulations on making an election under regulation C7 of those regulations) as if payment of additional contributions under regulation C8 had been discontinued under regulation C18.

Continuing provision relating to payments originally made under the 1981 regulations

8. Without prejudice to paragraph 1, Schedule 10 to the 1981 regulations shall be deemed to have continued to have effect in relation to any payments under regulation 43 of the 1981 regulations which remain payable by virtue of paragraph 1.

Reduction of added years

9. Notwithstanding the revocation of regulation D8 of the 1992 regulations (reduction of added years reckonable on payment as reckonable service), in so far as that regulation is capable of continuing to have effect it shall continue to do so.

Reduction of returned contributions in certain cases

10. Notwithstanding the revocation of regulation C17 of the 1992 regulations (reduction of returned contributions following payment in lieu of contributions), in so far as that regulation is capable of continuing to have effect it shall continue to do so.

SCHEDULE D1

Regulation D1

Further provisions about pensionable remuneration

Increase of pensionable remuneration where not all relevant period is a period of membership

1. Where a person is entitled to count as a period of membership in relation to the employment which he ceases to hold only part of the year specified in regulation D1(2)(a), his pensionable remuneration is his remuneration during that part multiplied by 365 and divided by the number of days in that part.

Optional alternative relevant periods

2.—(1) Where the circumstances mentioned in any of paragraphs 3 to 5 apply, then if—

- (a) the member or former member so elects, or
- (b) in the event of his death, the Committee so determines,

for the purposes of regulation D1 the relevant period is the period mentioned in that paragraph.

(2) An election under sub-paragraph (1) shall be made by a notice in writing given by the member or former member to the Committee not later than one month after he is notified under regulation J4 of his entitlement to a benefit.

(3) Where a person dies while still in local government employment or without having made an election under sub-paragraph (1), the Committee may give a determination in respect of any matter as to which an election under sub-paragraph (1) may have been made by him.

3. Subject to paragraphs 4 and 5, where a person is not entitled to count the whole of the period which would otherwise be the relevant period under regulation D1(2)(a) as a period of membership because he has been absent from duty (otherwise than by reason of illness or injury), the relevant period is the last 365 days which he is entitled to count as a period of membership.

4.—(1) Where a reduction in a member's remuneration is certified as material under this paragraph, then the relevant period is—

- (a) such one of the last 5 of the 13 years ending with the day on which he ceases to be a member, or
- (b) such consecutive 3 of those 13 years,

as he may elect (or, in a case within paragraph 2(3), as may be determined by the employing authority).

(2) Where by virtue of this paragraph the relevant period is a period of 3 consecutive years, the member's pensionable remuneration is the aggregate of his remuneration during that period divided by three.

(3) Subject to sub-paragraph (7), where a member suffers a material reduction in remuneration he is entitled to be issued with a certificate to that effect by the employing authority.

(4) A member suffers a reduction in remuneration if—

- (a) the remuneration of an employment which he continues to hold is reduced, or
- (b) he is transferred to another employment under the same LGPS employer at a reduced remuneration.

(5) Subject to sub-paragraph (6), a reduction in remuneration is only material if it is such that the member's pensionable remuneration would be likely to be less if the relevant period were the period applicable under regulation D1(2)(a) than if it were the period applicable under sub-paragraph (1).

(6) A reduction in remuneration is not material if—

- (a) it did not result from circumstances beyond the member's control, or
- (b) it was temporary, or
- (c) it consisted in the termination of, or a reduction in, a temporary increase in remuneration.

(7) The employing authority may issue a certificate without an application from the member, but need not issue a certificate if he does not apply for one within 12 months after the date of reduction.

(8) A certificate issued under this paragraph is to specify the date of the material reduction and the authority is to keep, for 10 years from that date, a record of the certificate including such information as would be necessary for applying sub-paragraph (1).

5. Where the member's pensionable remuneration would be higher if either of the two years immediately preceding the period applicable under regulation D1(2)(a) were the relevant period instead of that period, the relevant period is whichever of those years yields the highest amount.

Periods of absence

6. If during the 13 years ending with the day mentioned in regulation D1(2)(a) the member's remuneration was reduced or suspended during absence from duty—

- (a) if the reduction or discontinuance was by reason of illness or injury, or
- (b) if it was otherwise than by reason of illness or injury and he—
 - (i) made contributions under regulation C5 (leave of absence), C6 (maternity absence) or a payment under regulation C7 (absence due to trade dispute), or
 - (ii) contributed under regulation 14(4) or (5) of the 1981 regulations or the corresponding provisions of the former regulations,

he is for the purposes of regulation D1 and this Schedule to be treated as having received for any period in respect of which he made such contributions or payment the remuneration which he would have received but for the reduction or discontinuance.

Part-timers

7. Subject to regulations E7 and F1(3) and paragraph 9(2) of Schedule M2, for the purposes of regulation D1 and this Schedule, a member is, in respect of any period of part-time local government employment, to be treated as having received the remuneration which would have been paid in respect of a single comparable whole-time employment.

Multiple employments

8. Where—

- (a) a person was at any time employed in a single local government employment ("the first employment"),
- (b) he becomes entitled to a benefit in relation to one of two or more concurrent local government employments ("the second employment"), and
- (c) his remuneration in the first employment becomes material for the purpose of calculating that benefit,

that remuneration shall for that purpose be reduced to such amount as bears the same relation to it as the annual rate of remuneration of the second employment at the date when he ceased to hold that employment bears to the total of the annual rates of remuneration of all the concurrent employments at that date.

Fee earners

9. Where the whole or a part of the member's remuneration consists of fees, his pensionable remuneration in respect of them is the annual average of the fees earned by him—

- (a) during the period of three years ending with the last day of the period which is the relevant period for the purposes of regulation D1,
- (b) during such more favourable period, of more than three but not more than five years, ending with the last day of the period which is the relevant period for the purposes of regulation D1, as his last employing authority may allow, or

- (c) if he was entitled to receive fees during part only of the period mentioned in paragraph (a), during that part of the period.

Employees with notional remuneration

10.—(1) Where—

- (a) any of a member's remuneration during the period which is the relevant period for the purposes of regulation D1 was determined in accordance with an agreement under paragraph 7 of Schedule C1 (notional remuneration),
- (b) his average weekly earnings from his local government employment in that period (other than payments for overtime and payments by way of bonus) are within the relevant limits, and
- (c) his pensionable remuneration would be greater if determined by reference to those earnings,

his pensionable remuneration is to be determined by reference to those earnings.

(2) For the purposes of sub-paragraph (1) earnings are within the relevant limits if they—

- (a) exceed by more than 50 per cent. the lower earnings limit at the end of the relevant period, and
- (b) do not exceed the upper earnings limit at the end of that period.

(3) In this paragraph "lower earnings limit" and "upper earnings limit" have the same meaning as in the Pension Schemes (Northern Ireland) Act 1993.

SCHEDULE D2

Regulation D2(3)

Reduction in standard retirement grant on account of contingent spouse's pension

1. Subject to paragraph 4, where—

- (a) a person who is a married man has a period of membership before 1st April 1972; and
- (b) a widow's pension may become payable in respect of him under Part F,

the standard retirement grant is reduced by two-eightieths of his pensionable remuneration, multiplied by the length in years of that period of membership.

2.—(1) Subject to paragraph 4, where—

- (a) a woman has a period of membership of which notice has been given under paragraph 1(1) of Schedule F1 and which is or is treated for the purposes of this paragraph as being a period of membership before 1st April 1972, and

(b) either—

- (i) she is a married woman and a widower's pension may become payable under Part F in respect of that service, or
- (ii) she is a widow or a woman whose marriage has been dissolved and the death or, as the case may be, the dissolution occurred after 31st March 1972,

the standard retirement grant is reduced by three one hundred and sixtieths of the pensionable remuneration, multiplied by the length in years of any such membership as is mentioned in paragraph (a).

(2) For the purposes of this paragraph a period of membership which a person is entitled to count under regulation K15 shall be treated as being a period of membership after 31st March 1972 if the relevant transfer value was accepted after 5th April 1988.

3.—(1) Subject to paragraph 4, where the person—

- (i) is a widower;
- (ii) is judicially separated from his wife; or
- (iii) is a man whose marriage has been dissolved;

the standard retirement grant is reduced by two eightieths of his pensionable remuneration, multiplied by the length in years of any period of membership before 1st April 1972, or, if earlier, the date of the death, separation or dissolution.

4. In calculating any reduction under paragraph 1, 2 or 3, no account shall be taken of any period of membership in respect of which payment under regulation C13 has been or is to be treated as having been completed.

SCHEDULE D3

Regulation D7(2)

Additional membership in cases of ill-health

“Relevant service” and “relevant membership period”

1.—(1) For the purposes of this Schedule—

- (a) a member’s relevant service is so much of his contributing service and non-contributing service as did not consist of years added to his service—
 - (i) under regulation 43 of the 1981 regulations, or
 - (ii) the corresponding provisions of the former regulations,
- (b) a member’s relevant membership period is the total of—
 - (i) any period of membership deriving from relevant service which became reckonable service by virtue of regulations 39 and 40(1)(a) of the 1981 regulations, and
 - (ii) any subsequent period of membership (other than a period excluded by sub-paragraph (2)),
- (c) in sub-paragraph 1(b)(ii) “subsequent period of membership” does not include an additional period purchased by lump sum or additional contributions except, subject to sub-paragraph (d) below, the additional period was purchased on or after 1st November 1991 under regulation 11 of the Local Government (Superannuation) (Amendment No. 2) Regulations (Northern Ireland) 1991(97) or regulation C7 of the 1992 regulations, and
- (d) where the additional membership period to which a person is to be treated as being entitled would be a longer period if, in calculating a person’s relevant membership period, an additional period purchased under regulation 11 of the Local Government (Superannuation) (Amendment No. 2) Regulations (Northern Ireland) 1991 or under regulation C7 of the 1992 regulations were to be disregarded instead of being taken into account, the additional period so purchased shall be disregarded.

(2) The subsequent period of membership mentioned in sub-paragraph (1)(b)(ii) does not include an additional period purchased by a lump sum or additional contributions unless—

(97) S.R. 1991 No. 418 inserted regulation 46A into the 1981 regulations

- (a) it was purchased on or after 1st November 1991 under regulation 46A of the 1981 regulations or under regulation C7 of the 1992 regulations as continued in effect by Schedule C5, and
- (b) taking that period into account results in an increase in the additional period.

Calculation of additional membership period

2.—(1) Subject to paragraphs 3 and 4, the additional membership period is—

- (a) in a case where the length of the relevant membership period is less than 10 years, a period equal to the length of the relevant membership period; and
- (b) in any other case—
 - (i) the period by which the length of the relevant membership period falls short of 20 years, or
 - (ii) if longer, 6 243/365 years.

(2) The additional membership period is not to exceed the period by which the member's period of membership would have been increased if he had continued in the employment which he has ceased to hold until—

- (a) he attained the age of 65 years, or
- (b) if earlier, the date when his period of membership amounted to 40 years.

Alternative additional periods

3.—(1) Subject to paragraph 4, where before entering the employment which he has ceased to hold the person had, on ceasing to hold a previous employment, become entitled to benefits—

- (a) under regulation D7(1) or regulation E2(1)(b)(i) of the 1992 regulations, or
- (b) under regulation 9(1)(a)(i) of the 1962 regulations, and regulation 18(1)(b)(i) of the 1981 regulations,

the additional period in relation to a person shall be a period calculated as mentioned in paragraph 2, but—

- (i) on the assumption that his relevant membership period includes his relevant membership period (or, as the case may be, the period of his relevant service) in relation to the previous employment, and
- (ii) with the deduction of the appropriate period.

(2) In sub-paragraph (1)(ii) “the appropriate period” means—

- (a) in the case mentioned in sub-paragraph (1)(a), the additional period which became reckonable in relation to the previous employment by virtue of regulation D7(2) and this Schedule or, as the case may be, regulation E3(9) of and Schedule 9 to the 1992 regulations, and
- (b) in the case mentioned in sub-paragraph (1)(b), if the person's retirement pension in respect of a previous employment was calculated under the proviso to regulation 10(1) of the 1962 regulations before the amendment of those regulations by the Local Government (Superannuation) (Amendment) (No. 2) Regulations (Northern Ireland) 1973(98)—
 - (i) the period by which his relevant service fell short of 20 years, or
 - (ii) the period by which it would have been increased if he had continued in the previous employment until he reached the age of 65 years, as the case may be.

Part-timers

4.—(1) Where—

- (a) the whole of a member's relevant membership period is in respect of part-time service, and
- (b) the reduction under regulation B14(1)(b) is by the same proportion in respect of the whole period,

the additional membership period shall be determined in accordance with paragraphs 1 to 3 by reference to the period which would be the relevant membership period if the reduction required by regulation B14(1)(b) were not made ("the unreduced period"), and then the period resulting from the application of those provisions shall be reduced as mentioned in that regulation.

(2) Where—

- (a) the whole of a member's relevant membership period is in respect of part-time service, and
- (b) different proportionate reductions fall to be made under section B14(1)(b) in respect of different parts of the relevant membership period,

the additional membership period shall be determined in accordance with paragraphs 1 to 3 by reference to the period which would be the relevant membership period if the reductions required by regulation B14(1)(b) were not made ("the unreduced period"), and then—

- (i) the period resulting from the application of those provisions shall be apportioned between the different parts mentioned in sub-paragraph (b) in proportion to the respective lengths of the parts of the unreduced period attributable to each of them,
- (ii) each such apportioned part of the unreduced period shall be reduced as mentioned in that regulation, and
- (iii) those reduced periods shall be aggregated together.

(3) Subject to sub-paragraph (4), where part only of a member's relevant membership period is in respect of part-time service, the additional membership period for the whole of his relevant membership period shall be determined in accordance with paragraphs 1 to 3 (and, in so far as the membership in respect of part-time service is concerned, by reference to the unreduced period), and then the period resulting from the application of those provisions ("the aggregate unreduced period") shall be reduced by multiplying it by the fraction of which—

- (a) the numerator is the member's relevant membership period, determined, in so far as any membership in respect of part-time service is concerned, with the reduction required by regulation B14(1)(b) (and, where different proportionate reductions fall to be made under regulation B14(1)(b) in respect of different parts of the relevant membership period, determining the overall reduction as mentioned in sub-paragraph (2) above), and
- (b) the divisor is the aggregate unreduced period.

(4) Where—

- (a) apart from this sub-paragraph, sub-paragraph (3) would apply, and
- (b) the member's relevant membership includes not less than 13 $\frac{121}{365}$ years in respect of whole-time service,

then sub-paragraph (3) shall not apply.

(5) Where a member is in part-time service and his contractual hours are determined as mentioned in sub-paragraph (iii) of the definition of "contractual hours" in regulation B3(4), (non-cyclical fluctuation) then, for the purposes of this paragraph—

- (a) the lengths of the parts of the relevant membership period by reference to which different proportionate reductions fall to be made under regulation B14(1)(b) shall be determined by reference to the periods mentioned in that sub-paragraph, and

- (b) the reduction under that regulation in respect of any such period shall be made by reference to the contractual hours over that period as determined under that sub-paragraph.

SCHEDULE D4

Regulation D14(7)

Procedure for surrender of part of retirement pension

1. The Committee shall send to each person who becomes eligible to surrender part of his retirement pension, on his first becoming so eligible, a notice stating—

- (a) that provision has been made by these regulations for the surrender of part of a retirement pension to a spouse or dependant; and
- (b) that he may, on application to the Committee, obtain further information on the subject.

2.—(1) Subject to sub-paragraph (3), where a person wishes to make a surrender he may within the relevant period notify the Committee in writing of his wish to surrender a part of that retirement pension.

(2) In sub-paragraph (1) “the relevant period” in relation to a member or former member, means—

- (a) in the case of a person who on ceasing to hold his employment becomes entitled to a retirement pension (in this Schedule referred to as “a retiring employee”) not more than two months before or within one month after the date on which he ceases to be employed; and
- (b) in the case of a person who would, if he were to retire from his employment, become entitled to a retirement pension (in this Schedule referred to as “a continuing employee”), within two months before or at any time after becoming a continuing employee and while he is still employed.

(3) Where the Committee is satisfied that it has not been reasonably practicable for a retiring employee to notify his wish to surrender a part of a retirement pension within the relevant period owing to circumstances beyond his control, it may extend that period to a date not more than six months after the date on which he ceases to be employed.

3.—(1) Subject to sub-paragraphs (2) and (3), where the Committee receives a notification given by a person under paragraph 2, it shall—

- (a) immediately arrange for him to be examined at his own expense by a registered medical practitioner nominated by it and for a report to be given to it by the practitioner stating whether, in his opinion that person is in good health for his age; and
- (b) require the person to furnish at his own expense—
 - (i) a certificate of his birth (except where the date of birth has been duly recorded by the Committee and is not disputed);
 - (ii) where the beneficiary is the person’s spouse, the spouse’s birth certificate and their marriage certificate;
 - (iii) where the beneficiary is a dependant, the dependant’s birth certificate and such evidence as may be appropriate to prove dependency,

and any other information or evidence which the Committee considers necessary.

(2) Where the report under sub-paragraph (1)(a) is to the effect that the person is not in good health, the Committee shall notify him accordingly and offer him an opportunity of a further examination at his own expense by some other registered medical practitioner nominated by it with a view to that practitioner reporting to it on the state of the person’s health.

(3) If for any reason a birth or marriage certificate cannot be supplied as mentioned in sub-paragraph (1), the Committee may accept such other evidence of birth or marriage as it thinks fit in order to determine the age or, as the case may be, the marital status of the person concerned.

4.—(1) Subject to the provisions of this Schedule, unless

- (a) the Committee is of the opinion, on consideration of a report obtained by it under paragraph 3, that the person to whom the report relates is not in good health; or
- (b) it is of the opinion that the evidence produced concerning marriage or dependency is not satisfactory,

it shall—

- (i) allow the surrender of such part of the retirement pension as is specified in the person's notification and as is in conformity with this Schedule; and
- (ii) grant to the beneficiary named in the notification a pension, payable in the event of the beneficiary's surviving the person and to be calculated in accordance with regulation D14(4).

(2) Where—

- (a) a person is named as spouse in the notification given under paragraph 2; and
- (b) the Committee is dissatisfied with the evidence of marriage, but is satisfied, on the evidence already before it or after making such further inquiries as it thinks necessary, that the named person is a dependant of the person who gave the notification,

it shall treat the notification as if the person named in it as spouse had been named as a dependant of the person giving the notification.

(3) A decision by the Committee to allow a surrender by a retiring employee shall not be made before the date on which he ceases to be employed, and a decision by the Committee to allow a surrender by a continuing employee shall not be made before the date on which he becomes such an employee.

(4) As soon as is reasonably practicable after deciding whether to allow a surrender of any part of the retirement pension of a person who has given it a notification under paragraph 2, the Committee shall—

- (a) notify him of its decision; and
- (b) if it has allowed a surrender, furnish him—
 - (i) with a statement as to the amount of the pension to which the beneficiary may become entitled after his death; and
 - (ii) if the person who gave the notification under paragraph 2 is a retiring employee, with a statement as to the amount of the reduced retirement pension to which he is entitled.

(5) A notification of a decision not to allow a surrender shall state the grounds for the decision.

(6) A notification sent to a person under sub-paragraph (4) shall, if it has been posted in a prepaid envelope addressed to him, be deemed to have been received by him at the time at which a letter would be delivered in the ordinary course of post.

5. A person who has given a notification under paragraph 2 of his wish to surrender a part of his retirement pension may, at any time before he has received notification from the Committee of its decision, cancel or amend that notification by a notice in writing addressed to the Committee and posted in a prepaid envelope to, or left at its offices.

6.—(1) A notification given by a person under paragraph 2 shall become null and void if—

- (a) the beneficiary dies before the person receives notification from the Committee that his surrender has been allowed; or

- (b) the person dies at any time before midnight on the day on which the Committee decides to allow the surrender.
- (2) Subject to sub-paragraph (1), a surrender allowed in pursuance of a notification given by a person shall have effect as from the date on which the person ceases to hold his employment.

SCHEDULE D5

Regulations D15, E6, F1, F9

Re-employed pensioners**Part I****Reduction of Retirement Pension****Application of Part I**

1.—(1) Subject to sub-paragraph (3), this Part applies to a person who, since becoming entitled to a retirement pension in relation to a former employment, has entered a new employment with a LGPS employer.

(2) In this Part “retirement pension” includes an annual pension under the former regulations and a retirement pension under the 1992 regulations.

(3) This Part does not apply where the new employment is employment by virtue of which the person is entitled to participate in benefits provided under regulations made under Article 11 of the Order of 1972~~(99)~~ (superannuation of teachers).

General reduction rule

2. Subject to paragraphs 3, 7 and 9, while the person holds the new employment the annual rate of the retirement pension is reduced—

- (a) if the annual rate of remuneration of the new employment, equals or exceeds the indexed annual rate of remuneration of the former employment, to zero; and
- (b) otherwise, by the amount (if any) which is necessary to secure that the potential receipts during the new employment do not exceed the indexed annual rate of remuneration of the former employment.

3. Where within the last 12 months of the former employment the person held another concurrent employment with any LGPS employer, which he has ceased to hold without becoming entitled to a retirement pension in relation to it, and either—

- (a) he has ceased to hold the concurrent employment after ceasing to hold the former employment; or
- (b) he has ceased to hold the concurrent employment first, and entered the new employment within 12 months after ceasing to hold the concurrent employment,

then—

- (i) if he does not devote substantially more of his time to the new employment than he devoted to the concurrent employment during the 12 months before he ceased to hold it, the annual rate of the retirement pension is not reduced; and

- (ii) in any other case, paragraph 2 applies as if the indexed annual rate of remuneration of the former employment included the indexed annual rate of remuneration of the concurrent employment.
4. In paragraphs 2 and 3—
- (a) references to the indexed annual rate of remuneration of the former or, as the case may be concurrent employment are to the sum of—
 - (i) the annual rate of that remuneration; and
 - (ii) the amount (if any) by which, immediately before the first day of the new employment, that remuneration would have been increased if it had been the rate of an official pension (within the meaning of the Pensions (Increase) Act (Northern Ireland) 1971)(100) beginning on and payable from the day after the last day of the former or, as the case may be, the concurrent employment; and
 - (b) “the potential receipts during the new employment” means the sum of—
 - (i) the annual rate of remuneration of the new employment;
 - (ii) the reduced rate of the retirement pension; and
 - (iii) the amount (if any) by which that reduced rate would, immediately before the first day of the new employment, have been increased under that Act, if it had then been the rate of the retirement pension (assuming that pension had by then qualified for increases under that Act).
- 5.—(1) For the purposes of this Part, subject to sub-paragraph (2), the annual rate of remuneration of an employment is—
- (a) if it is a former employment in respect of which the person is entitled to a retirement pension under these regulations, the 1981 regulations or the 1992 regulations—
 - (i) in the case of fixed-rate emoluments, the rate of any such emoluments on the last day of the period which is the relevant period for the purposes of regulation D1; and
 - (ii) in the case of fees, the average rate of any fees during the period by reference to which pensionable remuneration fell to be calculated under paragraph 9 of Schedule D1;
 - (b) if it is a former employment in respect of which the person is entitled to a retirement pension otherwise than as mentioned in sub-paragraph (a)—
 - (i) in the case of fixed-rate emoluments, the rate of any such emoluments on the last day of employment; and
 - (ii) in the case of fees, the average rate of any fees during the period, within the last three years of employment, during which fees were receivable.
 - (c) in the case of the new employment—
 - (i) in the case of fixed-rate emoluments, the annual rate of such emoluments on the first day of employment;
 - (ii) in the case where fees are receivable but were not receivable in the former employment, a rate agreed by the person and the body employing him or, in default of agreement, a rate determined by the Department;
 - (iii) in the case where fees are receivable and were receivable in the former employment, subject to sub-paragraph (3), the annual rate of those fees, ascertained in accordance with sub-paragraphs (a)(ii) and (b)(ii).

- (2) For the purposes of sub-paragraph (1)(a) and (b), where—
- (a) the person's remuneration in the former employment was at any material time reduced or discontinued by reason of his absence from duty; and
 - (b) the absence was due to illness or injury or he made contributions or payments under regulation 14(4) of the 1981 regulations, the corresponding provisions of the former regulations, regulation C2 or C3 of the 1992 regulations or regulation C5, C6 or C7 ,

then—

- (i) any reduction or discontinuance of fixed-rate emoluments is to be disregarded, and
 - (ii) any fees are to be averaged over a period of the same length as the period mentioned in sub-paragraph (1)(a) or (b), but ending immediately before the reduction or discontinuance.
- (3) If the annual rate of remuneration of the new employment ascertained in accordance with this paragraph is less than that of the former employment, the annual rate of any fees ascertained in accordance with sub-paragraph (1)(c)(iii) is to be reduced proportionately.

Alteration of terms in new employment

6. If—
- (a) the person's contractual hours in a new employment are altered; or
 - (b) he is transferred to another post under the same employing body at a different remuneration,

this Part applies as if he had again entered a new employment.

Proportional reduction in cases of two or more pensions

7. If this Part applies to two or more retirement pensions, each is reduced in proportion to its amount.

Duty to inform employers of application of Part I

8. A person who has become entitled to a retirement pension shall—
- (a) inform any LGPS employer with whom he proposes to accept a new employment that he is so entitled; and
 - (b) immediately he enters a new employment notify the Committee in writing that he is doing so.

Part II

Combined Benefits

Election for application of Part II

- 9.—(1) Subject to sub-paragraph (2) and paragraphs 10 and 14, where—
- (a) a person has become entitled to a retirement pension (“the first pension”),
 - (b) after becoming so entitled he entered further employment which was or became local government employment, and
 - (c) he has ceased to hold the further employment and has become entitled in relation to it to a retirement pension (“the second pension”),

he may, by notice in writing to the Committee, given within three months after the date on which he became entitled to the second pension, elect that this Part is to apply to him.

(2) Sub-paragraph (1) does not apply if the first pension is a pension—

- (a) to which the person became entitled under regulation D18, or
- (b) which is reduced under regulation D13.

(3) In this Part “retirement pension” includes an annual pension under the former regulations and a retirement pension under the 1992 regulations.

New entitlement to single pension

10. Subject to paragraphs 11 to 13, a person to whom this Part applies is to be treated as having, on the date on which the second pension became or becomes payable—

- (a) ceased to be entitled to the first pension and the second pension; and
- (b) become instead entitled to payment of an annual retirement pension (“the annual pension”) and a lump sum payment (“the lump sum”) each calculated by reference to both his total period of membership in the further employment and the total period of membership taken into account in calculating the first pension.

11. If in conjunction with the first pension the person was entitled to a retirement grant—

- (a) in calculating the lump sum no account is to be taken of any additional period excluded in accordance with regulation D2(2)(ii) from the calculation of the retirement grant,
- (b) if he has not received the grant before becoming entitled as mentioned in paragraph 10(b), he ceases to be entitled to it,
- (c) if he has received the retirement grant—
 - (i) he is only entitled to payment of the excess, if any, of the lump sum over the retirement grant, and
 - (ii) if the retirement grant exceeds the lump sum, he is only entitled to the annual pension if, within three months after giving notice under paragraph 9, he pays an amount equal to the excess to the Committee.

12. If—

- (a) the first pension was, and
- (b) the second pension would not have been,

subject to reduction under Part V of the 1981 regulations or regulation H2 the annual pension is subject to reduction by the same amount as the first pension.

13. If part of the first pension was surrendered under regulation D14—

- (a) the annual pension is to be treated as having been surrendered to the same extent, and
- (b) any resulting pension becoming payable on the person’s death is to be paid by the Committee.

14. In relation to a person who—

- (a) before 1st April 1972—
 - (i) became entitled to an annual pension under the former regulations, and
 - (ii) again became a contributory employee, and
- (b) has not since he again became a contributory employee had a disqualifying break in service,

this Part has effect as if references to the first retirement pension were references to that annual pension and references to a retirement grant were references to a retiring allowance under the former regulations.

Part III

Separate Benefits

Application of Part III

- 15.—(1) This Part applies to a person who—
- (a) has become entitled to a retirement pension (a “previous pension”),
 - (b) after becoming so entitled entered further local government employment,
 - (c) has ceased to hold the further employment and has become entitled in relation to it to a retirement pension (an “additional pension”), and
 - (d) has not become entitled to the annual pension mentioned in Part II.
- (2) In this Part “retirement pension” includes—
- (a) a retirement pension under the 1992 regulations, and
 - (b) an annual pension under the former regulations.

Modifications to usual benefit rules

- 16.—(1) If—
- (a) on the person’s ceasing to hold an employment in relation to which he became entitled to a previous pension (a “previous employment”) regulation D7 applied, and
 - (b) paragraph 3 of Schedule 9 to the 1992 regulations applied,
- regulation D7(2) does not apply on his ceasing to hold any further employment.
- (2) If regulation D7 did not apply on the person’s ceasing to hold a previous employment, but does apply on his ceasing to hold a further employment, paragraph 2(1) of Schedule D3 applies with the substitution for paragraphs (a) and (b) of the words “6 243/365 years”.

Benefits on and after death

- 17.—(1) Subject to sub-paragraph (2), if when the person dies regulation E3(2) applies, it applies with the omission of the words from “the greater of” to the end of paragraph (a).
- (2) If the person who dies became entitled to a previous pension or to an additional pension—
- (a) by virtue of regulation D9, in a case where there was no entitlement under any previous regulation of Part D,
 - (b) by virtue of regulation D11, or
 - (c) by virtue of regulation E2(1)(c) or (e) of the 1992 regulations,
- then—
- (i) if his previous and additional pension benefits equal or exceed his relevant previous or additional pensionable remuneration, there is no entitlement under Part E to a death grant in relation to the further employment, and

- (ii) otherwise, the amount of that death grant (as calculated in accordance with that Part) is reduced by the amount, if any, by which it exceeds the difference between the amount of those benefits and that remuneration.
- (3) For the purposes of sub-paragraph (2)—
 - (a) a person's "previous and additional pension benefits" are the total of—
 - (i) every death grant payable in relation to any previous employment, calculated in accordance with Part E,
 - (ii) payments made in respect of every previous pension,
 - (iii) every retirement grant to which the person became entitled in conjunction with any previous pension,
 - (iv) any payments made in respect of the additional pension, and
 - (v) any retirement grant to which the person became entitled in conjunction with the additional pension,including in each case any increase under the Pensions (Increase) Act (Northern Ireland) 1971, and
 - (b) a person's "relevant previous or additional pensionable remuneration" is the greater of—
 - (i) the aggregate obtained by taking for each previous pension the amount of the pensionable remuneration by reference to which it was calculated and the amount by which that amount would have been increased if it had been the rate of an official pension (within the meaning of the Pensions (Increase) Act (Northern Ireland) 1971) beginning on and payable from the day after the last day of the relevant previous employment, and
 - (ii) the amount of the pensionable remuneration by reference to which the additional pension was calculated.

Part IV

Surviving Spouses' and Children's Benefits

- 18.—(1) This paragraph applies where—
- (a) a person was entitled to a retirement pension (other than one which was reduced under regulation D13),
 - (b) after becoming so entitled he entered further local government employment,
 - (c) he dies in the further employment, and
 - (d) if he had then ceased to be employed (otherwise than by reason of his death) he would have been entitled to give notice under paragraph 9.
- (2) Where this paragraph applies—
- (a) any benefits payable in respect of the person (except any surviving spouse's or children's short-term pension) are to be calculated, and
 - (b) any surrender of part of a retirement pension has effect,
- as if immediately before his death he had become entitled to benefits under Part II or, if it is more favourable to the person entitled to receive the benefits in question, Part III.
19. Where—

- (a) a person was entitled to an annual pension under the former regulations or a retirement pension under the 1992 regulations or these regulations,
- (b) after becoming so entitled he entered further local government employment,
- (c) the pension was on that account reduced or suspended, and
- (d) he dies in the further employment,

any benefits payable in respect of him (except any surviving spouse's or children's short-term pension) are to be calculated as if immediately before his death he had become entitled to benefits under Part III.

20. Where—

- (a) a surviving spouse is entitled to a spouse's short-term pension under regulation F1,
- (b) if the deceased had ceased to hold his employment on the date of his death (otherwise than by reason of death), he would have been entitled to a retirement pension under Part D (whether or not payable immediately), and
- (c) the deceased's local government employment was a new employment for the purposes of Part I,

then the annual rate of the short-term pension is a rate equal—

- (i) if the retirement pension was not reduced under Part I, to the total of the deceased's pensionable remuneration in the new employment and the annual rate of the retirement pension, or
- (ii) if the retirement pension was so reduced, to the total of the deceased's pensionable remuneration in the new employment and the annual rate, if any, at which the retirement pension was payable.

21.—(1) Where—

- (a) a surviving spouse is entitled to a spouse's long-term pension under regulation F2, and
- (b) the deceased's local government employment was a new employment for the purposes of Part I,

then the annual rate of the long-term pension is the greater of—

- (i) the aggregate of—
 - (I) half the annual rate of the member's retirement pension, and
 - (II) half the annual rate of the retirement pension to which the member would have been entitled in respect of the new employment if on the date of death the entitlement had arisen under regulation D7, and
- (ii) half the annual rate of the retirement pension to which the member would have been entitled if—
 - (I) on the date of death the member had become entitled under that regulation, and

(3) Any reference, whether express or implied, in these regulations or any other instrument or document to a provision of these regulations shall, so far as the context permits, be construed as including, in relation to the times, circumstances and purposes in relation to which the corresponding provision of the revoked instruments has effect, a reference to that corresponding provision.

(4) Any reference, whether express or implied, in any instrument or document to a provision of the revoked instruments shall be construed, so far as is required for continuing its effect, as including a reference to the corresponding provision of these regulations.

(5) Any document made, served or issued on or after the commencement date which contains a reference to any of the revoked instruments shall be construed, except so far as a contrary intention appears, as referring or, as the context may require, including a reference to the corresponding provision of these regulations.

(6) Where any provision of the revoked instruments (“the replacement provision”) re-enacted, with or without modification, a previous provision revoked by the revoked instruments (“the previous provision”), then, so far as is necessary to prevent the continuity of the law from being affected, any reference in these regulations to the replacement provision shall, so far as the context permits, be construed as including a reference to that previous provision.

3. Where—

(a) these regulations revoke a provision (“the commencement provision”) relating to the coming into force of another provision (including a commencement provision deeming another provision to have had effect from a date earlier than that which would otherwise apply), and

(b) the effect of that other provision is reproduced in a corresponding provision of these regulations,

4.—(1) The revocation by these regulations of any provision previously revoked subject to savings does not affect the continued operation of those savings.

(2) The revocation by these regulations of a saving to which a previous revocation of a provision is subject does not affect the operation of the saving in so far as it is not specifically reproduced in these regulations but remains capable of having effect.

(3) The revocation by these regulations of a provision which has effect as respects another provision of the revoked instruments (being a provision which is not reproduced in these regulations but continues in effect by virtue of this Schedule or the Interpretation Act (Northern Ireland) 1954 does not affect its operation as respects that other provision.

5. Where by virtue of Part II a reference in these regulations to anything has effect as respects any time before the commencement date as if it were a reference to another thing, then where any provision of the revoked instruments continues in effect (by virtue of this Schedule or otherwise) on and after that date, any reference in that provision to that other thing shall, so far as is necessary to give effect to it, have effect on and after that date with the appropriate modification.

Part II

Specific Provisions

Membership

6.—(1) References in these regulations to a member shall have effect as respects any time before the commencement date as references to a pensionable employee (and related expressions shall have effect accordingly).

(2) Nothing in these regulations affects the date of the commencement of the membership of any person who is a member immediately before the commencement date.

(3) Where immediately before the commencement date any person—

- (a) is eligible to be and is a member of the Scheme, or
- (b) has the right to make an election to join the Scheme,

by virtue of any provision of the 1992 regulations which is revoked by these regulations and is not re-enacted by them or is re-enacted with modifications, he shall notwithstanding the revocation or modification remain eligible to be a member, or as the case may be to make such an election, subject to the same terms and conditions as under that provision.

(4) Without prejudice to the previous provisions of this paragraph—

- (a) no person who is a member of the Scheme immediately before the commencement date shall be ineligible for membership of the Scheme by virtue of anything in regulation B3 (definitions of whole-time, part-time and variable-time employment);
- (b) notwithstanding the revocation of paragraph 3 of Part III of Schedule 2 to the 1992 regulations, any person to whom that paragraph applied immediately before the commencement date shall continue to be treated as there mentioned.

Existing reckonable service etc.

7. Without prejudice to any other provision in these regulations, any period which immediately before the commencement date counted as a period of reckonable service for any purpose of the Scheme (including any period which counted by virtue of regulation E25 or E27 of the 1992 regulations)—

- (a) shall continue to be counted for that purpose as a period of membership of the same length as it then counted for that purpose,
- (b) if it counted as service in whole-time employment or part-time employment, shall count as membership in whole-time employment or, as the case may be, membership in part-time employment, and

- (c) if it counted as service before or after a particular date, shall count as membership before or, as the case may be, after that date.

War service

8. The revocation of Part F (war service) and regulation N4 (decisions by the Committee as to such service) of the 1992 regulations shall not affect—

- (a) any right to which a person is or would apart from the revocation become entitled under or by virtue of that Part; or
- (b) any decision made under that regulation or under regulation N8 (appeals) of those regulations as respects such a decision;

but, in so far as they continue to have effect by virtue of this paragraph, references in those provisions to reckonable service shall be taken, where appropriate, to be references to periods of membership.

Remuneration

9.—(1) Nothing in these regulations shall affect the meaning of “remuneration” as respects the calculation of any benefit in respect of a person who has ceased to be a member of the Scheme before the commencement date.

(2) Where, apart from paragraph 7(b), a period of reckonable service in whole-time employment before the commencement date would count on and after that date as a period of membership in part-time employment, then for the purpose of calculating any benefit by reference to that period of service, paragraph 7 of Schedule D1 shall not apply (and accordingly the benefit shall be calculated, in so far as it relates to that period, by reference to pensionable remuneration which has not been increased by virtue of that paragraph).

Continuation of options under regulation S2 of the 1992 regulations

10. Nothing in these regulations shall affect the rights of any person who duly elected under regulation S2 of the 1992 regulations (application of those regulations to benefits in respect of former employments).

Resolutions

11. Where by virtue of any provision of these regulations which is not derived from a corresponding provision of the 1992 regulations, a resolution under these regulations is to make any particular provision or to be made in accordance with any procedure, then any corresponding resolution made under those regulations and continuing to have effect after the commencement date —

EXPLANATORY NOTE

(This note is not part of the Regulations.)

These regulations retitle and consolidate, with amendments, the provisions of the Local Government (Superannuation) Regulations (Northern Ireland) 1992 (S.R. 1992 No. 547), (“the 1992 regulations”) as amended.

Part L (injury allowances) of the 1992 regulations has not been reproduced in these regulations as the allowances are not payable by the Committee out of the pension fund. For the time being therefore that part is not revoked by these regulations.

The principal changes are as follows—

1. Regulation B2(1) reduces the minimum age of entry to the Scheme from 18 to 16 with effect from 1st October 1989.

2. Regulation B3(3)(b) defines a whole-time employee as an employee whose contractual number of hours is not less than the number of hours stipulated as whole-time in his contract of employment. There are saving provisions in Schedule M2 in respect of Scheme membership before the commencement date of these regulations (“the commencement date”).

3. Regulation B3(4)(ii) deals specifically with employees who work only those hours they are directed to work by their employers and whose contractual hours consequently vary in a non-cyclical fashion.

4. With the exception of casual employees and re-entrants who must apply to join from the commencement date, Scheme membership is automatic for all whole-time and part-time employees irrespective of the number of hours per week or weeks per year they are working unless they opt, in writing, not to join or subsequently opt out (regulation B9).

5. With retrospective effect from 1st April 1990 Scheme membership is automatic for all whole-time employees working at least 30 hours per week unless they opt, in writing, not to join or subsequently opt out (regulation B9(2)).

6. Any period of employment on or after the commencement date during which a Scheme member is absent from duty through illness or injury (whether or not contributions have been paid) counts as a period of Scheme membership (regulation B13(1)(b)).

7. Part-time Scheme members who work or have worked less than 15 hours per week are given the opportunity to pay contributions to count local government employment since 1st January 1993 as Scheme membership. Employers' contributions will also be payable by employers and former employers in respect of Scheme members who elect to pay such contributions (regulation C4).

8. From the commencement date the definition of "remuneration" includes any payment or benefit specified in an employee's contract of employment as being a pensionable emolument (regulation C1).

9. With effect from 1st January 1993 regulation C6 implements, in respect of the local government pension scheme, the requirements of the Directive on the implementation of the principle of equal treatment for men and women in occupational social security schemes in relation to maternity leave (86/378/EEC, O.J. No. L225, 12.8.86, p. 40). The regulation provides for a female member on maternity absence to pay contributions on the rate of remuneration she is receiving during her absence (and to elect to pay contributions at the rate she was receiving at her last payment date) to count the period for which contributions have been paid as Scheme membership. (The EC Directive can be obtained from The Stationery Office Ltd, 16 Arthur Street, Belfast.)

10. With effect from 2nd May 1995 regulation C12 and paragraph 3(1) of Schedule C5, make provision for part-time employees to purchase part-time added years. However, part-timers currently buying whole-time added years will continue to do so unless they elect under regulation C12(5) to change their original election.

11. With effect from 2nd May 1995 the treatment of the enhancement of benefits on ill-health retirement for members with part-time Scheme membership is clarified. The additional period to be awarded is determined by reference to the actual length of the person's Scheme membership and then proportionately reduced to its whole-time equivalent when calculating benefits. In the case of a person whose employment consists of a mixture of whole-time and part-time Scheme membership the additional period to be awarded is determined by reference to the formula in paragraph 4(3) of Schedule D3 unless a total of 13 years 121 days' actual whole-time Scheme membership has been completed, in which case the formula is not applied (regulation D7(2) and Schedule D3, paragraph 4(4)).

12. Regulations D9(2), D11(2)(e) and D16(3) provide, with effect from 2nd May 1995, that women retiring on or after age 60 with less than 25 years' total membership are not required to accept immediate payment of Scheme benefits although, like men, they may opt to do so. Also, from the same date male members will no longer be prevented from electing to receive their retirement benefits before state pension age if their reduced pension is less than their guaranteed minimum.

13. Regulation D16(5) removes an inequality whereby the pension of a man retiring at or after age 60 with less than 25 years' total membership, calculated in respect of membership from 17th May 1990, is subject to an actuarial reduction of up to 33% whereas that of a woman is not. A woman's pension in respect of Scheme membership commencing on or after 6th April 1978 during which she has been contracted-out of the State Earnings Related Pension Scheme has been protected as a consequence of a requirement of the Social Security Pensions (Northern Ireland) Order 1975. The new regulation provides that a man's pension will enjoy the same protection as that of a woman in respect of his Scheme membership from and including 17th May 1990. The amendment also provides that the protection for both men and women lasted only in respect of membership to 30th April 1995.

14. Regulation E1 increases the death grant payable on death in service on or after 2nd May 1995 to two times rather than one times pensionable remuneration.

15. As from the commencement date the Committee will have absolute discretion to decide who should receive a death grant (regulation E8).

16. Spouses' pensions will no longer cease to be payable following remarriage or cohabitation on or after the commencement date (regulations F1 to F5).

17. With effect from the commencement date the spouse of a female member who retires or dies in service will have the automatic right to a widower's pension in respect of his wife's Scheme membership after 31st March 1972 (regulation F7). A member with Scheme membership before 1st April 1972 may elect to include part or all of that membership (Schedule F1) in the calculation of the widower's pension but her lump sum retirement grant will normally be paid at a reduced rate in respect of any period so included (Schedule D2, paragraph 3). This reduction can be avoided or, if appropriate, the period included, by the payment of extra contributions to the Scheme.

18. With effect from 6th April 1988 the widower of a female member who dies after 5th April 1988 and before the commencement date is entitled to a pension based on her service after that date (regulation F11).

19. Regulation G3(3) provides that children's long-term pensions are comparable where no spouse's long-term pension is payable irrespective of who is caring for the children.

20. With effect from 6th April 1988, regulation G8(3) provides that pensions are payable for eligible children of female members. Also, from that date there is no longer a requirement that Scheme members must have completed a minimum period of total membership before their children are eligible for a pension.

21. With effect from 6th April 1988 regulation G9 makes provision for minimum amounts of children's long-term pensions to be awarded.

22. Regulation H1 provides for the addition of interest on the late payment of benefits and returns of contributions.

23. With effect from 2nd May 1995, regulation H6 provides for a member's pension, other than his guaranteed minimum, to be commuted on retirement and paid to him as a lump sum when the member is in exceptionally serious ill-health. The Committee must be satisfied by medical advice that the expectation of life at retirement is less than one year. Commutation does not affect any spouse's or children's pensions payable after the death of the retired member.

24. From the commencement date, the Committee can, only award ill-health retirement benefits, or the early payment of preserved benefits on ill-health grounds, when a certificate, confirming that the person will be permanently incapable until, at the earliest, age 65, is provided by an independent registered medical practitioner qualified in occupational health medicine (regulation J1).

25. To comply with Article 50 of the Pensions (Northern Ireland) Order 1995 regulations J5 to J10 introduce arrangements for the resolution of disputes between a prospective member, member, deferred pensioner, pensioner, spouse or dependant on the one hand and the Committee on the other. A matter involving a disagreement relating to the Scheme must first be referred by the complainant to a person appointed by the Committee to review the first decision. If the complainant is dissatisfied with his decision, he may apply to the Committee for the decision to be reconsidered.

26. Effective from 9th April 1997, regulation K17 makes provision in respect of members who were eligible to be Scheme members previously but who instead paid contributions to a personal pension plan as a result of which they have suffered loss, and the contravention is actionable under section 62 of the Financial Services Act 1986.

Schedule C4 reflects overriding legislation introduced by the Finance (No 2) Act 1987 and the Finance Act 1989 and identifies different categories of members depending upon whether the individual joined, or is deemed to have joined, the Scheme before 17th March 1987, on or after

17th March 1987 and before 1st June 1989, or on or after 1st June 1989 or has elected to be treated as having joined the Scheme on that date and clarifies—

- (a) that the limit on an employee's contributions under the Scheme, other than additional voluntary contributions, is linked to remuneration as defined in the regulations and not to the employee's taxable earnings,
- (b) that irrespective of age the maximum Scheme membership is limited to 40 years for the purposes of the calculation of benefits for members who joined or have elected to be treated as having joined the Scheme on or after 1st June 1989,
- (c) that pensionable remuneration is limited to £100,000 for the purposes of calculating the retirement grant in the case of a person who joined the Scheme on or after 17th March 1987 and before 1st June 1989,
- (d) that pensionable remuneration for the purposes of determining the contributions payable by, and the calculation of benefits payable to or in respect of members who joined the Scheme on or after 1st June 1989, cannot exceed the "permitted maximum" under the Finance Act 1989.

Article 14 of the Superannuation (Northern Ireland) Order 1972 confers express powers to make regulations retrospective in effect. These regulations are to a certain extent retrospective, however, no one will be adversely affected by the retrospective provisions.
