
STATUTORY RULES OF NORTHERN IRELAND

2003 No. 243

**Infected Waters (Infectious Pancreatic Necrosis)
(No. 2) Order (Northern Ireland) 2003**

Provisions for the prevention, eradication and control of disease

5.—(1) Subject to paragraph (2), a person shall not transport, or cause or permit to be transported, to, from or within any infected area –

- (a) any dead fish found or taken in such an area;
- (b) any live fish,

except under the authority and in accordance with the conditions of a licence issued by the Department.

(2) Paragraph (1)(a) shall not apply to the transport of any dead fish which have been eviscerated.
