
STATUTORY RULES OF NORTHERN IRELAND

2001 No. 422

Biocidal Products Regulations (Northern Ireland) 2001

Part V

Packaging, Labelling and Advertisements

Packaging

30.—(1) A person shall not place on the market an authorised biocidal product which may be mistaken for food, drink or feedingstuff unless—

- (a) it is packaged to minimise the likelihood of such a mistake being made; and
- (b) where that authorised biocidal product is available to the public, it contains a substance or preparation to discourage its consumption.

(2) In this regulation, “authorised biocidal product” means a biocidal product which has been authorised or registered in accordance with these Regulations or the Great Britain Regulations.
