**Genetically Modified Organisms (Contained
Use) Regulations (Northern Ireland) 2001**

Part II

Risk assessment and notification of activities involving Genetic Modification

Notification of the intention to use premises for the first time for activities involving genetic modification

9.—(1) A person shall not use premises for the first time for the purpose of undertaking an activity involving genetic modification, unless—

- (a) he has submitted to the competent authority a notification informing it of his intention to do so and containing the information specified in Schedule 5; and
- (b) he has received an acknowledgement from the Executive of receipt of that notification.

(2) Within 10 working days of the competent authority receiving a notification submitted in accordance with paragraph (1), the Executive shall send to the notifier an acknowledgement of receipt.
