

SCHEDULE 1

Information for inclusion in Environmental Statements

Part II

1. A description of the project comprising information on the site, design and size of the project.
2. A description of the measures envisaged in order to avoid, reduce and, if possible, remedy significant adverse effects.
3. The data required to identify and assess the main effects which the project is likely to have on the environment.
4. An outline of the main alternatives studied by the applicant and an indication of the main reasons for his choice, taking into account the environmental effects.
5. A non-technical summary of the information provided under paragraphs 1 to 4.
