

## SCHEDULE 2

### Legislation on Intra-Community Trade

#### Part II

##### **Additional requirements for the transport of cattle and pigs**

1. Any person transporting cattle or pigs in intra-Community trade shall do so in accordance with this Part.
2. He shall, for each vehicle used for the transport of those animals, keep a register containing the following information, and shall keep the register for three years—
  - (a) places and dates of pick-up, and the name or business name and address of the holding or assembly centre where the animals are picked up;
  - (b) places and dates of delivery, and the name or business name and address of the consignee;
  - (c) species and number of animals carried;
  - (d) date and place of disinfection;
  - (e) the unique identifying number of accompanying health certificates.
3. He shall ensure that the means of transport is constructed in such a way that the animal faeces, litter or feed cannot leak or fall out of the vehicle.
4. He shall ensure that all cleansing and disinfection of the vehicle is either—
  - (a) carried out at facilities approved for the purpose by the Department under this paragraph (which must include facilities for storing litter and faeces) or
  - (b) carried out by a third party, in which case he shall provide to the Department on request documentary evidence that this has been done.
5. He shall give a written undertaking to the Department stating that—
  - (a) all measures have been taken to ensure compliance with Council Directive [64/432/EEC](#) as amended, and in particular the provisions laid down in Article 12 of that Directive relating to the appropriate documentation that must accompany the animals; and
  - (b) the transport of animals will be entrusted to staff who possess the necessary ability, professional competence and knowledge.
