## EXPLANATORY NOTE

*(This note is not part of the Regulations.)*

1. These Regulations amend the Construction (Design and Management) Regulations (Northern Ireland) 1995 (S.R. 1995 No. 209) (“the 1995 Regulations”).

2. The Regulations—

(a) substitute a new definition of “designer” in regulation 2(1) of the 1995 Regulations (*regulation 2(2)*); and

(b) introduce, as regulation 2(3A), provision that any reference in the 1995 Regulations to a person preparing a design shall include a reference to his employee or other person under his control preparing it for him (*regulation 2(3)*),

thereby ensuring that the duty in regulation 13(2) of the 1995 Regulations (requirements on designer) applies to a person where his employee or other such person prepares a design for him.

3. The Regulations amend regulation 13(1) of the 1995 Regulations so that the requirement in it does not apply to an employer who supplies his employee to a designer (*regulation 2(4)*).
