having regard to the value of the member’s accrued rights to money purchase benefits under the scheme on the illustration date.

(5D) The assumptions about contributions referred to in paragraph (5C)(b) are–

- (a) where the calculation relates to the rights of a non-contributing member, that no contributions will be made to the scheme by him or on his behalf after the illustration date, and

- (b) in any other case, that, until the member's retirement date—
 - (i) contributions to the scheme will be made by him or on his behalf;
 - (ii) the treatment of the scheme under sections 639 to 646A of the Income and Corporation Taxes Act 1988 (tax reliefs) as for the time being in force will continue, and
 - (iii) where a member is in contracted-out employment, sums will continue to be paid by the Inland Revenue in respect of him under section 38A(3) (which deals with age-related payments made to the scheme) or, as the case may be, section 39 (payment of minimum contributions to personal pension schemes) in the amounts to be determined by reference to the relevant guidance.
- (5E) The assumptions about annuities referred to in paragraph (5C)(b) are—
 - (a) that the rate of pension is to be increased annually by the relevant percentage specified in the relevant guidance, and
 - (b) that, subject to paragraph (5F), irrespective of whether or not the member is married at the time when the information referred to in paragraph (5B) is furnished, the annuity will include provision for the payment, to a surviving spouse of the member, of a pension of an amount equal to one half of the pension which was payable to him immediately before his death.
- (5F) Paragraph (5E)(b) does not apply where —
 - (a) the trustees or manager decide to use a different assumption in substitution for that specified in paragraph (5E)(b) on the basis that the scheme records indicate that the member is not married, or
 - (b) the trustees or manager and the member agree to use a different assumption.
- (5G) The additional information which is to accompany the information provided under paragraph (5B) is—
 - (a) a statement to the effect that the information provided under paragraph (5B)—
 - (i) is provided only for the purposes of illustration;
 - (ii) does not represent any promise or guarantee as to the amount of benefit which may be receivable by the member or a beneficiary under the scheme, and
 - (iii) should not be regarded as the only consideration by reference to which the member should make decisions as to his pension arrangements;
 - (b) a statement to the effect that the provision of the information mentioned in paragraph (5B) is required by law;
 - (c) a statement specifying the means by which the person to whom the information relates may obtain from the trustees or manager further information about the information provided under paragraph (5B);
 - (d) a statement to the effect that the information has been prepared by reference to the assumptions required by paragraph (5C) or specified in the relevant guidance;
 - (e) a statement to the effect that certain general assumptions have been made about the nature of the investments made for the purposes of that person's money purchase benefits and their likely performance, which may not correspond with the investments actually made for those purposes, or their actual performance;

- (f) a statement to the effect that the amount referred to in paragraph (5B) is expressed in today's prices;
- (g) a statement to the effect that the actual amount of any pension payable to that person or beneficiary under the scheme will depend on considerations, including the actual performance of investments and the cost of buying an annuity at the time the pension becomes payable, which may be different from the assumptions made for the purpose of providing the information under paragraph (5B);
- (h) a statement specifying any assumptions made in relation to future contributions to the scheme;
- (i) a statement of the assumptions made in accordance with paragraphs (5D)(b) (iii) and (5E), or as mentioned in paragraph (5F);
- (j) a statement of the member's retirement date for the purpose of paragraph (5B), and
- (k) a statement of the illustration date used for the purpose of calculating the amount referred to in paragraph (5B)."

Department for Social Development

EXPLANATORY NOTE

(This note is not part of the Regulations.)

These Regulations amend the Personal Pension Schemes (Disclosure of Information) Regulations (Northern Ireland) 1987 (“the 1987 Regulations”), the Occupational Pension Schemes (Disclosure of Information) Regulations (Northern Ireland) 1997 (“the 1997 Regulations”) and the Stakeholder Pension Schemes Regulations (Northern Ireland) 2000 (“the 2000 Regulations”) following the amendment of section 109 of the Pension Schemes (Northern Ireland) Act 1993 (“the 1993 Act”) by section 48 (in part) of the Child Support, Pensions and Social Security Act (Northern Ireland) 2000.

The effect of these amendments is that the information which has to be sent to members of schemes with money purchase benefits must include an illustration of the amount of future pension that might become payable under the scheme. The amount is to be determined by reference to guidance.

Regulation 1 provides for citation, commencement and interpretation.

Regulation 2 amends the 1987 Regulations. Regulation 2(1) introduces the amendments.

Regulation 2(2) amends regulation 1(2) by inserting definitions of “contracted-out employment”, “illustration date”, “non-contributing member”, “relevant guidance” and “retirement date”. The relevant guidance means the document entitled “Technical Memorandum TM1: Statutory Money Purchase Illustrations” which is published by the Faculty of Actuaries and the Institute of Actuaries. Copies may be obtained from the Faculty and Institute of Actuaries' website on www.actuaries.org.uk or by writing to the Institute of Actuaries, Staple Inn Hall, High Holborn, London WC1V 7QJ.

Regulation 2(3)(a) amends regulation 5(2) to provide for the requirement to furnish the information mentioned in inserted paragraph 2A of Schedule 2. Regulation 2(3)(b) inserts paragraphs (2A) and (2B) into regulation 5. Paragraph (2A) sets out the circumstances where the requirement to furnish the information does not apply. Paragraph (2B) covers the situation where the trustees choose to furnish the information voluntarily.

Regulation 2(4) inserts paragraph 2A into Schedule 2. Under sub-paragraph (1) the information to be sent to the member is an illustration of the amount of the pension an entitlement to which would be likely to accrue to him, or be capable of being secured by him, at his retirement date in respect of rights that may arise under the scheme. Sub-paragraph (2) describes how the amount is to be determined, with particular reference to the assumptions about contributions in sub-paragraph (3) and about annuities in sub-paragraphs (4) and (5). Sub-paragraph (6) lists the additional information which is to accompany the illustration.

Regulation 3 introduces similar requirements in relation to occupational pensions by means of amendments to regulations 1(2) and 5 of, and Schedule 2 to, the 1997 Regulations.

Regulation 4 introduces similar requirements in relation to stakeholder pensions by means of amendments to regulations 1(3) and 18 of the 2000 Regulations.

Regulation 5 contains a consequential revocation.

An assessment of the cost to business of these Regulations is detailed in a Regulatory Impact Assessment, copies of which have been laid in the Business Office and the Library of the Northern Ireland Assembly. Copies of the Assessment are available from the Department for Social Development, Social Security Policy and Legislation Division, Room 5, Block 5, Stormont Estate, Upper Newtownards Road, Belfast BT4 3SJ.
