
STATUTORY RULES OF NORTHERN IRELAND

2002 No. 56

**The Domestic Energy Efficiency Grants
Regulations (Northern Ireland) 2002**

Purposes for which grant may be approved

5.—(1) An application for a Warm Homes grant may be approved for one or more of the following purposes—

- (a) to provide insulation in any accessible roof space in the dwelling, including the insulation of any cold water tank and any water supply, overflow and expansion pipes in such a space;
- (b) to provide insulation between the internal and external leaves of cavity walls of the dwelling;
- (c) to provide draught proofing to or in the dwelling together with additional means of ventilation for any rooms which would otherwise be inadequately ventilated after such provision;
- (d) to provide insulation to any water heating system or to provide any part of such a system with insulation incorporated in it, or
- (e) to provide radiator foils on external walls only where cavity wall insulation cannot be installed.

(2) An application for a Warm Homes Plus grant may be approved for one or more of the following purposes—

- (a) to provide insulation in any accessible roof space in the dwelling, including the insulation of any cold water tank and any water supply, overflow and expansion pipes in such a space;
- (b) to provide insulation between the internal and external leaves of cavity walls of the dwelling;
- (c) to provide draught proofing to or in the dwelling together with additional means of ventilation for any rooms which would otherwise be inadequately ventilated after such provision;
- (d) to provide insulation to any water heating system or to provide any part of such a system with insulation incorporated in it;
- (e) to provide radiator foils on external walls only where cavity wall insulation cannot be installed;
- (f) to improve the energy efficiency of, or replace any part of, or repair any space or water heating system installed in the dwelling;
- (g) to provide mains gas or oil central heating system;
- (h) to convert an existing solid fuel central heating system or electric storage heater system to a mains gas or oil central heating system, or
- (i) to provide a central heating system connected to the local community heating grid.

(3) Where an application is approved for one or more of the purposes set out in paragraph (1) or (2) a grant may also be approved for the provision of any of the following—

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

- (a) energy advice;
- (b) up to 4 energy efficient lamps.

(4) For the purposes of this regulation, “accessible roof space” means space between the roof of a dwelling and the ceiling of any room used or available for use for the purpose of living accommodation, where that space—

- (a) is not wholly separated from the roof by any other room; and
- (b) is accessible through a properly constructed opening.
