the maximum amount shall be reduced to that amount, and the balance of the contribution not required to reduce the amount of loan to that amount shall be available to reduce the maximum amount of grant referred to in paragraph (1)(e).

(7) Where the academic year in question is the final year of a course other than an accelerated course and the contribution available to reduce the maximum amount of loan referred to in paragraph (1)(d) would reduce that amount to less than the following amounts –

(8) Where under regulation 20(6) or (7) different rates shall apply for different quarters of the academic year the amount to which the maximum amount shall be reduced in accordance with paragraphs (6) or (7) shall be the aggregate of the three amounts determined under paragraph (9) for the three quarters in respect of which loan is payable.

- (b) not later than 10 weeks after the expiry of that period, or promptly after a valid request for payment has been received, if that is later.

(2) The Department may make a provisional payment where assessment of the student's contribution or other matters have delayed final calculation of the amount of grant for which the student is eligible.

- (3) No payment of grant for fees shall be made if –
 - (a) before the expiry of three months from the beginning of the academic year the eligible student ceases to attend the course; and
 - (b) the academic authority has determined or agreed that he will not commence attending again during the academic year in respect of which the fees are payable, or at all.

Payment of grants and loans for living costs

26.—(1) Subject to the following paragraphs the Department shall pay bursary or grants for which a student is eligible under Part IV or loans for which a student has applied under Part V in such instalments (if any) and at such times as it considers appropriate; and in the exercise

of its functions under this paragraph it may in particular make provisional payments pending the final calculation of the amount of grant or loan for which the student is eligible.

(2) Subject to the following paragraphs bursary and grants for which a student is eligible under regulations 13 and 16 and loans for which a student has applied under Part V other than a loan under regulation 22 shall be payable in such instalments (if any) and at such times as the Department considers appropriate.

(4) Subject to regulation 7 no support referred to in paragraph (2) shall be payable in respect of a period beginning after an eligible student has withdrawn from, abandoned or been expelled from his course; and the amount of such support for the academic year shall be the aggregate of the support, if any, which is payable in respect of each period.

(6) In paragraphs (4) and (5) “period” means a period in respect of which an instalment is payable or would have been payable if the eligible student had not withdrawn from, abandoned, been expelled from or been absent from his course.

(7) In deciding whether it would be appropriate to pay all or part of the support under paragraph (5) the circumstances to which the Department shall have regard shall include the reasons for the student’s absence, the length of the absence, and the financial hardship which not paying all or part of the support would cause.

(8) An eligible student shall not be considered to be absent from his course if he is unable to attend due to illness and his absence has not exceeded 60 days.

(9) Where after the Department has made any payment of support referred to in paragraph (2), it makes a determination of the amount of bursary or grant for which the student is eligible in respect of an academic year under regulation 13 or 16 either for the first time or by way of revision of a provisional or other determination of that amount –

- (a) if the determination increases the amount of bursary or grant for which the student is eligible it shall pay the additional amount in such instalments (if any) and at such times as it considers appropriate;
- (b) if the determination decreases the amount of bursary or grant for which the student is eligible it shall subtract the amount of the decrease from the amount of bursary or grant which remains to be paid under regulation 13 or 16;
- (c) if the amount of the decrease is greater than the amount of bursary or grant remaining to be paid that amount shall be reduced to nil, and the balance subtracted from any other bursary or grant for which the student is eligible in respect of the academic year; and
- (d) any remaining overpayment shall be recovered in accordance with regulation 27.

(10) Where the Department has made any payment of support referred to in paragraph (2) and a student who is eligible for a loan under Part V, other than a loan under regulation 22 applies for such a loan or applies for an additional such loan in respect of an academic year, the Department shall pay the loan or the additional loan in such instalments (if any) and at such times as it considers appropriate as soon as is reasonably practicable after a satisfactory application has been received.

(11) Where after the Department has made any payment of loan for which a student is eligible in respect of an academic year under Part V it makes a determination that the amount of loan for which the student is eligible is less than the amount previously determined, either by way of revision of a provisional determination or otherwise, –

- (a) it shall subtract such amount as is necessary to ensure that the student does not borrow an amount of loan which is greater than that which he is eligible to borrow from any amount of loan which remains to be paid;
- (b) if the amount to be subtracted is greater than the amount of loan remaining to be paid that amount shall be reduced to nil; and
- (c) any remaining overpayment shall be recovered in accordance with regulation 27.

(12) Notwithstanding the above paragraphs, where support referred to in paragraph (2) is payable in respect of a period of attendance at an overseas institution, the Department may pay the support in such instalments (if any), in such manner and at such times as it considers appropriate.

- (13) Notwithstanding the above paragraphs where by reason of the absence of the student –
 - (a) support referred to in paragraph (2) is reduced in accordance with paragraph (5); and
 - (b) the Department considers that the payment of such support in accordance with the above paragraphs would be inappropriate,

it may pay such support in such instalments (if any) and at such times as it considers appropriate.

- (c) by taking such other action for the recovery of a payment made without statutory authority as is available to it.

(3) Any overpayment of a loan for living costs under Part V in respect of any academic year may be recovered if in the opinion of the Department –

- (a) the overpayment is a result of a failure of the student to provide promptly information which might affect his eligibility for a loan or the amount of loan for which he is eligible; or
- (b) any information which he has provided is inaccurate in a material particular,

but otherwise it shall be treated as a loan properly made under Part V which shall be repayable in accordance with the Order and Regulations made under it.

(4) Where an overpayment of loan is treated as properly made under paragraph (3) the Department may subtract the overpayment from the amount of loan for living costs under Part V for which the student is eligible in respect of any other academic year.

(5) Where an overpayment of loan for living costs is recoverable in accordance with paragraph (3) it shall be recovered in such one or more of the following ways as the Department considers appropriate in all the circumstances –

PART II

PARENTAL CONTRIBUTION

Definitions and construction of Part II

2.—(1) In this Part –

“child” includes a step-child but, except in paragraph 4, does not include a child who holds a statutory award and, except as otherwise provided by paragraph 5, “parent” shall be construed accordingly;

“financial year” means the period of 12 months for which the income of the eligible student's parent is computed for the purposes of the income tax legislation which applies to it;

“gross income” has the meaning assigned to it by paragraph 5;

“income of the student's parent” means the taxable income of the parent from all sources computed as for the purposes of the Income Tax Acts or as for the purposes of the income tax legislation of another Member State of the European Community which applies to the parent's income, or where the legislation of more than one applies in respect of the same period, as for the purposes of the legislation pursuant to which the Department considers that the parent will pay the largest amount of tax in that period, except as otherwise provided by paragraph 5 or 6;

“residual income” means, subject to sub-paragraph (2), the balance of gross income remaining in any year after the deductions specified in paragraph 6 have been made.

(2) Where, in a case not falling within paragraph 5(3) or (4), the Department is satisfied that the income of the parent in any financial year is as a result of some event beyond his control likely to be, and to continue after that year to be, not more than 85 per cent of his income in the financial year preceding that year, he may, for the purpose of enabling the eligible student to attend the course without hardship, ascertain the parental contribution for the year of his course in which that event occurred by taking as the residual income the average of the residual income for each of the financial years in which that year falls.

(3) Where the eligible student's parent satisfies the Department that his income is wholly or mainly derived from the profits of a business or profession carried on by him, then, if the Department and the parent so agree, any reference in this Part to a financial year shall be construed as a reference to a year ending with such date as appears to the Department expedient having regard to the accounts kept in respect of that business or profession and the periods covered thereby.

(4) Where a parent is in receipt of any income which does not form part of his taxable income by reason only that—

- (a) he is not resident, ordinarily resident or domiciled in the United Kingdom, or where the parent's income is computed as for the purposes of the income tax legislation of another Member State of the European Community, not so resident, ordinarily resident or domiciled in that Member State;

(a) This information can be obtained from The Stationery Office, P.O. Box 29, St. Crispin's House, Duke Street, Norwich, NR3 1GN or on the internet website address, www.statistics.gov.uk

- (b) the income does not arise in the United Kingdom, or where the parent's income is computed as for the purposes of the income tax legislation of another Member State, does not arise in that Member State; or
 - (c) the income arises from an office, service or employment, income from which is exempt from tax in pursuance of any legislation, his income for the purposes of this Part shall be computed as though the income first mentioned in this sub-paragraph were part of his taxable income.
- (5) Where the income of the eligible student's parent is computed as for the purposes of the income tax legislation of another Member State –
- (a) it shall be computed in the currency of that Member State;
 - (b) the value of any deduction mentioned in paragraph 6(2) shall be the amount of that currency required to purchase the sterling value of the deduction; and
 - (c) the value of the sterling which the income of the eligible student's parent in that currency would purchase shall be determined, and shall constitute the income of the student's parent for the purposes of this Part.
- (6) The rate applied in determining the sterling value of another currency under sub-paragraph (5) shall be the rate for the month in which the last day of the financial year in question falls published by the Office for National Statistics in "Financial Statistics".

Application of Part II

3.—(1) A parental contribution ascertained in accordance with this Part shall be applicable in the case of every eligible student except where –

- (a) he is aged 25 or over on the first day of the academic year in respect of which the contribution is applicable;
- (b) he has supported himself out of his earnings for periods before the first academic year of the course aggregating not less than three years;
- (c) he has been married before the beginning of the academic year in respect of which the contribution is applicable, whether or not the marriage is still subsisting;
- (d) he has no parent living;
- (e) the Department is satisfied that his parents cannot be found or that it is not reasonably practicable to get in touch with them;
- (f) he is irreconcilably estranged from his parents;
- (g) he has pursuant to an order of a competent court been in the custody or care of or has been provided with accommodation by –
 - (i) a state authority or agency, national, regional or local,
 - (ii) a voluntary or charitable organisation, or
 - (iii) any person who is not the student's parent,

throughout any three month period ending on a date on or after the date on which he attains the age of 16 and before the first day of his course; provided that he has not at any time from the beginning of the three month period to the first day of his course in fact been under the charge or control of his parents;

- (h) his parents are residing outside the European Community and the Department is satisfied either that –
 - (i) the assessment of a parental contribution would place those parents in jeopardy; or
 - (ii) it would not be reasonably practicable for those parents to send any such contribution to the United Kingdom;
- (i) paragraph 5(7) applies and the parent whom the Department considered the more appropriate for the purposes of that sub-paragraph has died;
- (j) he is a member of a religious order who resides in a house of his order.

(2) For the purposes of sub-paragraph (1)(b) an eligible student shall be treated as having supported himself out of his earnings for any period or periods for which –

- (a) he was participating in arrangements for training for the unemployed under any scheme operated by, sponsored or funded by any state authority or agency, national, regional or local;
- (b) the student was in receipt of benefit payable by any state authority or agency, national, regional or local, in respect of a person who is available for employment but who is unemployed;
- (c) the student was available for employment and had complied with any requirement of registration imposed by a body referred to in paragraph (a) or (b) as a condition of entitlement for participation in arrangements for training or receipt of benefit;
- (d) the student held a State Studentship or comparable award;

- (e) the student received any pension, allowance or other benefit paid by reason of a disability to which he is subject, or by reason of confinement, injury or sickness, paid by any state authority or agency, national, regional or local, by an employer or any former employer, or by any other person; or
- (f) the student could not reasonably have been expected to support himself out of his earnings because he had the care of a person under the age of 18 years who was wholly or mainly financially dependent upon him.

(3) For the purposes of sub-paragraph (1)(f) an eligible student shall be regarded as irreconcilably estranged from his parents if, but not only if, he has communicated with neither of them for the period of one year before the beginning of the year for which payments in pursuance of his support fall to be made.

Parental contribution

4.—(1) In any case in which the residual income is £20,970 or more the parental contribution shall subject to sub-paragraphs (2) to (6) be £45 with the addition of £1 for every complete £12.50 by which the residual income exceeds £20,970, reduced in each case in respect of each child of the parent (other than the eligible student) who is wholly or mainly financially dependent on him on the first day of the year for which the contribution falls to be ascertained, by £83; and in any case in which the residual income is less than £20,970 the parental contribution shall be nil.

(2) For the purposes of this paragraph –

- (a) the amount or (where a contribution is ascertained in respect of more than one child of the eligible student's parent) the aggregate amount of the parental contribution shall in no case exceed £7,353; and
- (b) where a contribution is ascertained in respect of more than one child of the eligible student's parent the aggregate of the contributions shall not exceed the contribution that would be ascertained if only one child held an award or, if that amount is different in respect of each child, the lower or (as the case may be) lowest such amount.

(3) For any year in which a statutory award other than one referred to in sub-paragraph (4) is held by –

- (a) more than one child of the eligible student's parent;
- (b) the parent; or
- (c) the student's step-parent,

the parental contribution in respect of the eligible student shall be such proportion of any contribution ascertained in accordance with this Part as the Department (after consultation with any other authority involved) considers just.

(4) For any year in which a statutory award under these Regulations, the Education (Students Awards) Regulations (Northern Ireland) 2002(a), the 1986 Order or section 63 of the Health Services and Public Health Act 1968 but no other statutory award is held by –

- (a) more than one child of the eligible student's parent;
- (b) his parent; or
- (c) his step-parent,

the parental contribution in respect of the eligible student shall subject to sub-paragraphs (5) and (6) be such proportion of any contribution ascertained in accordance with this Part as is equal to the proportion in respect of the other or (as the case may be) each other statutory award holder.

(5) Subject to sub-paragraph (6), if by apportioning the parental contribution in accordance with sub-paragraph (4) it would not all apply to statutory awards and one or more statutory award holders would hold any statutory award to which it could have applied but for the apportionment, the parental contribution shall instead apply –

- (a) first to the statutory award of (or as the case may be) each statutory award holder eligible for the smallest aggregate amount of statutory award to which the contribution may apply, and
- (b) then to the statutory award of the remaining statutory award holder or, if there is more than one remaining statutory award holder, equally to the statutory award of each.

(6) If by apportioning the parental contribution equally in accordance with sub-paragraph (5)(b) –

- (a) it would not all apply, and
- (b) one or more remaining statutory award holders would hold any statutory award to which it could have applied but for the apportionment

(a) S.R. 2002 No. 265

it shall instead apply first to the statutory award of (or as the case may be) each remaining statutory award holder eligible for the next smallest aggregate amount of statutory award to which it may apply until the balance can be apportioned equally without any remaining statutory award holder holding any statutory award to which it could have applied but for the apportionment.

Gross income

5.—(1) For the purposes of this paragraph “preceding financial year” means the financial year preceding the academic year in respect of which the resources of the eligible student fall to be assessed and “current financial year” means the financial year which includes the first day of the academic year; provided that where references to a financial year fall to be construed in accordance with paragraph 2(3) as references to a year ending less than five months before the beginning of an academic year of the eligible student’s course, “preceding financial year” shall mean the financial year last ending five or more months before the academic year in respect of which the resources of the eligible student fall to be assessed and “current financial year” shall mean the financial year ending within those five months.

(2) Subject to the provisions of this paragraph, “gross income” means the income of the student’s parent in the preceding financial year or, for the purpose of calculating residual income under paragraph 2(2), in the financial year there mentioned.

(3) Where the Department is satisfied that the sterling value of the income of the student’s parent in the current financial year is likely to be not more than 85 per cent. of the sterling value of his income for the preceding financial year, it may for the purpose of calculating the parental contribution ascertain the gross income by reference to the current financial year; and, in such case, sub-paragraph (2) shall have effect, in relation to the academic year in respect of which the eligible student’s resources fall to be assessed and, if the Department so determines, any subsequent year, as if the reference therein to the preceding financial year were a reference to the current financial year.

(4) Where –

- (a) one of the eligible student’s parents dies either before or during the year in respect of which the resources of the student fall to be ascertained (“the relevant year”); and
- (b) that parent’s income has been or would be taken into account for the purpose of determining the parental contribution,

the parental contribution shall –

- (c) where the parent dies before the relevant year, be determined by reference to the income of the surviving parent; or
- (d) where the parent dies during the relevant year, be the aggregate of—
 - (i) the appropriate proportion of the contribution determined by reference to the income of both parents, that is to say such proportion thereof as the part of the relevant year during which both parents were alive bears to the full year; and
 - (ii) the appropriate proportion of the contribution determined by reference to the income of the surviving parent, that is to say such proportion thereof as the part of the relevant year remaining after the parent dies bears to the full year.

(5) Without prejudice to sub-paragraph (6), where, in pursuance of any trust deed or other instrument or by virtue of any applicable legislation any income is applied by any person for or towards the maintenance, education or other benefit of the eligible student or of any person dependent on the student’s parent, or payments made to his parent are required to be so applied, that income, or those payments, shall be treated as part of the gross income of the parent.

(6) Where any such benefit as is mentioned in paragraph 1(1)(b) of Part I is provided, by reason of the parent’s employment, for any member of his family or household who is an eligible student (whether the student or some other such member) then that benefit shall not be treated as part of the gross income of the parent.

(7) Where the parents do not ordinarily live together throughout the year in respect of which the resources of the eligible student fall to be ascertained (“the relevant year”), the parental contribution shall be determined by reference to the income of whichever parent the Department considers the more appropriate in the circumstances.

(8) Where the parents do not ordinarily live together for part only of the relevant year, the parental contribution shall be the aggregate of –

- (a) the appropriate proportion of the contribution determined as provided in sub-paragraph (7), that is to say such proportion thereof as the part of the relevant year for which the parents do not so live together bears to the full year; and

(b) the appropriate proportion of the contribution determined without regard to this sub-paragraph, that is to say, such proportion thereof as the part of the relevant year for which the parents so live together bears to the full year.

(9) Where one of the eligible student's parents is his step-parent the parental contribution shall be ascertained by reference only to the income of the other parent.

Deductions

6.—(1) For the purposes of determining the income of a student's parent (and, accordingly, the parent's gross income), in computing his taxable income as for the purposes of the Income Tax Acts or for the purposes of the income tax legislation of another Member State of the European Community any deductions which fall to be made or exemptions which are permitted –

- (a) by way of personal reliefs provided for in Chapter I of Part VII of the Income and Corporation Taxes Act 1988^(a), or where the parent's income is computed as for the purposes of the income tax legislation of another Member State, any comparable personal reliefs;
- (b) in respect of any payment made by the parent under covenant;
- (c) in pursuance of any legislation or rule of law with the effect that payments which for the purposes of the law of the United Kingdom are treated as income are not treated as income; or
- (d) without prejudice as aforesaid, of a kind mentioned in sub-paragraph (2), shall not be made or permitted.

(2) For the purpose of determining a parent's residual income there shall be deducted from his gross income –

- (a) in respect of any person, other than a spouse, child or eligible student, wholly or mainly financially dependent on the parent during the year for which the contribution falls to be ascertained, the amount by which £2,415 exceeds the income of that person in that year;
- (b) the gross amount of any premium or sum relating to a pension (not being a premium payable under a policy of life insurance) in respect of which relief is given under section 266, 273, 619 or 639 of the Income and Corporation Taxes Act 1988, or where the parent's income is computed as for the purposes of the income tax legislation of another Member State, the gross amount of any such premium in respect of which relief would be given if that legislation made provision equivalent to the Income Tax Acts;
- (c) where the parents ordinarily live together and one of them is incapacitated, or where the parent ordinarily lives with a person who is not the other parent of the eligible student, but that person is the husband or wife of the parent or lives with the parent as the parent's husband or wife, and one of them is incapacitated, so much of the cost in wages of domestic assistance as does not exceed £1,895, if the other parent or person described in this sub-paragraph is wholly or mainly financially dependent on the parent during the year for which the contribution falls to be ascertained;
- (d) where the parent does not ordinarily live with the other parent or with another person as husband or wife or who is their husband or wife, and the parent is incapacitated, so much of the cost in wages of domestic assistance as does not exceed £1,895;
- (e) in respect of additional expenditure incurred by reason of the fact that the parent lives in a place where the cost of living is higher than that cost in the United Kingdom, such sum (if any) as the Department considers reasonable in all the circumstances;
- (f) in the case of a parent who is an eligible student or who holds a statutory award, £975;
- (g) any payments made to the parent of the student in pursuance of an order of a competent court for the benefit of a child who is not his child of whom he has custody or care or for whom he provides accommodation;
- (h) where the parent's income is computed as for the purposes of the income tax legislation of another Member State, sums equivalent to any amounts which would not be treated as taxable income if that legislation made provision equivalent to the Income Tax Acts.

(3) In any case where income is computed as for the purposes of the Income Tax Acts by virtue of paragraph 2(4), there shall be deducted from the parent's gross income sums equivalent to the deduction mentioned in sub-paragraph (2)(b), provided that any sums so deducted shall not exceed the deduction that would be made if the whole of the parent's income were in fact taxable income for the purposes of the Income Tax Acts.

(a) 1988 c. 1

PART III

Application of Part III

7.—(1) Subject to sub-paragraph (2), a spouse's contribution ascertained in accordance with this Part shall be applicable in the case of –

- (a) every male student ordinarily living with his wife;
 - (b) every male student ordinarily living with a woman as his wife, if he falls within paragraph 3(1)(a) and he is on a course which began on or after 1st September 2000 unless –
 - (i) his course is an end-on course in relation to a course which began before 1st September 2000; or
 - (ii) his course is an end-on course in relation to such an end-on course as is mentioned in sub-paragraph (i);
 - (c) every female student ordinarily living with her husband; and
 - (d) every female student ordinarily living with a man as her husband, if she falls within paragraph 3(1)(a) and she is on a course which began on or after 1st September 2000 unless –
 - (i) her course is an end-on course in relation to a course which began before 1st September 2000; or
 - (ii) her course is an end-on course in relation to such an end-on course as is mentioned in sub-paragraph (i).
- (2) Sub-paragraph (1) shall not apply to –
- (a) a student in whose case a parental contribution is applicable in accordance with Part II; and
 - (b) an eligible student whose child holds an award in respect of which a parental contribution is applicable or whose child is an eligible student in respect of whom a contribution is ascertained under Part II.

Spouse's contribution

8.—(1) Subject to sub-paragraphs (3) and (4), Part II, except paragraphs 3, 4(1), (2), (3)(a) and (c), 5(4), (7), (8) and (9), and 6(2)(d), shall apply with the necessary modifications for the ascertainment of the spouse's contribution as it applies for the ascertainment of the parental contribution, references to the parent being construed, except where the context otherwise requires, as references to the eligible student's spouse within the meaning of paragraph 7 and, unless the context otherwise requires, this Part shall be construed as one with Part II.

(2) The spouse's contribution shall be in any case in which the residual income is £20,970 or more, £45 with the addition of £1 for every complete £8 by which it exceeds £20,970, reduced in any such case by £83 in respect of each child of the eligible student who is dependent on him or his spouse on the first day of the year for which the contribution falls to be ascertained; and in any case in which the residual income is less than £20,970 the spouse's contribution shall be nil; provided that the amount of the spouse's contribution shall in no case exceed £7,353.

(3) This sub-paragraph applies if the eligible student marries or starts living with a person as their husband or wife within the meaning of paragraph 7 during any academic year for which the contribution falls to be ascertained. The contribution for that year shall be the fraction of the sum ascertained in accordance with the provisions of sub-paragraphs (1) and (2) of which the denominator is 52 and the numerator is the number of complete weeks between the date of the marriage or their starting to live together and whichever is the earlier of the end of that year and the end of the course.

(4) This sub-paragraph applies if the eligible student's marriage terminates or if the student ceases living with a person as their husband or wife within the meaning of paragraph 7 during any academic year for which the contribution falls to be ascertained. The contribution for that year shall be the fraction of the sum ascertained in accordance with the provisions of sub-paragraphs (1) and (2) of which the denominator is 52 and the numerator is the number of complete weeks between the beginning of that year and the termination of the marriage or their ceasing to live together.

(5) In accordance with the provisions of this Part, more than one contribution may be applicable in any academic year.

EXPLANATORY NOTE

(This note is not part of the Regulations.)

These Regulations revoke and replace the Education (Student Support) Regulations (Northern Ireland) 2002 and come into operation on 16th July 2003.

Changes of substance made by these Regulations other than rates of fees, grants and loans are described below.

A number of minor changes are made. A definition of “electronic signature” is inserted in regulation 2(1) and a new regulation 2(7) provides that any reference in the Regulations to the signature of a declaration includes electronic signature in such form as the Department may specify. The definition of “high cost country” in regulation 2(1) is omitted. Regulation 10(4) is expanded and a new paragraph (6) is included so that students whose previous course was part of a foundation degree pilot programme run in conjunction with the University of Ulster and exceeded two academic years are eligible for grant for fees provided that the present course is appropriate progression. Regulation 10(10)(b) is amended so that in determining the period referred to in regulation 10(9)(c) a once repeated or part repeated first year of a student’s course is not included.

Regulation 13 is amended to take account of the increase in the maximum amount of bursaries for low-income students and in the residual income at which they are assessed.

Paragraph (1) of regulation 16 is amended to provide that unless an eligible student or his spouse has elected not to receive the childcare element of the working tax credit he cannot be eligible for a grant in respect of childcare costs. The formula in paragraph (2) by which an eligible student’s grant for living costs under paragraph (1) may be reduced or extinguished is amended. Paragraph (5), which provides for an additional grant for an eligible student who maintains a home for himself and a dependant at a place other than that at which he resides is omitted. A new paragraph (7) provides for a grant for an eligible student with one or more dependent children who has elected not to be treated as eligible for a grant for dependants’ childcare costs (regulation 17). Paragraph (8), which provides for a grant in respect of expenditure on travel, books and equipment is omitted. Paragraph (9) is amended to include the circumstance where an eligible student becomes or ceases to be a lone parent during an academic year (regulation 16(8)).

Paragraph (1) of regulation 17 is amended to provide that an eligible student who is or whose spouse is eligible for the child care element of the working tax credit cannot be eligible for a grant for dependants’ childcare costs. Paragraph (2) is amended to remove the lower rate of grant for dependants’ childcare costs (70 per cent.) so that there is only one rate (85 per cent.) and to omit provisions linking the rate to when the academic year begins. Paragraphs (4) and (6) are omitted. The amended paragraph (3) and new paragraphs (4) to (7) provide for the reduction or extinction of grant for living costs under regulation 16(1), grant for dependants’ childcare costs under paragraph (2) and grant under regulation 16(7) (in that order and whichever apply) by any excess amount over the amount required to extinguish the previously applicable grant.

Regulation 18, which provided for grants for school meals for dependent children, is omitted. Subsequent regulations have been re-numbered.

Regulations 20(1), (2) and (10) and 24(6) and (7) are amended to provide for the London rate of loan to apply in respect of any quarter of a course which requires attendance or the undertaking of work experience, or a combination of the two, for at least half the time in aggregate of that quarter within the London area (regulation 6(2) and 7(5)).

Regulation 20 is further amended as follows. Paragraph (6) is amended to omit eligible students attending courses within the London area (other than courses at the University of London) from being subject to the Department’s determination as to which rates of loan shall

apply for each quarter (regulation 6(3)). A new paragraph (7) is inserted to prescribe the rate of loan for each relevant quarter for an eligible student who attends a course (other than a course at the University of London) which requires attendance or the undertaking of work experience, or a combination of the two, for at least half the time in aggregate of that quarter within the London area (regulation 6(4)). The amendments to paragraphs (7) and (8) are consequential to the amendments to paragraph (6) and the new paragraph (7) (regulation 6(5) and (6)).

The same paragraphs are also amended to apply one rate in relation to attendance at any overseas institution.

Regulation 24(1)(c) is amended so that the first £50 of any grant for which a student is eligible under regulation 16(7)(b) is ignored in determining the maximum amount of grants under sub-paragraph (b). A new paragraph (2) allows the notional up-rating of the fee grant where the balance of the assessed contribution can be used to reduce or extinguish the amount of support other than fee or dependants grant for which the student is eligible (regulation 7(3)). Consequential amendments are made to paragraphs (3), (7) and (8).

Paragraphs (2) and (10) regulation 26 are amended so that the relevant payments are in such instalments (if any) and at such times as the Department considers appropriate rather than in respect of quarters of the academic year as prescribed. Paragraphs (3) and (13) are omitted; sub-paragraphs (a) and (b) of paragraph (9) and sub-paragraph (a) of paragraph (11) are consequentially amended; references to a “quarter” in paragraphs (4) and (5) are replaced by references to a “period” which is defined in a new paragraph (6) as a period in respect of which an instalment is payable or would have been payable in the prescribed circumstances.

Regulation 27(2)(b) is amended to provide for recovery of an overpayment where a student commences any subsequent course, and to ensure that all overpayments including overpayments of grants for dependants under regulations 16 and 17 are recoverable in the same ways.

Regulation 30 is amended as follows: references to the working families’ tax credit and disabled persons’ tax credit are omitted from paragraph (7)(a); the definition of “income” in paragraph (11) is amended to exclude any tax credits as described; and paragraph (12) is omitted.

Regulation 32 is amended so that an application for support for disabled part-time students’ living costs must reach the Department as soon as is reasonably practicable, which brings it into line with the application process for full-time students.

Regulation 40(1) and (2) is amended to provide that no debt or liability to which a bankrupt is or may become subject in respect of any sum payable to an eligible student by way of a loan in the circumstances described shall be included in his bankruptcy debts.

Paragraph (7) of Schedule 1 is amended so that this paragraph relates to a person’s status on a particular date being the first day of the first academic year of the course.

In Schedule 3, sub-paragraph (7) of paragraph 1 and sub-paragraph (2) of paragraph 2 are omitted.

Paragraph 4 of Schedule 3 is amended so that: a parental contribution in respect of more than one child cannot exceed the parental contribution that would apply if only that child held an award. The Department’s discretion to determine how to apportion the parental contribution shall only apply where a statutory award other than one under the Student Support Regulations, the Education (Students Awards) Regulations 2002, or section 63 of the Health Services and Public Health Act 1968 or the 1986 Order is held by any of the specified persons; and the parental contribution is apportioned equally where sub-paragraph (3) does not apply. Consequential amendments are made to sub-paragraphs (1) and (3).
