

SCHEDULE 12

Transitional Provisions

6. Where—

- (a) there is made a decision referred to in paragraph 2(a); and
- (b) by virtue of that paragraph, these Regulations apply to a biocidal product containing the unlisted active substance in question,

the Executive may grant a certificate of exemption in accordance with paragraph 15 where a person informs the Executive in writing that he intends to make an application to the Executive under regulation 11 or regulation 12 after a competent authority in another member State has authorised or registered that biocidal product for placing on the market and use under the Directive.
