Regulations (Northern Ireland) 2002**

PART IV

SPECIFIED RISK MATERIAL

Rendering plants

Storage etc. of specified risk material at rendering plants

66.—(1) Subject to paragraph (2), and without prejudice to the storage requirements of regulation 53, the operator of an approved rendering plant shall ensure that all specified risk material in the rendering plant is kept and stored separately from all other material, handled separately from other material and rendered separately from other material.

(2) The operator of an approved rendering plant may keep, handle, store or render specified risk material at the plant together with other material at the plant provided –

- (a) all of that material is kept, handled, stored and rendered at the plant in accordance with the requirements of these Regulations applying to specified risk material; and
- (b) the operator keeps a record for two years of the exact quantity of the specified risk material and the other material together with which the specified risk material is kept, handled, stored and rendered.

(3) For the purposes of this Part, references to specified risk material shall include references to any –

- (a) specified risk material kept, handled, stored or rendered together with other material; and
- (b) any other material together with which the specified risk material is kept, handled, stored or rendered.
