- (a) has been sold or is offered or exposed for sale; or
- (b) is in the possession of, or has been deposited with or consigned to, any person for the purpose of sale or of preparation for sale.

(2) Paragraphs (3) to (8) shall apply where, whether or not on an inspection carried out under paragraph (1), it appears to an authorised officer of the Department or of a district council that any relevant product of animal origin has been imported in contravention of regulation 3(1) of the Food and Animal Feedingstuffs (Products of Animal Origin from China) (Emergency Control) Regulations (Northern Ireland) 2002.

(6) If it appears to a justice of the peace, on the basis of such evidence as he considers appropriate in the circumstances, that any product failing to be dealt with by him under this Article has been imported in contravention of regulation 3(1) of the aforesaid Regulations, he shall condemn the product and order –

- (a) the product to be destroyed or to be so disposed of as to prevent it from being used for human consumption or, as the case may be, put to animal feed use; and
- (b) any expenses reasonably incurred in connection with the destruction or disposal to be charged to the consignor, consignee or agent of the product under Article 4 of the Commission Decision.

(8) Any disputed question as to the right to or the amount of any compensation payable under paragraph (7) shall be determined by a single arbitrator appointed, failing agreement between the parties, by the Department of Health, Social Services and Public Safety; and the provisions of the Arbitration Act 1996(a) shall apply accordingly.”.

(3) The expressions “relevant product of animal origin”, “for human consumption” and “animal feed use”, which are used in Article 8 of the Order so far as it applies for the purposes of these Regulations by virtue of paragraph (2), shall, for those purposes, bear the meanings that those expressions respectively bear in these Regulations.

(4) Articles 2(4) and 3 of the Order (extended meaning of “sale” etc.) shall apply in relation to Article 8 of the Order so far as it applies for the purposes of these Regulations by virtue of paragraph (2).

(7) A sample submitted pursuant to paragraph (6) shall be analysed as soon as practicable by an analyst at the laboratory to which it is submitted.

(8) An analyst who analyses a sample in accordance with paragraph (7) may demand in advance the payment of such reasonable fee as he may require.

(9) An analyst who has analysed a sample in accordance with paragraph (7) shall give to the person by whom it was submitted a certificate specifying the result of the analysis.

(a) a document purporting to be a certificate given by an analyst under paragraph (9); or

(b) a document supplied by him to the other party as being a copy of such a certificate,

shall be sufficient evidence of the facts stated in it unless, in a case falling within sub-paragraph (a), the other party requires that the analyst shall be called as a witness.

(12) Where a sample procured under Article 29 of the Order as applied for the purposes of these Regulations by paragraph (5) has been analysed in accordance with paragraph (7), the owner shall be entitled on request to be supplied with a copy of the certificate of analysis by the Department or the district council.

EXPLANATORY NOTE

(This note is not part of the Regulations.)

These Regulations revoke and re-enact with changes the Food and Animal Feedingstuffs (Products of Animal Origin from China) (Control) Regulations (Northern Ireland) 2002. The revocation is effected by regulation 6.

The Regulations implement Commission Decision 2002/69/EC concerning certain protective measures with regard to the products of animal origin imported from China (O.J. No. L30 31.1.2002, p. 50) as amended by Commission Decision 2002/441/EC (O.J. No. L151, 11.6.2002, p. 16).

The Regulations define “relevant product of animal origin” (*regulation 2*); prohibit (with exceptions which are specified in that definition) their importation (*regulation 3*); specify the enforcement authorities (*regulation 4*); and apply with modifications, for the purposes of the Regulations, certain provisions of the Food Safety (Northern Ireland) Order 1991 (*regulation 5*).

The principal changes effected by the Regulations are that –

- (a) the exceptions referred to above are modified as regards the types of products to which, and the circumstances in which, they apply; and
- (b) a specific obligation is imposed on the consignor or consignee of any product subject to the Regulations, or his agent, to reimburse the relevant enforcement authority on demand in relation to the costs it incurs in relation to that product in complying with Commission Decision 2002/69/EC as amended.
