## **EXPLANATORY NOTE**

*(This note is not part of the Regulations.)*

These Regulations specify the percentage rate to be applied in relation to the actual or notional cost of construction or provision or to the capital value of a hereditament where such a hereditament is valued by reference to the actual or notional cost of constructing or providing it or to its capital value.

The Regulations also provide for different percentage rates to apply to different specified classes of hereditament included in a valuation list on or after 1st April 2003.

The Regulations revoke the Valuation for Rating (Decapitalisation Rate) Regulations (Northern Ireland) 1997. They apply the lower 3.67 per cent decapitalisation rate to defence establishments and to certain day care nursery schools for the first time.
