In particular, regulations 2 and 3 provide respectively that, for the purposes of ascertaining entitlement to income support or to a jobseeker's allowance in respect of claims for those benefits made on or after 26th June 2000, any grant income paid in respect of living costs for dependants of the student in accordance with regulation 15 of the Education (Student Support) Regulations (Northern Ireland) 1999 which is attributed in respect of the period in the academic year beginning on and including the day when student loans cease to be apportioned, shall be disregarded where the student was liable to pay rent during the academic year in which the claim was made.
