EXPLANATORY NOTE

(This note is not part of the Regulations.)

These Regulations implement Commission Decision [99/724/EC](#) (O.J. No. L290, 12.11.99, p. 32) “the Commission Decision” so far as it relates to trade between Member States of the European Community and imposes new or changed obligations on the United Kingdom.

The Commission Decision amends Annex II to Council Directive [92/118/EEC](#) (O.J. No. L62, 15.3.93, p. 49) by imposing new requirements relating to gelatine intended for human consumption. The provisions of that Directive relating to intra-Community trade are implemented by the Products of Animal Origin (Import and Export) Regulations (Northern Ireland) 1998 ([S.R. 1998 No. 45](#)). These Regulations amend the 1998 Regulations to give effect to the changes made by the Commission Decision.

The Regulations also give power to district councils to issue, suspend, withdraw and cancel authorisations of collection centres and tanneries which supply raw materials for the manufacture of gelatine subject to the requirements of the Commission Decision. The Food Standards Agency is required to maintain a register of premises so authorised.
