## EXPLANATORY NOTE

*(This note is not part of the Regulations.)*

These Regulations prescribe the fees to be paid in respect of EC verification under the Measuring Instruments (EEC Requirements) Regulations 1988 (“the 1988 Regulations”) and the Non-automatic Weighing Instruments Regulations 2000 (“the 2000 Regulations”).

The Regulations rationalise and simplify the fee structure previously prescribed under the Measuring Instruments (EEC Requirements) (Verification Fees) Regulations (Northern Ireland) 1993 ([S.R. 1993 No. 470](#)) (“the 1993 Regulations”) by reducing the number of test categories to four. These Regulations also increase the fees in those categories by an average of 10%.

Regulation 4 and Schedule 1 prescribe the fees to be paid in respect of EEC initial verification of measuring instruments. The obligations of the Department relating to EEC initial verification are as required by regulation 13 of and Schedule 3 to the 1988 Regulations.

Regulation 5 and Schedule 2 prescribe the fees to be paid in respect of EC verification of non-automatic weighing instruments. The obligations of the Department relating to EC verification are as required by regulation 11 and, where applicable, regulation 14 of the 2000 Regulations. By a designation numbered 0326, the Department was designated as an approved body under those Regulations.

The 1993 Regulations are revoked except in relation to any verification carried out before 4th November 2002.
