

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

SCHEDULE 2

Standards to be observed

1. The beneficiary shall not plough, reseed or improve, by use of drainage, manures or liming agents, any heathland, grassland of conservation value, including species-rich grassland, or rough grazing. The beneficiary shall not graze any such semi-natural habitats so as to cause poaching, over-grazing or under-grazing affecting the conservation value of such habitats.
