**Genetically Modified Organisms (Contained
Use) Regulations (Northern Ireland) 2001**

Part II

Risk assessment and notification of activities involving Genetic Modification

Risk assessment of activities involving genetically modified micro-organisms

6.—(1) A person shall not undertake any activity involving genetic modification of micro-organisms unless, before commencing that activity, he has ensured that a suitable and sufficient assessment of the risks created thereby to human health and the environment has been carried out.

(2) The person carrying out an assessment required by paragraph (1) shall take into account the matters set out in Part I of, and include the steps set out in Part II of, Schedule 3.
